PREFACE

After stumbling through somewhere around 24,000 books (since 1931), I have had plenty of time to “compare notes” that deal with the *minds* of men. The “mind of man” expresses itself in thought, art, music, and action, but mainly in *literature*. Twenty-three million books in the Library of Congress testify to this truth. Since 1949, I have been able to compare the *world’s* literature with the literature of Moses, David, Isaiah, Peter, James, John, Matthew, Mark, Luke, Paul, et al.

I have come to some shocking conclusions and by “shock” I mean “awesome” conclusions that would shock a serial killer or an abnormal-psychiatrist as quickly as it would shock a combat infantryman or an FBI investigator. “Awesome” would not be the word for what pops up after a careful perusal of the best brains that mankind ever produced—say Einstein, Planck, Heisenberg, Hawking, Shakespeare, Tolstoy, Hemingway, Zweig, Sir James Simpson, Freud, Jung, Von Braun, Stephen Ambrose, Bernard Shaw, Eugene O’Neil, Thomas Edison, Ben Franklin, Mao Tse-tung, Darwin, Marx, et al., for example. What pops up is “positive thinking” and “possibility thinking” and “having faith in yourself” or “believing in yourself,” or “taking pride in your work” or “believe you can do it and you can,” etc., turns out to be the surest ways to *self destruction* and the destruction of your family (and nation) that any sinner could take. That is, nearly everything recommended and taught in the Western and Eastern systems of religions and education that was taught for the purpose of progress, culture, improvement, and “making the world a better place to live in” (1200–2000) was more *deadly* than GRID, syphilis, leprosy, small pox, influenza, hurricanes, typhoons, tornadoes, earthquakes, nuclear bombs, or ignorance, poverty, disunity, and crime.

What it amounts to when you examine the writings of Hegel, James, Joyce, Fichte, Kierkegaard, Nietzsche, Semler, Voltaire, Descartes, Renan, Wilde, Brigham Young, Joseph Smith, Lachmann, Tischendorf, Hort, Schaff, Ridpath, Lessing, Schweitzer, Lloyd Douglas, N. V. Peale, St. Francis, Dumas, DeMaupassant, et al. as closely as you examine the writings of Bertrand Russell, Henry James, Tom Paine, Emerson, Dickens, Thackeray, Thoreau, Aristotle, Aquinas, Neander, Fisher, Kurtz, Latourette, Froom, Madam Blavatsky, Emil Cady, M. B. P. Eddy, et al., you see that nearly every wise man, every poet, every intellectual, every philanthropist, naturalist, pragmatist, humanist, Catholic, Moslem, philosopher, scientist, fiction writer, historian, Buddhist, Hindu, Jew, and “do gooder” had simply attempted to get mankind to IGNORE or DENY the contents of *one Book* which contained two “Testaments.”

Even where the author *professed* to believe “the Book” (or some things taken *from* the Book) once his pen (or pencil or stylus or typewriter or word processor, etc.) crossed what the Book said about “MAN” or the world system and the future of both, he denied (many times sweetly, gently, and even piously) every word of it. It was as if one single *spirit* (described in Eph. 2:1–2) authored more than 20,000,000 books whose authors all had the *same objective*: replace the NEGATIVE truths given in the Book (where they dealt with man’s heart, mind, and nature) and present a completely different picture of “man.” The

same may be said of any passage in either Testament that deals with the history of nations past, present, and future. *There are more than 500 of them.* In those cases every author and speaker from Homer and Thales (624–500 B.C.) to Martin Luther King Jr. (1960s) and Jean Dixon (1980s) “prophecy” a future that is the exact OPPOSITE of the Biblical revelation of the future. We will prove our thesis with the Book and without the Book; inside the Book and *outside* the Book.

Richard Wurmbrand, a saved Romanian preacher, suffered as a real martyr under Russian Communism (1950–1980). His works are well known and well read (*Tortured For Christ*, 1967).

Richard went to the keyboard and struck the chord in which the twenty-first century symphony will be played. It reads as follows. “For awhile we ministers thought there would be nothing threatening at all under Communism. We were allowed to preach in our pulpits. The first time any of us began to suspect that something terrible was brooding was when we noticed that we could preach anything we wanted to preach about God being LOVE. However, none of us were allowed to preach about Satan or say that *the devil was BAD.*”

As Johnny Mercer, the song writer, wrote, “Accentuate the positive, ELIMINATE the negative; don’t mess with Mr. In-Between” (movie: “Song of the South”).

In Russia, Red China, Romania, Bulgaria, etc., that song translated simply meant IMPRISON or MURDER anyone *who believed or preached the Bible*. “**The gospel of the grace of God**” is 75 percent NEGATIVE, as anyone knows: 1 Corinthians 15:3–4. “**Christ DIED (negative) for our SINS (negative)...and that he was BURIED (negative), and that he rose again (positive) the third day.**”

That was the one true gospel that was to be preached to Gentiles in this age. “**But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed**” (Gal. 1:8–9).

It was 75 percent negative.

Eve’s “temptation” was 100 percent positive.

“**And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat**” (Gen. 3:6).

The first word Satan ever spoke in Genesis was not “No” or “Not.” It was “Yes.”

“**Now the serpent was more subtil than any beast of the field which the Lord God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?**” (Gen. 3:1).

“Mankind” doubled him with a “Ouija Board,” for as anyone knows, the “Oui” is French for “Yes,” and the German “Ja” is also “Yes.” Demons work with “Yes-Yes” boards. This mean the following treatise could be titled *The Depravity of Possibility*

Thinking or Having Faith in Damnation.

It is better documented in history than the lives of George Washington, Napoleon, Abraham Lincoln, General Grant, Queen Victoria, Joe Stalin, Adolph Hitler, Charlemagne, General Robert E. Lee, Gen. MacArthur, Marilyn Monroe, JFK, FDR, Mohammed, Buddha, Einstein, Churchill, or Al Capone.

Chapter 1

The Greatest Positive Thinkers in History

Many centuries before the Norman Vincent Peale-Dale Carnegie-“Tremendous” Jones-Robert Schuller type of “possibility thinker” showed up, there were scores of great and famous men (many of them “brilliant intellectuals”) who *practised* it not to become successful business men or achieve commercial goals, but to “make the world a better place to live in.”

Lest anyone should think that these self-deceived, self-hypnotized “do gooders” are only to be found in the Holy Bible and that, therefore, we will bore the reader with Bible references instead of HISTORICAL *FACTS*, we will make a brief survey of the world’s greatest positive thinkers *according to the world’s greatest positive thinkers* as recorded by the news media as reported by their associates and “fellow travelers.” For the time being we shall pretend—by thinking positively, of course!—that the *anti-biblical historical records* are correct. Once having taken this position we may further assume that the Bible record of this same kind of people is *false*: it is nothing but “myths” and legends, parables and allegories to teach “spiritual truths.”

See how it works? Once you “take your stand” with YANG you automatically become opposed to YIN. The Oriental solution to this is that the opposites form unified “unities.” I.e., you can switch from negative to positive depending upon how *YOU* want a thing to be. In this case, since the Bible accounts are totally *negative* they should be *REPLACED* with *positive* accounts.

The outstanding, empirical, phenomenal, historical, scientific *FACT* that proves this is that it is the universal belief by college professors in two pagan fantasies which have no more connection with intelligence, science, sanity, progress, education, history, or truth than Edward Lear’s *Book of Nonsense* or Grimm’s *Fairy Tales*:

1. *Accidental, spontaneous generation.*
2. *Non-intelligent, unguided perpetual motion.*

Those are the basic religious foundations for one of the largest pagan cults on earth—the cult of Darwinism, which still persists (alive and well) in *every* major “scientific” investigation of anything on earth or in OUTER SPACE. The multi-billion dollar Mars fiasco, started in 2003, was hog-tied to those two pagan *fantasies*. Neither one are even *theories*, let alone “scientific theories.” They are Mother Goose bedtime stories for Tinker Bell, Little Bo Peep, Jack and Jill, and Humpty Dumpty.

Now notice how both of these fairy tales are the products of POSITIVE thinking when applied to man and mankind. They were invented by someone who wanted you to think that *YOU* (and all of your “kin”):

1. Had no personal Creator to whom you would give account for your life.

2. There was no Paradise (or Heaven) or Hell in the future after death.

3. Since no Creator existed, then all of man's "history" was carried out without His knowledge, His guidance, His words, His providence, or His control. In the case of a handful of "*Theistic Evolutionists*," things were even worse, because up pops a Book in the middle of their compromising attempts to justify the cult and says: "**Thou believest that there is one God; thou doest well: the devils also believe, and tremble**" (James 2:19).

4. If there *was* a God involved in evolution He would have to be "**THE GOD OF THIS WORLD**" (2 Cor. 4:4) for His methods are obviously SATANIC, if you believe in what the same Book says about the Devil. "The law of the jungle," "survival of the fittest," "tooth and claw," "me first and you next," and "natural selection" are not to be found anywhere in the *Biblical history* of man's origins, so the Book is to be discarded. *It is not POSITIVE about man's beginning* (see Gen. 3–4) *or his END* (Rev. 20:9–10, 21:8).

For a few moments we will take the side of Norman Vincent Peale, Earl Stanley Jones, Robert Tilton, Eddie Copeland, Bishop Tutu, the Popes, all of the politicians, the ACLU, NAACP, NASA, and the NEA and assume the Book is not to be taken seriously where it deals with man's *origins* or his *future*. "For the sake of argument" we will lay it aside as a *history* Book and pretend it is just a *religious* text which proposes a "faith" for someone to believe. Having done this—by carefully rejecting Mark 13:19; Matthew 19:4; Isaiah 40:26, 42:5; Colossians 1:16; and John 1:1–3—we step into *secular history*, aside from any comments by the Holy Spirit in "**the HOLY SCRIPTURES**" (Rom. 1:2).

Here is a great positive thinker who operated by negation of the senses: Gotama Buddha (563–483 B.C.).

"You can reach the infinite! You CAN reach the ultimate! You can become 'one' with the Universe! It is possible! Believe in yourself, use your MIND and your WILL! *There is no Devil*. You can pay for your own sins through 'karma'! Think yourself out of the frame! Trip through the conscious and subconscious to the subliminal level and attain *Prajna Samadhi*! Enlightenment! Attain the great 'oneness' of the ONENESS! Meditate! Follow the noble eightfold path! etc." (P.S. *If you're a woman you are going to have a hard time making it!*)

See? No Heaven, no Hell, no judgment for sin, no New Birth, no grace, no blood atonement, no infallible authority from *anywhere*, and absolutely NO KNOWLEDGE WHATSOEVER ABOUT WHERE YOU GO AFTER DEATH. Ditto Hinduism.

Now! Isn't that nice? Who will tell you how to live? *Buddha will define your morals for you*. He did it in the "Noble" (see "*the NOBLE Koran*") Eightfold Path. The ultimate, extremely conscious "Tao" had nothing to say at all. If "Tao" ever did dictate anything he would have been just a lost sinner in collusion with HIMSELF—like Mohammed (pp.7–8).

Now, how many fairy-tale, dreamland, "virtual reality," self-righteous sinners picked up this "I-can-do-it-without-God" format? Oh, somewhere around 2,000,000,000 since 600 B.C.

Plenty of them are around today. They are absolutely “positive” that no God would let any sinner on this earth burn in a “**lake of fire**” forever; if you don’t believe it, ask them. Some of them might even quote *Scripture* (1 John 4:8, 16–18; Matt. 23:8–9; Acts 17:28–29) to prove that He wouldn’t.

(How did that BOOK get back in here so quickly? I thought we were going to drop it?)

You can’t drop the Book *totally* for it is the only Book ever written (among 23,000,000 others) that gives you the “other side of the coin”—a “second opinion”—every “cotton pickin’ time some demon-possessed *dumbbell* tries to “put over” anything that is *FALSE*.

Now here is our second great positive thinker: *Adolph Hitler* (1889–1945). What could be more positive than for a man to promise you “Today Germany! Tomorrow the world!” (*That is what Mohammed promised the Arabians*, word for word. See Sura 2:213, note 273; Sura 21:107, note 1667; Sura 24:55, note 1263.)

Imagine being so sure of yourself and having such confidence in *yourself* that you would take on a five-front war (the Balkans, Scandinavia, Russia, France and England, North Africa, and Italy) with the intention of meeting a Japanese ally in INDIA (1939–1945) and then *attempting it!* Boy! You talk about “confidence”! You talk about “pride in your achievements.” You talk about “all things are possible, only BELIEVE!”

Well, how did he make out? Well, Adolph lived and died “**having no hope, and without God**” (Eph. 2:12) and went to a *suicide’s grave* with no more assurance about life after death than Angela Davis, Willie Clinton, Mother Teresa, *Pope Pius XII*, Nelson Mandela, Albert Einstein, Charles Darwin, Karl Marx, Sigmund Freud, or Mae West or *Pope John Paul II*.

How about *Abraham Lincoln* (1809–1865)?

Wasn’t he a “flip”? Look at that old gas bag: “Government OF the people, BY the people, and FOR the people shall not perish, etc.”

“Shall not perish!” *Why you idiot!* Any moron with an IQ of 80 would know that *there never has been one government on the face of this planet in 6,000 years that was “BY and FOR and OF the people.”* Name one.

Who on earth, at Gettysburg (1863), actually *believed* that bearded NUT? He had *5,800 years of history* contradicting him.

Lincoln had just violated the Constitution three times and declared that he would never be in favor of black people VOTING! Who were “the people” he was talking about? *His kinfolk?*

Now do you see, what the root of ALL positive thinking is? It is DAYDREAMING (see pp.8–9, 147, 152). The greatest positive thinkers are either in nut houses (excuse me! “mental rehabilitation facilities!”) or are stoned out on heroin or cocaine. Did you vote for a declaration of war against Korea (1950)? How about Vietnam (1962)? No? Do you know of one person among “*THE PEOPLE*” who did?

Why do ALL historians commend Abraham Lincoln for what he said? What did he do? He said the war he started (see *The History of the New Testament Church*, Vol. II, p. 64, 1984) was to *preserve* a government that no more *existed* in 1861 than it exists right now (A.D. 2004). *It had never appeared anywhere on five continents in 5,800 years.*

Why would anyone recommend a BLATANT LIAR?

Boy, you talk about a “positive thinker”!!

Try this one. This inscription is on a monument to World War I American G.I.s who got killed in France to “make the world safe for democracy” with a “war to END all wars.” (Cemetery at Oise-Aisne, France, 1918) “These endured all and gave all that HONOR and JUSTICE might prevail and that the WORLD might enjoy FREEDOM and inherit PEACE.”

Now ain’t that one a “trip”?

Why, when World War I ended it had so thoroughly *destroyed peace* that the word “ARMISTICE” (a peace treaty) had to be removed from November 11th *permanently*.

The UN hosted ninety-eight wars since World War II ended.

What do your positive thinkers say about all of this? Why, naturally, they all declare it is a century long “peace process” to “liberate people.” *Eventually* it will succeed if you can send enough UN armies to *kill* out all those who disagree with you. This adds a new note to the sound of “positive thinking.” It means you can *interpret* KILLING and STEALING as positive, desirable “alternatives.” Wanna hear it? Look at this gem.

Here is a man after Norman Vincent Peale’s own heart: *Mohammed* (A.D. 570–632).

1. It is proper to have fourteen wives *simultaneously*.
2. There is nothing wrong with going to bed with your *daughter-in-law*.
3. It is perfectly moral to shack up with a *nine-year-old girl* (some say twelve).
4. It is perfectly proper to call Jesus Christ a *lying false prophet* (Mohammed did just that: see Suras 16:21, 3:54, 21:95, 128:44, 112:3) or claim all four of His *biographers* were demon-possessed liars (see Suras 2:161, 2:176, 12:3, 2:122, 5:117, 3:46).
5. It is perfectly proper to own *slaves* and buy and sell slaves.
6. Eventually all 190 nations in the UN will come to worship a Bedouin *moon god* who had three daughters (see Sura 29:48, 3:183, 31:110, 21:105).
7. The Arabians are God’s “chosen people” replacing *Israel* and thus are *superior* to all Germans, Italians, Frenchmen, Grecians, Chinese, Japanese, Englishmen, Americans, etc. (Sura 3:109, 31:110, 2:143).

Man! *You talk about having faith in yourself!* You talk about “believing” you can do it! You talk about “gay pride”! You talk about “speaking things into existence!” Look at that ole’ fornicating, scumbucket, whose followers think that if you laugh at him or insult him, you are predestinated to go to Hell (Sura 4:14, 22:51, 22:72, 9:30).

Mohammed was one of the greatest POSITIVE THINKERS who ever lived. His “mind set” (see pp.10, 13, 40) could justify *ANYTHING* he wanted to do or *ANYTHING*

that came into his mind.

If “push came to shove,” Mohammed could blame his whole damnable, godless mess on a 600-winged angel (*The Holy Hadith*, VI, 380).

Humanity has been exposed to such lame-brained, stumbling, stupid, positive thinkers as *FDR*. “Never again will your boys have to go overseas to fight a foreign war!” (“Beautiful dreamer, list to my song!” etc.).

JFK: “Ask not what can your country do for you, but what you can do for your country.” Well, you can get your country’s people *slaughtered* at the Bay of Pigs (1961), and *slaughtered* again in Vietnam (1962–1973), while you are shacking up with everybody’s sister or daughter (and getting VD from it), you can get your *brains blown out* in downtown Dallas (1963) with no more knowledge of your “after life” than Pope John XXIII, Paul VI, or John Paul II. That’s what you can *do* “for your country.”

In this corner is *Harry Truman* (1884–1953), a positive thinking Baptist. “The world’s best hope for world peace is the United Nations!” Ninety-six wars in fifty years (1948–1998). America LOST two of them and is now losing the third one. “Think beautiful thoughts! *Life can be beautiful!*”

“Face the future bravely!” “Man’s spirit has always triumphed over all obstacles!” “Have faith in your fellow man!” “You can do it!” “*You can be No. 1!*” “Yea team go! Fight, fight, fight!” “Don’t look at the obstacles! Look at the opportunities!” Look at the two faithful Israelites who faced the giants (Num. 13–14). “Little is much when God is in it!” Be like David (1 Sam. 17). “The bigger they come the harder they fall!” (Oops! How did the Scriptures get in there again?)

Want an overview of 5,000 years of these “powerful” positive thinkers?

Charlemagne thought he could unite Europe under the Pope: *twenty-four wars in less than 200 years were the result of his “positive thinking”* (Danes and England; Danes and Essex; Fontenoy and Picts fight Scots; Vikings into Germany; Charles the Bald vs. Louis of Germany; Danes vs. Scots; Bulgarians fight Saracens; Henry wars on Hungarians; Slavs and Bohemians; English invade Celts; Russians drive out Balkans, Bulgarian War.

Before A.D. 990 *Alexander the Great* thought he could unify the Middle East while ruling Europe and Africa. He burst a blood vessel at thirty-three after a drunken celebration, and no one cared to bury his body till it lay dead for three days. He brought about as much “UNITY” to Greece, Sardinia, Cyprus, Crete, Egypt, Palestine, Turkey, Syria, Persia, Assyria, India, and Arabia as Baibars, Genghis Khan, Tamerlane, Saladin, Yassar Arafat, and the UN.

All *positive thinkers* are DAYDREAMERS—egotists and lunatics at the same time. America spent more than \$50,000,000,000 between 1960 and 1999 going to the moon. What for? Why for getting taxpayer’s money; what else? “If it don’t make any sense, there’s a buck in it”: every time. These positive thinking “pioneers,” space-exploring adventurers discovered several tons of *rocks* and *dust* and then bragged about it for another thirty years. They are preparing to do the same thing with Mars. Why? Simple; every deceived idiot connected with all flights is going by his two basic religious

convictions that: 1. Man popped up *accidentally* on this planet by *spontaneous generation* and 2. The whole universe operates *automatically* (and accidentally) by *perpetual motion*.

The *positive thinkers* are going to the moon and Mars in hopes that some “missing link” (in their own depraved noodles!) will show up to prove that the Bible is a lie and MAN’S MIND IS SUPERIOR TO IT.

“It is better to have no ideas at all than false ones.” Flip side? “There is nothing quite so powerful in the world as AN IDEA whose time has come” (Victor Hugo). Meaning what? *Meaning nothing*. He has said that an undefined, unidentified, non-describal “idea” is MORE POWERFUL THAN THE POWER OF GOD.

“But unto them which are called, both Jews and Greeks, CHRIST THE POWER of God, and the wisdom of God” (1 Cor. 1:24).

Or the power of His Son.

“And Jesus came and spake unto them, saying, ALL POWER IS GIVEN UNTO ME in heaven and in earth” (Matt. 28:18).

Want some more positive thinking drivel? Try these for size:

“My country is the world, and my religion is to do good” (*Thomas Paine*: a Deist who was a *practical atheist*).

Religion will damn you quicker than drugs or liquor (see Matt. 23; John 8; Jer. 44; 1 Kings 12; Phil. 3:4–8; and Luke 18:9–23).

By “doing good” what did he mean? Every demon-possessed dictator who ever lived *professed* to be “doing good”—by his own standards and using *his own definitions*.

Enter! A fellow jackass!

“I am neither an Athenian nor a Greek, I *am a citizen of the world*” (*Socrates*). No, you’re not; you are just an old, fornicating *sex pervert* according to ALL biographies. You just didn’t want to be tried for your sex sins in a Greek court *in Athens*, you lying punk!

“Things do not change. We change” (*Thoreau*). Really? How, sonny? For the better or for the worse? *You didn’t say*. Since YOU wound up in the dirt with the worms eating you—you did say “we change,” did you not?—was *that* a “change for the good”? All evolutionists would have to say it was.

“When I am dead I hope it may be said, ‘His sins were scarlet but his books were read’” (*Hilaire Belloc*).

Then why did David say, **“I will set no wicked thing before mine eyes”** (Psa. 101:3)? Who was the “positive thinker” in this case?

Why would any dead man hope people would read his books, when he knew he couldn’t teach *anyone* how to live right or *die* right?

Ben Franklin: “In this world nothing is certain but death and taxes.” My what a NEGATIVE way to look at life, Ben! How did you come up with “Early to bed and early to rise makes a man heathly, wealthy, and wise,” WHEN IT DOESN’T.

A lot of poor people and starving people lie down *early* and get up *early* and still can’t

find *food*. A lot of earlier risers and bedders are *chronic drunks* and *dope addicts* and some of the *stupidest* people in the world go to sleep shortly after the sunset and get up before sunrise and couldn't fill out an income tax form, compose a poem, write a novel, stay out of trouble, stay out of jail, or read eighth-grade literature.

“Arise ye prisoners of starvation!” (*India* perhaps?).

“Arise ye wretched of the earth” (*Uganda*, is it?).

“For justice thunders condemnation” (they caught *Idi Amin*, did they?).

They caught Lenin, Stalin, and Pol Pot, did they? *Wanna bet?*

“A better world is in birth!”

Do you know who dreamed up those four slobbering positive *nightmares* that came to nothing in less than ten years? Why those quotations were from the *Internationale*, which the French revolutionists sung before Napoleon soaked the European continent with blood and then the *American Civil War* broke loose—followed by the *Spanish American War*, the *Philippine Insurrection*, *World War I*, *World War II*, *Korea*, *Vietnam*, *Haiti*, *Kuwait*, the *Falkland Islands*, terrorists in Israel, the “Twin Towers,” and 58,000,000 unarmed civilians *murdered by their own governments* (Cambodia, Russia, Thailand, Turkey, Germany, etc.).

A “better world” was born after the French Revolution? Where? *On Mars or Saturn?*

H. L. Menken: “The greatest ARTISTS of the world are never *Puritans* and seldom even ordinarily RESPECTABLE.” Why is this? He didn't say. Care to look at the implications? Well, he is suggesting that you have to be *immoral* to be a “great” artist. According to whom? *Why?* Why does the press always make gods out of *immoral people*? Would you care to sample a list?

FDR, JFK, Clinton, O. J. Simpson, Liz Taylor, Elvis Presley, Edgar Allen Poe, Stephen Foster, W. C. Fields, Jesse Jackson, Nelson Mandela, Lord Byron, Madonna, the Beatles, Angela Davis, Errol Flynn, Wilt the Stilt, Martin Luther King Jr., Princess Di, Ted Kennedy, Bobby Kennedy, Ernest Hemmingway, Rembrandt, Picasso, Van Gogh, Gauguin, Pope Pius XII, Marilyn Monroe, Jean Harlow, et al.

Ambrose Bierce, in his *Devil's Dictionary*, made a profound statement of absolute truth: “To be *positive* is to be MISTAKEN at the top of one's voice!”

Want an example? Lookee cheer (Southern, circa 1800): “In proportion as the antagonism between the classes vanishes [Cuba? China? Russia? Arabia? the USA?] the hostility of one nation to another [Islam to Israel? Islam to Europe? Islam to the USA? Islam to India?] will COME TO AN END.” That was Karl Marx—a fornicating, drunken *bum* with the ethics and common sense of a *diseased alley cat*.

How come the UN is not engaged in getting rid of “class distinctions” in INDIA and SAUDI ARABIA if this is true? Why are not Jews allowed to settle EAST of the Jordan River? “Class distinctions,” is it?

There are no “class distinctions” in the *federal penitentiaries*, the *concentration camps*, the *death camps*, the *Army* and *Navy*, or any completely controlled government

installation where individual “liberties” are a joke.

“Now at last we can bring Science, Religion, Intelligence, and Good Will together!” (*Kirtley Mather*, Science Education). Result? Ninety-eight wars since 1945 (end of World War II).

No wonder *Havelock Ellis* wrote, “The place where OPTIMISM most flourishes is the LUNATIC ASYLUM.”

At this point it is necessary to force the reader to notice something that ALL of the positive thinkers overlooked. They overlooked *the ONE who knows their minds* and has commented on them so many times that by now some historians should have discovered the comments by “pioneering to new horizons.” All space exploration, all wars, all peace treaties, all religions, all books but one and all educational and political systems come from the *human mind*.

The greatest “mind reader” to show up on this earth, according to all so-called “scriptures” of all so-called “religions” [see the Avesta, the Khorda Avesta, the Rig Veda (Sama, Yasur, Atharva), the Brahmanas, the Sutras, the Upanishads, the Mahabharata, Confucius’ five classics, Bhagavad Gita, Padyamulu, Bhagavatam, the Oracles (Shintoism), Vendidad (Zoroaster), Chuang Tzu Tao Te Ching, Lieh Tzu, Tripitaka] was the One who said:

“And the Spirit of the Lord fell upon me, and said unto me, Speak; Thus saith the Lord; Thus have ye said, O house of Israel: for I know the things that come into your mind, every one of them” (Ezek. 11:5).

“And thou, Solomon my son, know thou the God of thy father, and serve him with a perfect heart and with a willing mind: for the Lord searcheth all hearts, and understandeth all the imaginations of the thoughts: if thou seek him, he will be found of thee; but if thou forsake him, he will cast thee off for ever” (1 Chron. 28:9).

“For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.

“Neither is there any creature that is not manifest in his sight: but all things are naked and opened unto the eyes of him with whom we have to do” (Heb. 4:12–13).

Jesus Christ knew so much about man’s MIND that He absolutely refused to “commit” Himself to any man because of the *DEPRAVED STATE OF MAN’S MIND*.

“But Jesus did not commit himself unto them, because he knew all men,

“And needed not that any should testify of man: for he knew what was in man” (John 2:24–25).

The Book states what no pioneer space traveler, no nuclear scientist, no “Chairman” of a Communist Party, no Secretary-General of the UN, or ecumenical do-gooder knows. The Book knows all men not only think with their MINDS (Prov. 18:1–3, 1 Cor. 1:18–21, 3:18–20), they think with their HEARTS. None of man’s *intellectual thoughts* can be segregated from what he *LOVES* and what he *FEARS*. His thoughts are actually controlled

by those “heart” feelings (see Prov. 23:7; Ezek. 14:4–10; Jer. 13:10, 17:9).

I pulled Proverbs 18:1–3, one time, on the Bible Seminary faculty at BJU (1953) when the class was discussing the religions and “theologies” of Socrates, Plato, Aristotle, and Homer. I tore the class all to pieces and produced the only “C” I had on a report card in five school years at Bob Jones University.

The “Bible-believing” Christian professor (Dr. Whitte, a five-point Calvinist) was in a state of shock. I had linked him (and 4,000 saved Christian professors just like him) to 1 Corinthians 1:18–21; Isaiah 29:10–14; Luke 10:21; 1 Corinthians 3:18–20; and Romans 16:18 via Romans 1:22.

The Book tore his head off; he lost all of his composure and objectivity in less than fifteen minutes. He had convinced himself, all of his life (by POSITIVE THINKING), that 2 Timothy 3:1–13 and 2 Timothy 4:1–6 had to apply only to “UNSAVED LIBERALS.”

Private interpretation (2 Pet. 1:20; 3:16).

But back to “Sunnybrook Farm” or “How Green Was My Valley” or “The Good Earth—away with this nasty Book that keeps cropping up in the wrong places!

“A BOOK, by its counsel, teaches a WISE man how to live” (*Phaedrus*).

What book? You said “A” book. *What book?*

You said “a wise man.” Who is a *wise* man? According to *whom*? Erase *Phaedrus*’ B.C. statement; it was nonsense: undefinable, unexplainable, irrational *nonsense*.

“Books are the compasses, telescopes, sextants, and charts which other men prepared to help US navigate the dangerous seas” (*Jesse Lee Bennett*).

They are? You mean *Mein Kampf* and *Das Capital* were compasses, telescopes, and charts to navigate to—WHERE? *You don’t know where?* You didn’t say “where.” *Where* does your ship dock? Then how would you know which books were right and which ones were just make-believe playboards for Monopoly, Backgammon, Chess, Checkers, or Mah Jong?

“The proper study of mankind is BOOKS” (*Julian Huxley—1887–1975—a depraved atheistic evolutionist who never did as much for mankind as the inventor of the sewing machine or the typewriter*).

All right, Julian, I have *sixty-six books* here in my lap.

Read ‘em through. *You never did*. If you had you would have discovered that ANYTHING that any man, woman, or child, living on five continents through 6,000 years (4000 B.C. to A.D. 2000) needed to “safely navigate the dangerous seas” (plus dock at the right landing!) could be found in *those sixty-six books*.

What then were the rest of the books written for? The first book of the sixty-six books was written more than 1,800 years before the birth of Christ. Four-fifths of the Book was completed 389 years before the birth of Christ.

Before Moses began to write ANYTHING in 1500 B.C., the words that showed up in that Book had been spoken to men (Gen. 3–6, 10, 12; Job 23:12) *more than 2,000 years*

before any Vedas or Brahmas or Book of the Dead showed up anywhere.

“Through books ideas find their way to HUMAN BRAINS and IDEALS to HUMAN HEARTS and SOULS” (*Dorothy Canfield Fisher*).

Like Mary and Mohammed being *sinless*? Like, I suppose, *gun control* cutting down on *crime*? Or was it repeal of prohibition cutting down on crime? Is that why you spent \$50,000,000,000 picking up *moon rocks*? Because “ideas” found their way into your human brain? Through “books,” was it? *Books like what? Anthony Adverse, Moby Dick, a Catholic Missal, the Hadith?* Perhaps *White Fang, The Call of the Wild, Gone With the Wind, The Naked and the Dead*, or something like the *Book of Mormon* or *Mein Kampf* or Mao’s *Red Book*?

How about Norman Vincent Peale’s *Power of Positive Thinking*?

Want a beautiful piece of insane nonsense disguised as “Christian-brotherhood thinking”!

“When I was small I knew no *color* or creed at all. Since then of course I grew. Now I know Negro, Gentile, and Jew. Please, dear Lord [note the godly, pious PRAYER!] let me always *be small* that I may never see *color* or creed at all.”

Buddha didn’t in “Prajna.” The Hindus don’t in “Nirvana.” *Is that the way you want to be?* Single, lazy, flat broke, and living off charity?

When you were “SMALL,” stupid, *other people had to take care of you*, and you didn’t have breathing sense and could be FOOLED and TRICKED into anything by an adult. *That is how you ALWAYS want to be?* You now “know” three classes, do you? Why are they not the three mentioned in the Book more than 1,900 years ago (1 Cor. 10:32). How did you miss *that* after you “grew”? Grew into *what*?

You don’t want to see “COLOR” any more, do you? Are you an *artist*? Do you know any artists? No *color*, eh? How do you get through two dozen (or ten dozen) traffic signals every day? Oh! you mean the color of PEOPLE, right? That is Orientals, Negroes, and Occidentals are ALL THE SAME COLOR, right? *What color is it?* Why did you subconsciously attack a Book you never read? The Book said Jesus Christ was “**WHITE**” (Song of Sol. 5:10) and His bride was “**BLACK**” (Song of Sol. 1:6).

Oh, I see what you did! You removed both verses from the *King James Bible* and published bibles that *pretended* that no colors existed (see an *NIV* for example). Attsaway to go, baby! Right on! Down with “non-productive hate literature” that informs mankind about the TRUTH of colors so you wouldn’t be fooled any more like “*before you GREW.*”

All positive thinkers reject all information found in any Bible that NEGATES what they want to believe. Like say, for example, 1. *Spontaneous generation.* 2. *Perpetual motion.* 3. *Racial and religious unity.*

“No CREED?” Why you simpleton! Any man’s “creed” is simply what he *believes*. Look the word up in a dictionary. All Mafia bosses lived by a “creed.” The United States government has over 1,400 “creeds” given as “Federal regulations” to back up what *they* believe. Do you think our *creeds* match the State LAWS in Iraq, Iran, Pakistan, Kosovo, Algiers, Morocco, Egypt, Indonesia, Liberia, Angola, and Turkey? Well, they don’t. Point

No. 4: All “POSITIVISTS” refuse to face *reality* or the *truth*, when it does appear, if it hurts their *images* or *incomes*.

Wanna see a real “looney” that got loose from the “bin”?

J. Edgar Hoover: “A Gestapo under the American system would be an impossibility. Our courts and Congress...and a FREE PRESS (!!) would quickly spot “injustices” or any EXCESS [sex perverts marrying sex perverts?] on the part of any government agency.” *The White House for example?* With three Democratic presidents using the office to fornicate with a variety of women (Johnson, Kennedy, and Clinton)? You mean the “Executive Orders” passed by Kennedy without a Congressional vote (1961–1962) were not “excesses”? Why don’t you get a copy of them?

But my, my, my, wasn’t that a beautiful, refined, sweet, gentle, holy, pious prayer that James Johnson prayed (see above)? Oh, it was a “peacherino”! It wouldn’t offend anybody. Speaking of “CREEDS,” Kennedy was a devout Roman Catholic, and Clinton was a Southern Baptist, and Lyndon Johnson was a “Nothingarian.”

Want some more garbage?

“Hope is the parent of faith” (*C. A. Bartol*). *Faith in what?* Mickey Mouse? *Faith in the Pope?* Karl Marx? A College education? *Your doctor?* Why did you extract both words from 1 Corinthians 13:13 before you *invented* your nonsense epigram?

Now since books—any books—are the product of men’s *minds* (see pp.10, 13–14, 40) and serve as “charts, maps, compasses, sextants, etc.” to “guide you through life,” let’s take two dozen of the *best brains* between 1900 and 2000 and look at their attempts to say something that had already been said before A.D. 90. Back there it was said *better* than any of them could have said it (Karl Adam, Erich Fromm, Loren Eisely, Fyodor Dostoyevsky, Dietrich Bonhoeffer, Paul Tillich, Gustave Weigel, Rollo May, Reinhold Niebhur, James Pike, Peter Berger, Martin Buber, C. S. Lewis, et al.). Notice that Laodicean “Christians” are also found in that group of stumbling, blind, Biblical illiterates.

John Updike proves there must have been a creator of the universe. (*He is a theistic evolutionist.*) And who is the Creator? John Updike professes to know no more about Him than any devil in A.D. 60 (James 2:19) or Isaiah (Isa. 46–48), 700 years before the New Testament was written. Updike, in *the twentieth century*, has no more idea of where he is going when he dies than Winston Churchill, St. Thomas Aquinas, Saddam Hussein, Mother Teresa, John Gotti, Charles Manson, Ernest Hemmingway, Vincent Van Gogh, Benny Goodman, Ted Bundy, Bing Crosby, Madonna, Frank Sinatra, Oprah, Giuseppe Verdi, Pablo Picasso, Jack the Ripper, or Mohammed.

Paul Tillich declares that he believes what all devils believe (James 2:19). He is a total AGNOSTIC (ignoramus) in ALL Scriptural matters that deal with human nature, God’s dealing with individuals and nations, the New Birth, the local churches, the false prophets, the fake religions, the future of the League of Nations or the UN, or life after death. Spiritually, he is a total blank, having rejected EVERY VERSE found in 1 Corinthians 1–3, 15; Galatians 1, 4–5; Colossians 1–2; Ephesians 1–2; Romans 2–5, 10–11; 1 Peter 1–2; 2 Peter 1–3; 1 Timothy 6; 2 Timothy 3–4; Titus 1–2; 1 Thessalonians 4–5; 2 Thessalonians

2–3; and Jeremiah 23, 25; Isaiah 7, 9, 24, 34, 65–66; Joel 3; and Psalm 2, 68, 78, 105, 110, and 150.

His knowledge of Holy Scriptures, where they deal with prophecy, could be matched by a ten-year-old Negrito on the “outback” of Australia.

Reinhold Niebhur: To believe that Genesis 1–4 is history is “*cultural primitivism*.” It is a “child’s” *mythical answer* to childish questions”; it “corrupts religious insights.” (According to that, the Lord Jesus Christ was guilty of *corrupting people with mythology*.)

“And he answered and said unto them, Have ye not read, that he which made them at the beginning made them male and female,

“And said, For this cause shall a man leave father and mother, and shall cleave to his wife: and they twain shall be one flesh?” (Matt. 19:4–5).

“But as the days of Noe were, so shall also the coming of the Son of man be.

“For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark” (Matt. 24:37–38).

Niebhur talked like a blind agnostic all of his life and never got far enough in his search for the truth to believe Jesus Christ didn’t tell lies.

Karl Adam (Catholic): God’s activities are determined by the age into which He has to operate; He never deals with *absolute truth* of any kind. *All men walk in semi-darkness*: none walk in “the light.” (see 1 John 1:5–7 and John 1:4–9, 8:12). After saying this he goes complete berserk and says “Our goal is clear....” And then confesses he is unable to tell his readers WHAT it is—even *for himself!*

Undertaking to improve on the New Testament, Karl Adam winds up admitting he knows *nothing* about anyone’s future, *including his own*. But he does assure you (positively!) there is no real HELL anywhere; God (whatever He is!) wouldn’t think of sending anyone to Hell. *Jesus said He would* (see Matt. 10:28).

Yin or Yang; take your pick. “Polarities”: 180 degrees in opposite directions. What will you do about it? Take neither side and sit on the wall? That is what Humpty Dumpty did.

David Roberts: “Biblical faith” is not that you must believe in *anything*; no threats follow *any* sinner who does not BELIEVE what God said. No one can explain “faith,” for it is not based on *knowledge of anything*. Salvation is “a sense of internal harmony; of oneness with NATURE,” and the “ground of being”—which is? Nothing. No “ground” is given. *You got here, accidentally, by spontaneous generation*.

Paul Tillich: “Faith is the state of being ultimately *concerned*.” About what—*pregnancy?* The abortion rate? The national debt? *Who will win the World Series?* “YES [positive] we have NO [negative] bananas today.” Tillich can’t *define* a single term he uses. One thousand years before his great grandmother was born an “author” wrote: **“Now faith is the substance of things hoped for, the evidence of things not seen. For by it the elders obtained a good report”** (Heb. 11:1–2).

“What concerns one ultimately becomes HOLY.” It does? Like where can you find another “candy man” to give you a “Mexican sleigh ride?” You mean it becomes holy to YOU? How about where to buy a gun to kill Kennedy with? How about how to avoid the FBI after *five serial murders*? “What concerns one...?” Like how to bench-press 300 pounds or get your name in the paper? That becomes “holy,” does it?

Erich Fromm, an evolutionary atheist: “Faith is a character trait. Not a specific *belief*.”

“But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him” (Heb. 11:6).

“Then he said unto them, O fools, and slow of heart to believe all that the prophets have spoken” (Luke 24:25).

“To declare, I say, at this time his righteousness: that he might be just, and the justifier of him which believeth in Jesus” (Rom. 3:26).

“But to him that worketh not, but believeth on him that justifieth the ungodly, his faith is counted for righteousness” (Rom. 4:5).

“That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.

“For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation” (Rom. 10:9–10).

Didn't I begin by telling you WHY 23,000,000 books showed up?

Why they are to make a liar out of God!

Ian Barbour: “Science and religion are *identical*.” They involve experience and interpretation; the experience of individuals and communities; *symbolic language* (language that doesn't mean exactly what it SAYS); spontaneous responses, such as curiosity about nature and God. On the other hand, both ASSUME relativism. Both deal with “social relationships,” *and neither have absolute truth* or can be “certain of *anything*.” Revelation is just partial knowledge open to “new insights.”

So? Well, Barbour doesn't believe in a literal Heaven, a literal Hell, a literal Second Coming, the Deity of Christ, the witness of 500 eyewitnesses in 1 Corinthians 15. *He does believe in monkey men produced by spontaneous generation, accidentally*. In short, he is a gullible, deceived FOOL, according to Jesus Christ.

When discussing “the nature of man,” all of the rest of the dumbbells speak in perfect unison. They all agree that every age produces the same questions and finds the same answers about “man,” which are:

1. He has absolute freedom to become whatever he wants to become. (Which is 100 percent *against* 6,000 years of recorded history.)

2. He has no knowledge of *anything* beyond the grave (which is *nonsense* according to Luke 16; Matt. 22; Luke 19; 1 Thess. 4; 1 Cor. 15; 2 Cor. 12; Rev. 20–22; John 14; 2 Pet. 2; and 2 Tim. 4:1–3).

3. He can be “friendly” or “loving,” “mean” or “hateful”; live “independently” or as a “servant”; work with others or live in isolation; be a “united self” or a “divided self” as an individual or “just like everyone else.”

Since not one item in that list has anything to do with the *nature of man* and carefully avoids 100 revelations on *that nature*, in both Testaments, why would any reader pursue these “brainy think-tanks” another minute? Why, they are empty, rusty, 100-gallon, propane tanks lying in grass six feet high.

Here we have man’s nature described in staggering detail more than 1,000 years before Columbus discovered America.

“The heart is deceitful above all things, and desperately wicked: who can know it?” (Jer. 17:9).

“Because sentence against an evil work is not executed speedily, therefore the heart of the sons of men is fully set in them to do evil” (Ecc. 8:11).

“Behold, thou hast made my days as an handbreadth; and mine age is as nothing before thee: verily every man at his best state is altogether vanity. Selah” (Psa. 39:5).

“As it is written, There is none righteous, no, not one:

“There is none that understandeth, there is none that seeketh after God” (Rom. 3:10–11).

“There is no fear of God before their eyes” (Rom. 3:18).

Paul Tillich tells us that SIN is never connected directly or indirectly with any supernatural Devil. *Devils don’t exist* (pp. 78–90, *The Edge of Wisdom*, 1964). E. B. Cherbonner: “The only SIN is idolatry” (pp. 81–88). According to him, only self-righteous sadists would condemn anyone for *fornication, adultery, sex perversion, etc.* The words *lying, stealing, swearing, cheating, killing, cursing, kidnapping, defrauding, embezzling, etc.*, do not occur in ONE list of Cherbonner’s “sins.” He only mentions “PRIDE.” All people who believe in *absolute truth* (John 14:6; Matt. 11:27; John 8:47, 12:48, 8:24, 34–36) are *wicked sinners*. You can spot them by their saying that you “HAVE to believe something” (p. 88).

For example:

“I said therefore unto you, that ye shall die in your sins: for if ye believe not that I am he, ye shall die in your sins” (John 8:24).

This designates Jesus Christ as a *wicked sinner*. Now go back to page 7 and see why I said what I said!

“And because I tell you the truth, ye believe me not.

“Which of you convinceth me of sin? And if I say the truth, why do ye not believe me?” (John 8:45–46).

“Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.

“Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ

is come in the flesh is of God:

“And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world” (1 John 4:1–3).

“But we are bound to give thanks alway to God for you, brethren beloved of the Lord, because God hath from the beginning chosen you to salvation through sanctification of the Spirit and belief of the truth” (2 Thess. 2:13).

Erich Fromm says that if you are a “thinking man” you must *be uncertain of everything* (p. 21). If you are really “free” (Rom. 8:2, 7:17–18), you are *insecure*. In the Bible, a “free man” (Gal 5:1) has 100 percent security, 24 hours a day, 365 days a year, *as long as he lives*.

“And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

“For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren.

“Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified.

“What shall we then say to these things? If God be for us, who can be against us?

“He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things?

“Who shall lay any thing to the charge of God’s elect? It is God that justifieth.

“Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us.

“Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?” (Rom. 8:28–35).

“For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come,

“Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord” (Rom. 8:38–39).

Why go on? Don’t you get the message? Wherever intelligent thinking, *progressive*, modern, scientific minds (1700–2003) attempt to “HELP you,” lead you, guide you, teach you, or counsel you, they do from a standpoint of either *total ignorance* or *total indifference* to what *one Book* says about their opinions.

Every one of them is in competition with the AUTHOR of a Book that was completed *more than 1,800 years before any of them were born*.

“An optimist is a guy who looks at an oyster and expects a pearl. A pessimist looks at the same oyster and expects ptomaine poisoning” (*Earl Wilson*, New York Post Syndicate).

Now isn’t that a positive thinker’s germ?

But for a moment, instead of being carried away by some blundering idiot's substitutions for the Scriptures that mean nothing at all, consider this: "an ounce of prevention (*negative*) is worth a pound of cure (*positive*). Wanna take a chance on the ptomaine poisoning? *Think positively.*

It's the SAME oyster, is it? You said it was the "SAME oyster." *What did it look like?* Why would any man think it *might* be poisoned? Would he be any dumber than the nut who looked at it and thought there *might* have been a pearl in it? Why would he think of *that*?

You see what you are up against? All positive thinkers go *blank* when they try to *think*. If they picked up the Bible they would have to reject more than 1,000 verses in it on sight if they took the positive view of man. Two men looked at the same man, and one man said "He is a diamond in the rough. I see *the good* in him." The other says "He is a potential murderer. I see *the killer* in him." Which one would have been right in Cain's case? Ahab's case? Caiaphas' case? Any man's case (1 John 3:15)?

Aren't *both things* in some men? Which one is his natural NATURE? Why, Jesus Christ *acted* according to what He *knew* about man's nature (John 2:24–25).

Go on. Say that God is in everyone for "everyone has a spark of divinity in him" so you can claim that all men are "diamonds in the rough." This would mean that all are born "good" and only get corrupted *later*. That is, it means you have to make a liar out of the Book.

"Among whom also we all had our conversation in times past in the lusts of our flesh, fulfilling the desires of the flesh and of the mind; and were by nature the children of wrath, even as others. But God, who is rich in mercy, for his great love wherewith he loved us" (Eph. 2:3–4).

"Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God" (John 3:3).

"For vain man would be wise, though man be born like a wild ass's colt" (Job 11:12).

"And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, Backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents, Without understanding, covenantbreakers, without natural affection, implacable, unmerciful: Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them" (Rom. 1:28–32).

"Man that is born of a woman is of few days, and full of trouble: (Job 14:1).

"Who can bring a clean thing out of an unclean? not one" (Job 14:4).

"Behold even to the moon, and it shineth not; yea, the stars are not pure in his sight" (Job 25:5).

See why so many authors of other *books* show up?

The man (above) who bet on “ptomaine,” after *examining* the oyster, has a much safer and more accurate basis for not eating it than the man who thinks there *might* be a pearl in it; after all, the positive thinker is crooked, for he could AVOID eating it just like the other fella—after he did, or didn’t, find the pearl.

If he were a REAL “optimist” he would eat the oyster KNOWING it had poison and then believe *God would heal him because He loved him!*

The original proposition was just an elaborate FARCE.

The modern “positive thinker” has before him 23,000,000 books showing him everything that man ever found out about anything, including *himself*. With this before his eyes he believes [the word “he” here referring to every humanist, agnostic, atheist, evolutionist, one worlder, and religious do-gooder on the face of this earth] that he (“man”) will eventually bring in permanent peace on earth by his own means *without any assistance from God or the Bible*. He can drop both of them and still progress.

The negative *facts*?

“The dove of peace is piling up an all time record for being ‘out on a limb!’” (*Carey Williams*)

“When nations smoke peace pipe, no one *inhales*.”

“The word is officially at peace; it’s a peace that ‘passeth all understanding’.” (*Olin Miller*)

“The Indian carved the peace pipe with artistry and skill; his brother made *the arrows* to insure peace and good will.”

“Any peace produced by compulsion is just the calm of *enforced slavery*.” (*William Forney Hovis*) See Arabia, Iraq, Indonesia, Nigeria, Libya, etc.

“The atrocities of peace can be as horrible as the atrocities of war.”

“In case of rain the war will be held in the auditorium.”

Well, old General Sherman (Civil War) said “War is hell.” Not the one in the Bible, of course! The “Hell” in the Bible is *everlasting*, and no war on earth was everlasting. Sherman was just making an “analogy” or giving you a “parable.”

There have been 871 wars between 1855 and 1955, according to Henry Smith Leiper. There have been 96 wars between 1945 and 2003. Between 1914 and 1945 lie 100,000,000 casualties in combat, and of those, 22,000,000 were killed outright. Another 58,000,000 unarmed citizens were murdered in the same period by their own governments (Bulletin issued by the American Association for the United Nations, and *Lethal Laws*, Sim Kin, Zelman and Rice, 1944).

Solution to this horror? Simple: go to your nearest funny farm and take the advice of a positive thinker supreme, Mr. Robert J. Aspell: “We [without the help from any God] can abolish war by depriving our armed forces of the means of DEFENDING us!”

That is the positive agenda: *international disarmament*.

Who will be the first volunteer?

No one. No one since 4000 B.C.

Who couldn't figure that out but a positive thinker? He has lost the power to "figure out" anything.

No man who knew anything about history, nations, human nature, religion, laws, families, property, security, etc., would THINK of even making such a suggestion. *International disarmament* could only be accomplished by a select group of SWAT teams, regimental combat teams, SEALs, Green Berets, Rangers, Commandos, Paratroopers, and *licensed terrorists* "breaking and entering" and *assaulting* (with deadly weapons) while being licensed to STEAL and KILL (Waco, Ruby Ridge, Iran, Kuwait, Afghanistan, Iraq, Serbia, etc.).

How do all *positive* thinkers look at war and peace? I will give you a survey that will cover all the Catholic priests, all the Popes, all of the liberal preachers, all of the evolutionists, all of the humanists, and all of the professing Christians, Hindus, Moslems, Buddhists, and atheists (from 4000 B.C. to A.D. 2000) in one shot, plus the NEA and the UN.

"War doesn't settle anything; not even its bills" (Banking Magazine). "War is a deep-seated impulse to human friction. It begins in the *hearts* and *minds*" (David Lawrence). "Wars come because mankind will not accept the Fatherhood of God and the Brotherhood of Man" (Henry Smith Leiper). "If we don't want war and if we don't want it bad enough then each of US will do his part to see that it doesn't occur again" (Gen. Dwight D. Eisenhower—who put Operation Keelhaul, which sent 100,000 Russians and East Germans back into Russian concentration camps to experience raping, mugging, starvation, and death [1945–1946], into effect).

"Wars to end wars are delusion" (John Foster Dulles). All *optimists* and *possibility thinkers* eat, drink, and live *illusions* (and hallucinations) their entire lifetimes. "We will have peace on earth if we have to *fight* for it" (Harlan Miller). "Throughout history there never has been an inevitable war" (James P. Warren). "Peace is not only *probable*, it is CERTAIN...by wise guidance, keeping cool, exercising patience and determination to survive" (Ernest Bevin). "Peace can come if the Western world ["our group!"] *fight*s the balance of power [at this time Catholic Hitler and Catholic Mussolini]. It didn't. *They* didn't. *You* didn't and neither did Lippman. World-wide peace is CERTAIN? Without God or Christ? Absolutely! *Ask any positive thinker!*

Now, having defined man's main problem—and *none of them did!*—what CURE do you suppose this same crew offers after having "diagnosed" wars as coming from the same place where a *commercial fisherman* (in A.D. 50) said they came from (James 4:1–4)?

Marx missed it. He said the *source* was the economic system. But nearly all authors of all "peacemakers" read like this:

"All men desire peace but very few desire those things that make for peace" (Thomas a' Kempis). This "jives" with James.

“Five *inner traits* of man are enemies of peace: avarice, ambition, envy, anger, and pride” (*Francesco Petrarch*). “To have peace in our world we have got to get peace in our MINDS” (the author of *The Power of Positive Thinking!*—Norman Vincent Peale). And *how* will mankind get peace in their mind? (I didn’t say “one Yogi sitting down cross-legged”.) Ah, that is the \$500,000,000,000 question! Just wait till you hear the answers.

“The only guarantee of peace” will be found in the “soul” of a nation; that is, in the INNER LIFE of its people (that was Pope Pius XII, *Adolph Hitler’s Cardinal in Berlin*, who had all Catholic Bishops pray for the *success* of the Third-Reich while *it murdered 6,000,000 Jews*).

“The true peacemaker [plagiarism from Matt. 5:9] goes to the root of things; he must deal with CAUSES, not *effect*” (*Montreal Star*, 1945). A commercial fisherman told you the CAUSE more than 1,800 years before World War I or World War II (James 4:1–4).

“Disarming does not, in itself, promote a peaceful frame of MIND” (*Alfred Lane*). “Peace comes not by changing maps but by changing MEN” (*James H. Griffiths*).

Bravo! *And how do we do that*, Mr. Griffiths? I can hardly wait to find out; can you?

How do you CHANGE human nature?

“World peace depends upon what is in our HEARTS” (*James Byrnes*, Sec. of State). “OUR HEARTS,” James? Are you kidding? You became a Secretary of State of the United States and never read Matthew 7:11 or Genesis 6:5 or Jeremiah 17:9?

“You cannot secure any peace on earth without RIGHTEOUSNESS in its citizens” (*Frank D. Ely*, World Affairs Interpreter). Izzat so? Been reading Hebrews 7:2, have you, fella? *What kind of righteousness?* Romans 10:1–3 or Romans 3:21–22?

“Peace will be a by-product of JUSTICE and MERCY” (*Stanley High*, a Supreme Court “Justice”). Like Rodney King and O. J. Simpson or “mercy” like the suicide bombers in Palestine?

“Peace on earth depends upon the INDIVIDUAL behavior of every single being upon earth” (*A. J. Cronin*). Does this include Hitler, Charles Starkweather, Marx, John Gotti, “Three Finger Brown” (Luchese), Fidel Castro, Arafat, Ed Gein, Hussein, Mao, “Pittsburg Phil,” Bugsy Siegel, Jim Jones, Janet Reno, Charles Manson, and 300 Catholic pederast priests? See how it goes?

Before any positive thinker hops into his cardboard canoe and invites you to come with him to cross the Atlantic Ocean in a Northeaster (see pp. 10, 14–16) his MIND *goes completely to pieces*. All that Stanley High said here, was that PEACE is a totally *unattainable object* that will never show up on a worldwide scale for even twenty-four hours anywhere on this earth.

Watch ole’ A. J. Cronin exhibit his shattered mind! “Peace on earth (*plagiarized from Luke 2:14*) depends not upon the pompous platitudes of the treaty makers but upon the INDIVIDUAL BEHAVIOR of EVERY SINGLE HUMAN BEING ON THIS EARTH.”

My, my, my. I thought it depended on *God* doing something when His Son was born (Luke 2:10–11). Boy, was I ever fooled! I thought it depended upon *His Son coming back*

(Isa. 9:6; Hag. 2:7, 9; Psa. 2:6–12; Zech. 14:1–6; Ezek. 48; Matt. 25:31). Boy, can that “archaic *King James* English ever get you messed up! Right? Wrong.

Don’t think for a minute that only unsaved people attack the Holy Bible. Here is a Christian. This will be *The Christian Herald*. The deceived nut is William L. Stidger:

“If WE wish for peace we must work for it, DREAM for it, and pray for it. I believe that, and I WANT TO THINK AND SAY AND WISH peace.”

Peace is a “dream wish.” See it? It is a 6,000-year *fairy phantom*.

Since Stidger began to *wish* and *dream* ninety-two wars broke out in less than sixty years.

“Peace begins as a personal affair within the individual” (*Adelaide T. Chase*). Really, sister? And how does that take place? Through Yoga? Meditation? Self hypnosis? Drugs? You didn’t say. *They never say*. They never say because they are innately *cowardly* as well as *stupid*.

“Peace MUST be established by transforming man from the interior” (*Lecomte Du Nuoy*, Human Destiny). My God, what a confession for an *evolutionist*! After believing that “man” got here via more than 1,000,000 years [see Harold Leakey, if you don’t believe *that!*] by tooth and claw, plus bloody “survival of the fittest” to aid “natural selection,” *he is now confessing that 1,000,000 years of progress never solved the basic problem that needed to be solved*. How did more than 4,000,000 Pilt-down men, Neanderthal men, Cro-Magnon men and “modern men” fail to ‘TRANSFORM MAN FROM THE INTERIOR’ so he would quit killing his own kind? *You mean he couldn’t do it in 1,000,000 years?*

And MODERN man is going to do it in *100 years* (1914 to 2014)? When 1,000,000 years of progress and evolution couldn’t accomplish it?!

“Thirty days hath September, April, June, and No wonder

All the rest eat peanut butter but Grandma,

And she rides a bicycle.”

“The source of all wars, the source of all evil, lies in us.”

Well, well, *there* is some powerful *negative* thinking! But that time he lined up with Isaiah 1; Romans 2; Galatians 5; Matthew 25; John 3; etc. That was *Lecomte Du Nuoy* again.

And *how* do we get rid of this “interior enemy,” Doctor? Ahhhh! You plead the Fifth Amendment. You didn’t say. Will anybody speak up and tell us the answer? *Nobody yet*. They all become *agnostic* at the crucial moment and “back off.” Every one of them *sensed* what the answer would be. It would be John 3:3.

No answer even from those who believed the commercial fisherman’s analysis on God (James 2:19) and WAR (James 4:1–4).

Man’s *religions* (see pp. 10, 36) obviously affected nothing. The two greatest imperialistic, fascist killing systems in this world were both *religious outfits*: *Catholicism*

and Islam. Since evolution is a religion with creeds, dogmas, and faith (without works!), it is the *Communist* who is the runner-up when it comes to slaughtering people.

Let a great German “think tank” put the cap on the bottle. This is *Immanuel* (plagiarized from Isa. 7:14) *Kant* (1724–1804), who can’t see a freight train standing on a track twenty feet in front of him. “THERE IS ONLY ONE TRUE RELIGION; BUT THERE CAN BE MANY FORMS OF BELIEF.”

Brayed like a true, unregenerate, deceived, Bible-rejecting *jackass*.

“For vain man would be wise, though man be born like a wild ass’s colt” (Job 11:12).

“And every firstling of an ass thou shalt redeem with a lamb; and if thou wilt not redeem it, then thou shalt break his neck: and all the firstborn of man among thy children shalt thou redeem” (Exod. 13:13).

“Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me” (John 14:6).

“There is a way which seemeth right unto a man, but the end thereof are the ways of death” (Prov. 14:12).

“All things are delivered unto me of my Father: and no man knoweth the Son, but the Father; neither knoweth any man the Father, save the Son, and he to whomsoever the Son will reveal him” (Matt. 11:27).

Three footnotes, worthy of note, before closing this chapter:

Note no. 1. “*Religions* (all religions) are systems telling any unregenerate sinner what to do in order to *pay* for his own sins and *earn* Heaven. *Salvation* is what God GIVES any unregenerate sinner so he can be regenerated *without him deserving Heaven or earning it.*”

Note no. 2. “War is God’s judgment on sin HERE, and Hell is God’s judgment on sin hereafter.”

Note no. 3. In the Book, no peace has ever come upon this earth, or ever will show up on this earth, *no matter who does what, thinks what, dreams what, disarms whom, or prays for peace*, until the Maker of Heaven and Earth (Isa. 45:11–12, 21, 47:7–8, 48:3–7) shows up in *Person* and sits King (Zech. 14; Psa. 2; Ezek. 48; Matt. 19, 25) of Kings.

The requisites for permanent peace have nothing to do with *praying* for peace, *disarming* anyone, *tolerating* or *not tolerating* anyone, *understanding* or *misunderstanding* any culture, nation, religion, or person. The prerequisites, according to the rejected, ignored, despised, counterfeited, cursed, unread BOOK are 1. “**Glory to God in the highest**” (Luke 2), not you or your mind. 2. “**PURITY**,” not understanding or dialogue or “building bridges” (James 3:17). 3. “**RIGHTEOUSNESS**” (Heb. 7:2) *as defined in the Holy Bible* (Rom. 14:17, 5:1, 3:21–25).

Since none of those Bible things give any credit or glory to mankind or man (or any person alive on this earth), they constitute nothing but anti-social, anti-humanitarian “*HATE LITERATURE*”: the writings of a **NEGATIVE PESSIMIST**.

If you believe the Bible you must cancel both Encyclopedias, the Five-Foot “Harvard Shelf,” and then, along with them, the World Almanacs and all of the other information a giant computer can assemble in 230,000 years, working twenty-four hours a day.

Chapter 2

The Holy Scriptures'

Diagnosis of Man's Mind

So far, we have been observing the outpouring of “the mind of man” or the “minds” of men. They pour their minds out into writing or speech. Most of it is recorded in BOOKS, if we are to believe the authors of the books (see p. 15).

Strangely enough—although nothing about it would be strange to any man who knew the contents of the Bible—when all of these brilliant minds get to thinking and analyzing the opinions of other great men's minds, they all conveniently overlook a word that appears in *the Bible more than sixty times*.

Typical of this 5,000-year treatment of man's “nature” and man's “mind” are some excerpts from modern and ancient intellectuals who majored in writing about man's thoughts, ideas, values, ideals, imaginations, conjectures, theories, and conclusions on life, in general.

“The mind is the atmosphere of the soul” (*Jourbert*).

Sorry, ole' buddy. Missed it 2,000 miles; *the soul is a bodily shape inside a man* (see Rev. 6:9; 1 Thess. 5:23; Luke 16:23–24; Acts 2:27, 31; 2 Cor. 12:1–6; 1 Cor. 15:44; and Isa. 57:16).

Jourbert made a bad guess, but he worded it impressively so it would look “intellectual.”

“A noble mind is free to all men” (*Seneca*). Including morons, lunatics, and imbeciles, I suppose? *You did say “all,” didn't you?*

“*Minds* are like parachutes. The only time they function is when they are open” (*Lord Dewar*). Really? Wouldn't that allow someone to fill them full of garbage? Should a mind ever be “closed for repairs”? Hear about the thinker who got lost in thought because it turned out to be UNFAMILIAR territory?

“Small *minds* talk about people, average *minds* talk about things, and great *minds* talk about ideas” (*Raymond Barker, Science of Mind*).

Ideas that *don't work*? Ideas that have proved to be hallucinations fifty times a day? Ideas that justify *genocide*, Affirmative Action, social promotions, and the *Federal Reserve Bank*? “Ideas” that have been tried 3,000,000 times before and have proved they are unable to accomplish anything positive since they were applied? You would waste time talking about *them*, would you?

“Great minds have purposes; others [inferior minds] have WISHES.”

Like JFK's *dreams* and M. L. King's *dreams* and FDR's *dreams* and the *dreams* of the UN? “Sanity is the capacity to adjust oneself immediately to REALITY” (*Raymond Swing*).

Where would that put *Congress* in regards to the RESULTS (reality) of *integration* in the schools, *abandonment of prayer* and the Bible in the schools, the repeal of prohibition, Women's Lib, sex perverts marrying each other, foreign aid to countries voting *against* us in the UN, pushing gun control, two undeclared wars (Korea and Vietnam) produced by the CFR, the Trilateral Commission, the CIA, the Vatican and the news media?

Why, it would mark them as *insane*. Lester Roloff: "America is an insane asylum run by the inmates."

"We cannot *think* defeat and win victories. We must fill our *MINDS* with constructive [not "true"], hopeful [not "true"], optimistic [not "truthful"], harmonious [not "truthful"], confident [not "truthful"] THOUGHTS" (*André Maurois*).

"*Anything But The Truth*" (the name of a Hollywood movie back in the 1960s).

"The success or failure of every business enterprise is traceable to one source and one source *only*—namely, somebody's MIND."

Observe! In this cockeyed, crazy house "God" never has *anything* to do with anything. Every writer appeals to your MIND instead of God and every writer gave credit to *his own mind* or blamed someone else's mind for HISTORY. To put it as Isaac Watts did (a professing Christian): "The MIND is the standard of the man." *Not in any copy of any Bible printed since A.D. 90.*

"To live is to THINK." "I THINK, therefore I am" (*Publius Syrus* and *Descartes*). *Murphy's recension*: "I think I am thinking because I like to think I can think."

"Human thought is the process by which human ends are ultimately answered" (*Daniel Webster*). I.e., *God has nothing to do with your future or anyone else's future*; you think yourself into what ever takes place.

"Thinking is only a process of TALKING to oneself intelligently" (*Charles W. Ferguson*). What if your talk was only "**mischievous madness**" (Ecc. 10:13) or "**set on fire of hell**" (James 3:6)? You would call that "intelligent" talk, would you?

"It's all right for you to have a 'train of thought' as long as you also have a terminal." No evolutionist, agnostic, or atheist had a *terminal* or professed to know if any existed. If it is the grave, then ANY "train of thought" will get you there or no train at all: *you can walk*, or crawl if you like.

"Sow a thought reap an action; sow an action reap a habit; sow a habit reap a character; sow a character reap a destiny." I.e., your destiny is determined by your THOUGHTS: the ones you have in your MIND. Then what do you suppose is the *destiny* of ALL of these "think-tanks" if they make the *mistake* of thinking: 1. There is no God. 2. If there is, He wouldn't be involved in man's history. 3. If He was, He would not be a God of wrath (Deut. 31:17–18) or vengeance (Deut. 32:22–41). 4. Man came from animals so I can be amoral like an animal and nothing will go wrong. 5. Man is automatically evolving so *the future* will always be better than *the past*, etc.

What would be the "destiny" of these educated fools if the Book WERE *TRUE*?

They said that their DESTINIES would be determined by *their thoughts*. Jesus Christ

gave them two different ways of thinking that end in two different *destinies*. One of them is said to be a way that smart alecks with brilliant minds (1 Cor. 3:18–20) would think was right (1 Cor. 2:6–8), but it would end in dying TWICE (Rev. 20:14; Rom. 6:23; Eph. 2:1).

And horror of horrors look at this!

“For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe” (1 Cor. 1:21).

God uses man’s *wisdom* (which his mind thought up) to *destroy him*. Isn’t that a nasty turn of events for a lover of “wisdom”? Look at 1 Corinthians 1:19 and Luke 10:21.

“For it is written, I will destroy the wisdom of the wise, and will bring to nothing the understanding of the prudent” (1 Cor. 1:19).

“In that hour Jesus rejoiced in spirit, and said, I thank thee, O Father, Lord of heaven and earth, that thou hast hid these things from the wise and prudent, and hast revealed them unto babes: even so, Father; for so it seemed good in thy sight” (Luke 10:21).

“A man can think all he likes and not be afraid” (*Paul Scherer*)! Really! Wanna bet?

“Keep thy heart with all diligence; for out of it are the issues of life” (Prov. 4:23).

“Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world” (1 John 4:1).

“Therefore speak unto them, and say unto them, Thus saith the Lord GOD; Every man of the house of Israel that setteth up his idols in his heart, and putteth the stumblingblock of his iniquity before his face, and cometh to the prophet; I the LORD will answer him that cometh according to the multitude of his idols;

“For every one of the house of Israel, or of the stranger that sojourneth in Israel, which separateth himself from me, and setteth up his idols in his heart, and putteth the stumblingblock of his iniquity before his face, and cometh to a prophet to enquire of him concerning me; I the LORD will answer him by myself:

“And I will set my face against that man, and will make him a sign and a proverb, and I will cut him off from the midst of my people; and ye shall know that I am the LORD” (Ezek. 14:4, 7–8).

“And thou, Solomon my son, know thou the God of thy father, and serve him with a perfect heart and with a willing mind: for the LORD searcheth all hearts, and understandeth all the imaginations of the thoughts: if thou seek him, he will be found of thee; but if thou forsake him, he will cast thee off for ever” (1 Chron. 28:9).

“And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient” (Rom. 1:28).

Someone is overlooking something every time they think. *They do it every time*. All of the great thinkers are *pretending* that their Creator doesn’t know *what is going on in their minds*. Look at Ezekiel 38:10; Genesis 11:6; and Ezekiel 11:5. All three verses above are dismissed immediately by every “think tank” on earth as myths and legends, because they were recorded in a *History Book*! God is not allowed in *history books*, at least not where

anything takes place *in history*.

Whoever professes to believe in a God, or who even professes to believe in the God of the **“HOLY SCRIPTURES”** (Rom. 1:2) seems to run into insuperable problems with his thinking processes when he reads these verses:

“For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.

“Neither is there any creature that is not manifest in his sight: but all things are naked and opened unto the eyes of him with whom we have to do” (Heb. 4:12–13).

“And the Spirit of the LORD fell upon me, and said unto me, Speak; Thus saith the LORD; Thus have ye said, O house of Israel: for I know the things that come into your mind, every one of them” (Ezek. 11:5).

“As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world.

“The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity;

“And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth” (Matt. 13:40–42).

“For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God” (1 Cor. 1:18).

“Perverse disputings of men of corrupt minds, and destitute of the truth, supposing that gain is godliness: from such withdraw thyself” (1 Tim. 6:5).

“For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows” (1 Tim. 6:10).

“O Timothy, keep that which is committed to thy trust, avoiding profane and vain babblings, and oppositions of science falsely so called” (1 Tim. 6:20).

“Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ” (Col. 2:8).

“For there is not a word in my tongue, but, lo, O LORD, thou knowest it altogether.

“Thou hast beset me behind and before, and laid thine hand upon me.

“Such knowledge is too wonderful for me; it is high, I cannot attain unto it.

“Whither shall I go from thy spirit? or whither shall I flee from thy presence?

“If I ascend up into heaven, thou art there: if I make my bed in hell, behold, thou art there” (Psa. 139:4–8).

All of those verses were written more than *400 years* before the *Koran* was written and more than *1,300 years* before the printing press showed up. They are to be found, now, in more than *160 languages* which number more than *2,000,000,000* copies if you

count the RSVs, ASVs, NASVs, RVs, CEVs, NIVs, NWTs, NRSVs, etc.

The following “great minds” (see the list on p. 51) missed all *fifteen verses*, and they lived and died with no more knowledge of God’s dealing with *their own minds* than His dealings with the “heathen” who never had a Bible (see Job 12:7–23; Gen. 6, 9, 12, 14, 22, 28; and Exod. 5–15).

Now! How would *positive* or *negative* thinking going on in any man’s mind escape the knowledge of God? **“Thus saith the Lord...I know the things that come into your mind, every one of them!”** Do you believe that? Well, what do you suppose God Almighty would think about some idiot like Norman Vincent Peale or Robert Schuller giving you the big “you-can-make-the-grade,” “you-can-be-what-you-want-to-be” “speak-it-into-existence,” “God-helps-those-that-help-themselves” systems when every liar like them, including all of their followers and readers, winds up giving credit for his (or her) success TO THEIR OWN THINKING PROCESSES!?

Want something to investigate? Try *that one* for about 4,000 years. Do you know what God said about those kind of hypocrites? Well, here it is. **“And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient”** (Rom. 1:28). God was NOT “in all their thoughts” (Psa. 10:4).

Saved Christians—especially upper, middle-class Americans, who coveted success while “feathering their own nest”—have picked up the *thinking habits* and thinking processes of *unregenerate sinners*.

Paul said their **“God”** was not the God and Father of our Lord Jesus Christ at all (1 Cor. 8:5–6). Their **“God”** is their **“belly”** (Rom. 16:18; Phil. 3:19). Their goals (see p. 23) are 1. “How can I get healed?” 2. “How can I pay my bills?” 3. “How can I make more money?” 4. “How can I get publicity for doing something ‘big’?” 5. “How can I get along with my relatives?” 6. “How can I keep my family together?” 7. “How can I ‘cope with stress’?” etc. *Their THOUGHTS are about THEMSELVES.*

God, Jesus Christ, Heaven, Hell, the Bible, and soul winning are never a factor in one important “thought” they ever had. All their “possibilities” deal with *their own* honor, profit, welfare, pleasure, or comfort. They are *pagan idolators* in love with *themselves* (see 2 Tim. 3:1–2).

What you are seeing exactly in “Christianity Today” (1900–2000), in America, is 80 percent of all the American Christians concerned with nothing but *their own welfare* while the news media keeps them riveted on taking sides *against* the Bible on every major issue that is connected with education, society, science, politics, statesmanship, moral values, local government, civil rights, freedom of speech, freedom of association, international intrigues, and the FUTURE as defined in 2 Peter 2–3; Acts 15; 2 Timothy 2, 4; Ezekiel 38:39; Jeremiah 25; Isaiah 24; and Revelation 20–22.

Christians have been made **“merchandise of”** (2 Pet. 2:3) by libertines (2 Pet. 2:18–22) who used **“good words and fair speeches”** (Rom. 16:18) to destroy their minds.

The whole bill of goods is POSITIVE from start to finish.

It was the same bill that Satan sold to Eve (“**For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil**”—Gen. 3:5).

So back in 1964, in a religious “omnibus,” the word “**Satan**” cannot be found in 164 pages of discussion about God, religion, the Kingdom of God, Christ, Biblical prophecy, or “Christians,” written by Loren Eiseley, Will Herberg, Dietrich Bonhoeffer, William Saroyan, Erich Frank, Paul Tillich, Kim Malthe-Bruun, Richard Niebhur, Martin Buber, James Pike, Peter Berger, Reinhold Niebhur, John Wren-Lewis, and Karl Adam (*The Edge of Wisdom*, 1964).

How is that for a coverup? Those *Christians* all covered up for the Devil just like their “newer, clearer translations” do in Isaiah 14:12; Job 41; and Psalm 91:13.

Eve wanted to be wise (Gen. 3:6), so she got her wisdom (1 Cor. 1, 2), and that is what damned the human race (1 Cor. 1:19, 21).

The whole thing from the word “go” was exalting wisdom, the MIND, and positive thinking. Only one Book can give you the genuine, *scientific*, historical account of what caused **ALL DEATH AND ALL WARS TO FOLLOW IN HISTORY FOR SIX MILLENNIA**.

“Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned:

“(For until the law sin was in the world: but sin is not imputed when there is no law.

“Nevertheless death reigned from Adam to Moses, even over them that had not sinned after the similitude of Adam’s transgression, who is the figure of him that was to come.

“But not as the offence, so also is the free gift. For if through the offence of one many be dead, much more the grace of God, and the gift by grace, which is by one man, Jesus Christ, hath abounded unto many.

“And not as it was by one that sinned, so is the gift: for the judgment was by one to condemnation, but the free gift is of many offences unto justification.

“For if by one man’s offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ.)” (Rom. 5:12–17).

Subsequently only one Book can tell you what is going to happen historically in history regarding death as it was dealt with in history by Jesus Christ.

“That as sin hath reigned unto death, even so might grace reign through righteousness unto eternal life by Jesus Christ our Lord” (Rom. 5:21).

“For since by man came death, by man came also the resurrection of the dead.

“For as in Adam all die, even so in Christ shall all be made alive.

“But every man in his own order: Christ the firstfruits; afterward they that are

Christ's at his coming.

“Then cometh the end, when he shall have delivered up the kingdom to God, even the Father; when he shall have put down all rule and all authority and power.

“For he must reign, till he hath put all enemies under his feet.

“The last enemy that shall be destroyed is death.

For he hath put all things under his feet. But when he saith all things are put under him, it is manifest that he is excepted, which did put all things under him.

“And when all things shall be subdued unto him, then shall the Son also himself be subject unto him that put all things under him, that God may be all in all” (1 Cor. 15:21–28).

Till those events take place, death will keep killing mankind physically. Killing is part of man's nature.

“From whence come wars and fightings among you? come they not hence, even of your lusts that war in your members?

“Ye lust, and have not: ye kill, and desire to have, and cannot obtain: ye fight and war, yet ye have not, because ye ask not.

“Ye ask, and receive not, because ye ask amiss, that ye may consume it upon your lusts.

“Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is the enemy of God” (James 4:1–4).

By 1900, Satan had succeeded in convincing the Body of Christ that Genesis 3 was not a literal account, so it had no connection, whatsoever, with the *subject matter* of man's thinking. This included regenerated children of God who had **“the mind of Christ”** (1 Cor. 2:16) available to them and were told to let THAT mind “dwell” in them (Phil. 2:5).

The *basis* of all modern “possibility thinking” (2004) is Genesis 3:4; from there on the Bible texts contradict the entire international bookshelf of books about man's mind, man's thoughts, man's goals, man's motives, man's ideas, and man's religions.

It means the *entire works* of over 50,000 authors who deal with those points are, in reality, NULL and VOID. That would include the writings of Zeno, Cicero, Philo, Origen, Celsus, Porphyry, Huxley, Haeckel, Giovanni, Gentile, Henry James, Bertrand Russell, Pestalozzi, Renan, Nietzsche, Philip Schaff, Freud, Marx, Planck, Lloyd Douglas, Dean Luther Weigle, Earl Stanley Jones, Jung, Pavlov, Viktor Frankl, Strauss, Darwin, Descarte, Kant, Fichte, Semler, Tom Paine, James Jones, Kafka, John Mill, Spencer, William James, Eugene O'Neil, Bernard Shaw, H. G. Wells, or Winston Churchill.

The One who created a man's body, soul, and spirit is a MIND READER (Ezek. 11:5; Psa. 139:2; Heb. 4:12–13), and that One wrote a Book for the purpose of CRITIQUING what you *think*, twenty-four hours a day (Heb. 4:12). The word there for **“discerner,”** in Greek (if you are hung up on that “kick”) is . The Book is *your* critic. The term “higher criticism” was invented to make you think that some nitwit Greek or Hebrew

scholar was a more *discerning* (look at the verse!) *critic* than the highest critic in the universe (Isa. 55:8–9).

Blew it again. There are “those” that be “**higher**” than “**they**” (Eccl. 5:8). Having exalted His word (small “w”—referring to “**words**,” as in John 8:47) *above* the only name given to men for salvation (Acts 4:12)—God uses it (Psa. 138:2) to judge the quality (1 Cor. 3:13) *of the THOUGHTS that authors put on paper*.

“Positive thinking” and “possibility thinking” are as old as sin and death (Gen. 3). They produce sin and death in more abundance and quicker than any “life style” known to man (Gen. 3). Take a positive view of *drugs and liquor* and see if I told you the truth. Take a positive view of sex *perversion* and women giving *men* orders (Isa. 3:4, 12; 1 Tim. 2:11–14; 1 Cor. 11:8–10) and see what happens. Take a positive view of Catholic politics or the *Koran* and “watch the birdie”! Take the positive view of “diversified, multi-cultured, ‘enriched’ curriculums” and watch what happens to your youth. Take a positive view of God (1 John 3:8) without a *negative view* (Heb. 10:30, 12:29; Ezek. 5:14–15; Matt. 23) and see where you wind up (Matt. 25:41; Rev. 20:11–15). I don’t have to GUESS: you do!

The quickest way you can get home to Hell is to treat everything *positively*—man, mankind, man’s thoughts and goals, man’s history, and man’s “nobility”—that the Book treats *negatively* (see Gal. 1:4; 1 John 2:15–17; Luke 16:15), and then treat everything *negatively* that God treats *positively* (look at Rev. 2:9): Christ’s *supremacy* over Mohammed, Buddha, and “Allah,” Jesus Christ’s *destruction* of the UN (Zeph. 3:8; Isa. 63:1–6; Joel 3; Rev. 19), and His 1,000-year-reign over 188 *united nations* (Psa. 2, 110; Ezek. 40–48; Rev. 19:15) with a “**ROD OF IRON.**”

To think like *that*, as a humanistic expert, you will need a college education.

That is the content of a modern “arts” college course: accept all college degeneration *backwards*, into the jungle, as *forward movements* into tolerance, broad-mindedness, more knowledge, better understanding, and “wiser insights.” Then you reverse “field” and condemn all efforts of anyone to JUDGE such degeneration in the light of 2 Corinthians 6:14–17; Galatians 5:19–21; Romans 3:9–19; Leviticus 20:10–16; the Ten Commandments; and 1 John 5:17 as dogmatic, bigoted, fanatical, puritanical, “Mid-Victorian extremism.”

That is American higher education in the twentieth and twenty-first centuries.

The problem is always the BOOK, because the only real argument against it is a *bad life*; at least that has been the case *ever since it was written*. Men are against the Book—any man you find listed in this book by name—*because it is against them*. It knows all about them (Heb. 4:12; Ezek. 11:5) and TELLS it. That ONE BOOK tells most of it in its third chapter for that deals with *why* all men think the way they think, and *where* all men got their thoughts from. They want to be as “**gods**” so they imitate and counterfeit God. They want to be “**wise**” so they use wisdom to eliminate God (1 Cor. 1:21).

They are POSITIVE when *questioning what God says* and while doing it are just as pious as their “father” (Gen. 3:1). “We just want to bring out the *intent* of the original author.” “We want the text *clearer* to help the man in the street.” “We want a Bible that will not *offend* blacks, women, and queers.” “We are trying to find the original

manuscripts.” “We want the most *accurate* translation possible.” “Why should the word of God be obscured by *archaic language*?” “We have had a remarkable response (\$\$\$) to the latest translation.” “Billy Graham recommends the *Living Bible*; so does Jerry Falwell.”

And with that “party line” up pop 220 counterfeit English Bibles between 1880 and 2005, all claiming that the English language became “archaic” *once every six months*. And wonder of wonders, when you read ANY of the Christian leaders’ commendations of these pitiful caricatures of the BOOK—be it one page or 500 pages long—*he never mentions the ORIGINAL “scholar”* (Gen. 3:1) one time! The “serpent’s” tracks are completely covered. All is reduced to discussions of relative truths, relative opinions, and relative decisions, without the slightest hint that the problem from the start was TRUTH (Gen. 2:17) vs. ERROR (Gen. 3:4).

If you want total disaster, think *positively*. Always think *positively* about “man,” society, your own nation, your own family, federal education, science, the UN, unity, religious unity, and especially YOURSELF.

I will give you, very briefly, *twenty-five examples* of what I am talking about.

These are the extra-Biblical, *historical events* that prove “positive thinking” is deadlier than *cancer* or *ebola*.

1. The builders and crew of the Titanic: Everyone was an ultra “possibility,” powerful, *positive thinker* with the maximum self-confidence, cheerfulness, and *optimism* required by all modern “Christian” preachers. The ship wound up on the bottom of the Atlantic, survived by two lists posted in America which said “SAVED” and “LOST.”

The “negative” didn’t show up till 1,513 drowned.

Nice work, stupid. *Believe in yourself* and join the crew—in Davey Jones’ “Locker.”

2. The President of the United States at Gettysburg (1863): Nice speech. *Not a word of truth in it from start to finish*. “The noble dead” died to insure that a nonexistent government that *never showed up* will “not perish from this earth.” It perished *before it started* anywhere on five continents in six millennia. But boy, what a blessed thought! People running their own government! WOW! Actually getting to vote on incomes taxes, race-mixing in the schools, declaring war on Korea and Vietnam, impeaching Clinton, backing up the Bay of Pigs, voting on attacking Serbia, Haiti, Kuwait, and Baghdad, giving the national parks away to the UN, bringing the UN into New York, giving billions of dollars to Red China and Russia, etc.!

Boy, what a speech! Make the kiddies in school memorize it! *Think positively!* Life can be beautiful! WOW! Like wow, man!

Nothing is so productive as POSITIVE THINKING, is there? You can’t beat it.

3. Prohibition? *Negative*. The idea of telling anybody “Thou shalt *not* drink intoxicating liquor”! Why that is almost as bad as “Thou shalt *not* steal,” or “Thou shalt *not* bear false witness”! “What are you trying to do? Take away our “RIGHTS” (Rev. 3:14)? “Is that government FOR the people?” “How dare you say ‘Thou shalt *not* get drunk!’” Quit “oppressing minorities” by “joining Church and State!”

Repeal Prohibition? Why? “That’s a stupid question. It is for the same reason we positive thinkers think anything: it is ‘*to make the world a better world in which to live,*’ naturally!”

You got it. *You’re living in it.* There is *ten times* as much federal money spent in any *one year* (1960–1990) on alcoholics (liquor related accidents, family brawls, barroom brawls, liquor related serial killings, normal murders, child abuse, child neglect, and chronic alcoholism) *than was spent fighting crime in the Prohibition era through TEN YEARS.*

Ah, the power of *positive thinking!*

All of the humanists simply threw out the negative statements their Creator gave them so God would not “mess up” their positive thinking: *they didn’t want Him in their MINDS* (see Rom. 1:28).

“Wine is a mocker, strong drink is raging: and whosoever is deceived thereby is not wise” (Prov. 20:1).

“Look not thou upon the wine when it is red, when it giveth his colour in the cup, when it moveth itself aright”

“At the last it biteth like a serpent, and stingeth like an adder” (Prov. 23:31–32).

“Woe unto them that rise up early in the morning, that they may follow strong drink; that continue until night, till wine inflame them” (Isa. 5:11).

“Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

“Woe unto them that are wise in their own eyes, and prudent in their own sight” (Isa. 5:20–21).

“Woe unto him that giveth his neighbour drink, that putteth thy bottle to him, and makest him drunken also, that thou mayest look on their nakedness” (Hab. 2:15).

“Accentuate the POSITIVE, eliminate the NEGATIVE. Don’t mess wid Mistah Inbetween” (Johnny Mercer, songwriter; 1940s).

All right, let us apply this “sound wisdom.”

“An ounce of *CURE* (positive) is ten times better than three tons of *PREVENTION*” (negative). That is the “Revised Version” in the “updated,” clearer language of “modern man,” according to ALL positive thinkers.

4. If we can just “modernize” and “update” this archaic Elizabethan Bible think of the souls that will be saved! Think of how many more young people will begin to read the Bible. Think of the great REVIVAL which will follow this dissemination of the truth after it has been “obscured” for nearly 380 years by Billy Sunday, J. Frank Norris, Charles G. Finney, Gypsy Smith, R. A. Torrey, Charles Spurgeon, Peter Cartwright, John Knox, George Whitefield, John Wesley, Gen. William Booth, Dr. M. R. DeHaan, and Bob Jones Sr.!! “*Oh, send a great revival to my soul!*”

Out came 220 corrupt mistranslations of the English Bible. They helped produce the

twentieth and twenty-first centuries which demonstrate, openly, daily, publicly, privately, and internationally, *the greatest age of Bible ignorance, immorality, armed violence, and Biblical illiteracy since the Dark Ages (A.D. 500–A.D. 1500).*

One reading of *Israel: A Deadly Piece of Dirt* or *The Christian Liars' Library* or *The Bible: A Deadly Book* (Bible Baptist Bookstore, 2001, 1997, 2003) will show you that the *international* blanket of spiritual darkness that covered the League of Nations and the United Nations—and all people in them—was the FRUIT of 220 books which were sold for the sole purpose of getting rid of *one English Book* written in the “King’s English” for the **“last days”** (Dan. 12:4, 9; 2 Tim. 3:1, 4:3–4; 2 Thess. 2:3–12; Heb. 12:25–27; Matt. 24:13) in the universal language of the **“end time.”**

For 1,000 pages of documented evidence to prove this, IN COURT, “beyond a reasonable shadow of a doubt,” see *The Last Grenade, The Mythological Septuagint, How to Teach the “Original” Greek, The Unknown Bible, Ruckman’s Bible References,* and *“The “Errors” in the King James Bible* (Bible Baptist Bookstore, 1990, 1996, 1992, 1984, 1997, 1980).

5. The “positive approach”: Bob Jones III, James White, Robert Sumner, Doug Kutilek, Hog Dog Hymers, Willmington, Kroll, Falwell, Swindoll, Hodges, MacArthur, Westcott, Hort, Nestle, Robertson, and the committees that produced the *RV, RSV, NRSV, ASV, NASV, NKJV, NIV, CEV, NWT,* etc. all assumed—*without any Scriptural ground for doing so and plenty of Scriptural grounds for not doing so!*—that SATAN (back to Gen. 3 again!) has never been even slightly concerned with anything that God ever SAID or that He *wrote down* (2 Tim. 3:16). That would be too much “negativism” for modern “enlightened” Christians.

Result: a second Dark Age, and a bigger and better one coming (2004–2010).

6. Well! I see Netanyahu shaking hands with Yassar Arafat (Dec. 1998). I see Colin Powell shaking hands with Peres. Tremendous! I am seeing the “peace process” (Camp David, Wye, Oslo, etc.) at work! **“Blessed are the peacemakers”?** Amen? Com’on you positive thinkers! get back there in the Sermon on the Mount with them there **“blessed”** folks (Matt. 5:9). See! Is Bush shaking hands with Ariel Sharon? Peace is on the way? You want to believe it, don’t you (look at pp. 2, 8, 18)? Well, like M. L. King Jr., make your “dream” come true! It can! *Just BELIEVE IN IT!*

Problem: You’re dealing with *evolutionary monkey men* who have thrown out the Book. *Each one is his own authority.* He is his own “god” (ditto all of the Bible revisers since 1881). “All truth is relative.” The thing that matters is (to quote Robert Ringer, 1977) *“Looking out for no. 1.”* It was a “best seller” for over a year. Ringer’s other book (just as positive as anyone could get) was called *Winning Through Intimidation* (Ballantine Books).

7. Ringer recommends that you practise what Arafat and the PLO have practiced in the UN on Israel since 1964, *in order to eventually kill every Jew in Palestine.* It is exactly what Hitler practiced in the League of Nations (1921–1930) *in order to kill every Jew in Europe.* Nothing succeeded like POSITIVE THINKING—i.e., “intimidation.”

8. Camp David, Wye, and Oslo were followed by more than 400 murders of men,

women, and children, and the further loss of more than 10,000 acres of Promised Land to Mohammed and Islamic terrorists.

That is the FRUIT of “positive thinking.” It is more deadly than Hepatitis “C” or Lou Gehrig’s disease.

“By their fruits ye shall know them” (Matt. 7:16, 20).

9. But undoubtedly the greatest positive thinkers Europe ever produced were the blind fools who adopted the two pagan fairy tales we mention on page 2: *Spontaneous Generation and Perpetual Motion*. With the *negative* laws of thermodynamics in front of them (which could be *demonstrated* scientifically), with the *negative* laws of biogenesis before them (which could be *demonstrated* scientifically), with Mendel’s *negative* laws (which could be *demonstrated* scientifically), and with the mathematical laws of statistical probability (which could be *demonstrated* scientifically), a dozen blind, superstitious, egotistical screwballs (Julian Huxley, Charles Lyell, William Paley, “Strata” Smith, Lamarck, Herbert Spencer, Robert Chambers, Thomas Huxley, Ernst Haeckel, Charles Darwin, and H. G. Wells, et al.) took the POSITIVE viewpoint.

They decided that Genesis 1–3 had to be a lie; it was too NEGATIVE. The *pagan daydreams* of Aristotle, Empedocles, Anaximander, Anaximenes, Augustine, Pythagoras, Thales, and Epicurus were more “scientific” than Moses, so “man” should take the bright, *positive*, progressive, libertine, “scientific” view that assumed it was SANE for a sucker to take chances on an *unproved theory* that involved *one chance out of 10 with 13,000 zeroes after it*: $1 \times 10^{13,000}$.

Along with this total and complete rejection of common sense, intellectual honesty, and *mental health* came the teaching that there were more than 500,000,000,000,000,000 people on this earth before Moses was born. The silly asses had allowed for man to be multiplying and reproducing for more than 500,000 years at a rate of only *two children per family*.

10. Harold Leaky, in the 1990s, upped this fantastic, nonscientific fiction to be more than 500,000,000,000,000,000,000 monkey men before Moses was born; for he got man “on the scene” more than 1,000,000 years before Jesus Christ showed up.

Of course the whole system and everything connected with it (see *The Evolution Cruncher*, Vance Ferrell, 2001) was just as silly and as fantastic as Dumbo the flying elephant. But it viewed sinners in a *POSITIVE* light instead of a *NEGATIVE* light. In the insane asylums, Universities, Colleges, Seminaries, and laboratories, “man” began at the bottom, and (with a dead lift every 50,000 years) he lifted himself up by his own bootstraps, without GOD or the BIBLE, and became a “god” by *self effort*. In the Book, “man” began as a king of creation and nature (Gen. 1–2) and fell into a slime pit in a blackboard jungle, and wound up as a PERVERTED (Rom. 1:27) MONKEY MAN (Rom. 1:22–23).

“Accentuate the *positive*, eliminate the *negative*.”

11. Does anyone who studied European and American history since Darwin (1900–2000) have to be told what the FRUITS of this pagan, B.C. fairytale were? Does anyone

who witnessed the American school system after 1901 have to be told what its “fruits” were?

Ten generations of American children have been taught that they were *amoral animals* who came from the African jungle, raised to practice the “survival of the fittest,” and not one of them would ever be judged by *any God* for any action they took or didn’t take. It was positive thinking that produced the crime rate in America. Paul Castellone, John Gotti, Paul Gambino, Al Capone, Tony Arcardo, Joe Bonnano, Jack Legs Diamond, Bugsy Siegel, Escobar, DeReina, Vito Genovese, Meyer Lansky, “Kid Twist” Reles, Buscetta, Luchese, John Dillinger, Bonnie and Clyde, “Machine Gun” Kelly, Alvin Karpis, and Homer Van Meter were some of the greatest “POSSIBILITY THINKERS’ who ever lived. They thought they could do (and get away with) *anything* without paying a price. They were accountable to no one.

12. It was Darwin’s positive thinking with Marx’s positive thinking that set up Nazi Germany, Fascist Italy, Communist China, and America’s Socialistic Welfare State (singular) that used to be called “The United States (plural) of America. The radical socialist (FDR) was a powerful positive thinker all of his life: look how he succeeded! In WHAT? (Don’t ask that question. *He violated the Constitution* (1933–1939) so he could entangle us, for sixty years, in everybody’s business (Germany, Russia, France, Italy, Spain, Turkey, China, Vietnam, Israel, Arabia, Mexico, Russia, Central America, Japan, and Africa) but our own.

Evolution is the greatest positive product of positive-thinking minds ever produced by poor, godless, hell-bound, depraved, unregenerate, non-intellectual, *nonscientific* lame brains who were ever raised on a “funny farm.”

No sin or sins. No judgment or accountability to God. No Creator to bother your THOUGHTS in your MIND (Heb. 4:12–13). No Hell. No bottomless pit. No judgment on ungodly nations. No punishment for sins from a living God. And no “**peace on earth**” or Kingdom of God on earth except by man’s own efforts (without any God or the Bible). That is, “MAN” is *totally capable and self-sufficient WITHIN HIMSELF to accomplish any and all goals he sets for HIMSELF.*

That is the *essence*, the quintessence, the absolute *apotheosis* of “POSITIVE THINKING.”

It is the source of individual and national damnation in both Testaments of the “**HOLY SCRIPTURES**” (Isa. 22:12–14; Luke 17:26–30; Deut. 29:22–29, 32:19–28; Jer. 5:11–17, 6:11–19, 8:5–15, 9:4–16, 13:10–14, 14:14–19; Ezek. 6:7–14, 7:7–19, 12:19–28, 13:6–16; Micah 3:1–7).

13. Thus we learn that RELIGION is the ripest field on the destructive pathway of *positive thinking*. In all religions, “salvation” is “Do this and do that and don’t do this and don’t do that.” That is the root foundation, the basic structure, the ground work of Judaism, Protestantism, Catholicism, Hinduism, Taoism, Islam, Greek Orthodoxy, Humanism, Satanism, Zoroastrianism, Banai Brith, Deism, and Theism. They are “do-do-do good-doers.”

14. In New Testament salvation, no “religion” appears anywhere in connection with

getting to Heaven or Paradise (or Valhalla, or the Happy Hunting Ground or Prajna, samadhi, nirvana, etc.). New Testament salvation is “DONE.” No one can *add* anything to it (John 19:30). What needs to be done *has been done*; and it has been done ONE time, finally, perfectly, and *forever* (Heb. 10:8–12). *YOU didn’t do it, and neither did your mother or father, your priest or your Pope, your Bishop or your Archbishop, your Pastor or your guru, your mentor or your role model, your prophet or your example, your church or your sacrament, your creed or your CONDUCT.*

New Testament salvation is 100 percent *negative* where it deals with anyone’s “religion” as a means of justifying *themselves* before God (Rom. 4:5, 5:8–9). **“The gospel of the grace of God”** (Acts 20), itself, is 75 percent *negative* (see pp. 2, 3, 28, 52). This explains why positive thinkers always pick out those places in the New Testament that deal with WORKS instead of the grace of God (i.e., the Sermon on the Mount given to Jews under the Law; Acts 2:38, given to Jews before any of the New Testament was written); the books of Hebrews and James, which were written to HEBREWS and **“the twelve tribes”** (James 1:1) of Jacob (Israel).

You see, any positive thinker can *use* the Scriptures and *quote* the Scriptures to damn both him and YOU. First Corinthians 13 and Psalm 23 and the “Lord’s” prayer (Matt. 6) are excellent foundations for landing any Gentile sinner flat on his back in the Lake of Fire: *your soul’s salvation is not to be found anywhere in all three passages.*

All *positive thinking* ends in a DISASTER, if it is thinking positively about anything *the Bible* declares is *negative*, and vice versus.

15. Want seven more documented cases? I will be glad to oblige: *Mary’s Heights* (Civil War, 1862), five frontal assaults by the Yankees (up hill). “We can do it!” “Hurrah for the Union! Follow the flag, boys!” “Mine eyes have seen the glory ...!” “I’ve Gen. Lee right now where I want him and not even God [*careful stupid!*] could deliver him out of my hand!” “Glory, alleluia! His truth is marching on!”

Gen. Lee *was* delivered; the attacking Union troops suffered 12,700 casualties. They did not take Mary’s Heights (Fredericksburg), and weeks later they lost their shirt again at Chancellorsville (17,278 casualties). But boy! you talk about *confidence*! “We can do it!” “Believe in it, and you can bring it to pass!” “How to get rich by thinking!” “How I made \$5,000,000 by changing my attitude about MYSELF!” “How to live with *yourself*!” “Learning to *accept* yourself!” “Find the god that is *within* you!”

16. Then get your butt shot off again at Stalingrad, Waterloo, Galiopoli, the Somme, Verdun, Iwo Jima, El Alamein, Normandy Beach, the Huertgen Forest, Saigon, etc. (see *Ruckman’s Battlefield Notes*, Bible Baptist Bookstore, 2003) by obeying some positive thinking, morale-building, brave, pioneering, adventuresome, forward moving, “epic making,” new, “innovating” JACKASS who refused to deal with REALITY (see *Art and Artists*, Bible Baptist Bookstore, 1993).

17. Do you know the attitude of 90 percent of the Frenchmen, Englishmen, Russians, and Germans in 1914 when World War I broke out? I do. I can read third-grade English. Did you hear those blind, stupid, deceived Americans singing “We won’t be back till its OVER, over there” and then going back over in *less* than thirty years? (*And “it” is not*

over “over there” [2003] yet!). Every European newspaper in Europe and 90 percent of all its military and political leaders in 1914 thought that the war could not possibly last longer than a few *weeks* (power of positive thinking!). It went four years and *set up World War II*: there went 22,000,000 combat casualties.

“By their fruits ye shall know them” (Matt. 7: 20).

Positive thinking is more deadly than the bubonic plague or influenza.

18. Now here, in the UN, are 800,000,000 followers of one of the greatest positive thinkers who ever lived, and he was a *deist* (like all DEVILS: James 2:19) who believed in “God.” His “god” was a moon god selected out of 360 Bedouin gods in a black box in Mecca.

This fornicating killer was so “positive” that he believed a camel jockey’s moon god summoned a 600-winged angel to recite a book to him that he never saw *before* he heard about it (and never read *after* the angel gave it to him). In a period of less than thirty years this make-believe spook recited a nonexistent book which was allegedly superior to both the Old and New Testaments (*Koran*: Sura 7:143, n. 1216; Sura 3:22, n. 404).

What he dictated (*while in collusion with himself!*) gave himself the right to marry fourteen women at the same time, shack up with a nine to twelve year old girl after he was fifty, and then shack up with his own daughter-in-law, after declaring that if anyone on earth (including all Jews, Arabs, Christians, atheists, Buddhists, humanitarians, Catholics, and agnostics) disobeyed HIM, they were disobeying *Allah* the moon-god *and should be killed* (Suras 40:55, n. 2174; 33:21, n. 1997; 4:80, n. 2194).

How is that for belief in *yourself*? Boy, you talk about taking *pride in yourself*! Man, oh man, look at that one! Why that ole’ fornicating polygamist was so *positive* that he was infallible (after conversing with a 600-winged angel!) that he believed that some day every nation in the UN (2000) would worship his moon god! (See *The Bible: A Deadly Book*, Bible Baptist Bookstore, 2003, and *The Holy Scriptures vs. The Holy Koran*, Bible Baptist Bookstore, 2001.)

He said, speaking to himself about himself, “*If you disobey ME, you disobey Allah*” (Sura 40:55; 4:80, n. 2194).

“The greatest *optimists* in the world are to be found in a lunatic asylum” (see pp. 54, 59–60).

19. Here’s another one. He is a carbon copy of Mohammed. This egotistical madman gave himself the title Jesus gave to God Almighty (John 17:11). He then crowned himself with a *crown*, sat down on a *throne*, and declared the he was the SUPREME RELIGIOUS AUTHORITY FOR EVERY CITIZEN IN EUROPE (see *The History of the New Testament Church*, Vol. I, 1982). He himself was in charge of all SECULAR *political governments*.

This deluded egomaniac (*and all of his buddies who held the same office since A.D. 500*) actually called the God of Abraham, Isaac, and Jacob a sinner: John Paul II stated (2003) that it was IMMORAL and ILLEGAL for *the God of the Bible to make Jerusalem the capital of a Jewish STATE. That is exactly what God did and (while doing it) swore, by*

Himself, that it would be a permanent arrangement AFTER the twentieth century (Isa. 60:1–2, 11, 40:21, 41:4, 26, 43:9, 12, 19, 44:7–8; Jer. 32:37–43, 3:17, 33:16–26; Psa. 2).

Positive thinker!? You better believe it! All Popes are positive thinkers. Success? *You'd better believe it!* That is the “power of positive thinking!” It is never associated with the power of the word of God or the power of the Holy Spirit or the power of God Himself to control a man’s thinking (Job 33:14–16). In the Pope’s case it produced two World Wars, the displacement of more than 4,000,000 people, the genocide of 6,000,000 Jews, and the slaughter (by torture, strangling, beheading, and burning) of more than 5,000,000 professing Christians who were “anti-Catholic” (see *The History of the New Testament Church*, Vol. I, 1982).

Abe Lincoln was a positive thinker.

You say, “Well, the Civil War freed the slaves.”

You freed the slaves, did you? Where? In *Russia? Germany*—eighty years later!—between 1939 and 1945? Are they all free now in *Zambia, Indonesia, Pakistan, Bangladesh, and America*? I can show you where 800,000 “slaves” are in America, and all of them are BLACKS. *None of them* get to fish or hunt one day in a year, none of them can go for a walk in the country, and *none* get to live with families one day in a year. Atta boy, Honest Abe! Give the suckers the shaft! *The “freed slaves” are in PRISONS—in cells.*

“For they that are such serve not our Lord Jesus Christ, but their own belly; and by good words and fair speeches deceive the hearts of the simple” (Rom. 16:18).

If any apostle corrects you (1 Tim. 6:1–2; Eph. 6:5–8; Col. 3:22–25) accuse him of hate literature, as “hate literature” it has to be; after all, it is the **“HOLY SCRIPTURES.”**

“As also in all his epistles, speaking in them of these things; in which are some things hard to be understood, which they that are unlearned and unstable wrest, as they do also the other scriptures, unto their own destruction” (2 Pet. 3:16).

“(Which he had promised afore by his prophets in the holy scriptures,)” (Rom. 1:2).

20. Adolph Hitler and “*Barbarosa*.” If any ultra-positive-thinking fanatic could ever get you to have faith in *yourself* and *your powers* of “bringing things to pass” (see Schuller, Peale, Cronin, Stanley Jones, Buttrick, Thomas Edison, Fosdick, Weigle, Pike, Sockman, Andrew Carnegie, Henry Ford, Thoreau, Emerson, Cornelius Vanderbilt, Dickens, Benny Hinn, J. D. Rockefeller, Robert Tilton, Copeland, Gorman, Kuhlman, Oral Roberts, et al.), it would be an Austrian Catholic, *Adolph Hitler*. He could whip *England* and *France* with one hand, *Poland* and *Russia* with the other; kick *Belgium, Denmark, and Holland* out the window with one boot and then kick *Greece, Yugoslavia, and North Africa* out the door with the other boot.

He lost all ten, plus Romania, Bulgaria, Lithuania, Switzerland, Spain, Italy, Albania, Egypt, Scotland, Ireland, and the Ukraine.

But “positive thinking”? *Man, you talk about positive thinking!* Successful businessmen in America who used positive thinking to amass their “pile” couldn’t

“unloose the latchet of Hitler’s boots” (see Luke 3:16).

21. Here’s a winner! You “dream” that Shem, Ham, and Japheth will all get into bed with each other so the children all come out the same color and that will solve the problem of the “*Brotherhood of Man!*” That was the “dream” a fornicating Communist had whose own “values” and “sexual orientation” and “life style” would put Don Juan and Lord Byron out of business. He was so *filthy* and *ungodly*, his own supporters couldn’t examine his *biography* for more than forty years *after his death: it is still hidden*.

Michael King’s positive thinking destroyed the sanity of the NEA, the order and discipline in every classroom in the United States from Primary School to Junior College, caused more than \$4,000,000,000 worth of damage in vandalism, burned buildings, mass migration of whites out of downtown areas, law suits and “security measures,” more than 500 people killed in mob riots and demonstrations, and *then made America the laughing stock of Asiatics when it came to education*.

He got his brains blown out while shacking up with a dozen single and married women, and (according to one constant companion) males.

22. Here is “Colonel House” and Woodrow Wilson (1856–1924) setting up an international alien banking system for you in 1913 just before pushing you into world war via the Lusitania.

The Federal Reserve Bank (Alan Greenspan) is an international *private* bank engaged in printing *counterfeit money* which it has printed since 1914. The dollar it prints for you (not a “Silver Certificate” but a Federal Reserve “Note”) is now worth *seven cents* in copper, gold, or silver.

This foreign bank was set up to save America from depressions, debt, and bankruptcy. *What happened?* The country went bankrupt in less than twenty years and gave you WHISKEY, WINE, and BEER as a *substitute* for GOLD (FDR, 1933).

In 1960 the same bunch of counterfeiters gave you a substitute of copper for SILVER (JFK and Co.). Every motive behind every move was a positive, humanistic, pious effort to help you “live a better life” and complete “the American DREAM” without “fear of want, poverty, bad health, and war.” It bombed out like the repeal of prohibition. The Federal Reserve Bank guaranteed involvement with foreign nations, loss of national sovereignty, indebtedness to professional criminals (counterfeiters), regular occurrences of recessions and depressions, and American families (including your wife, mother, and daughters) finally had to get jobs to pay your bills.

Thus it contributed to 50 percent of the *causes* for the destruction of the American family; Hollywood and the news media provided the other 50 percent.

However prophesied, “positive results” from the Federal Reserve System or the Central Intelligence Agency or the Environmental Protection Agency (or OSHA or the CFR or the NEA) turn out to be 90 percent *NEGATIVE* every time the bureaucratic “thinkers” make a decision.

After throwing thousands of lumbermen out of jobs, plus fishermen and hunters—in their zeal to protect the White Owl and the Red Pussy Cat and the Purple Cockroach and

Little Orphan Annie—the Lord—oh, my God, where has *He* been in the last seven pages! —stepped in and made them hire “fire jumpers” (at \$50.00 an hour) to try to put out a blazing 800,000 acres of timber in Montana, Washington, Idaho, etc., that filled the Missoula-Kalispell valley with so much “air pollution,” no inhabitant could see the sun for four and five days in a row. I was there when it happened, so I know.

Another 3,000,000 acres burned up in Colorado, Arizona, and California three years later.

But “God” is incapable of doing such a thing? Right? Why, He wouldn’t *think* of drowning 1,513 who sailed on the Titanic. Of course not! Why, God wouldn’t let those high school kids shoot each other just because their teachers (the NEA plus the U.S. “Justices”) kicked His Ten Commandments, *which He wrote* (Deut. 9:10, 10:2), out of the schools! Why, of course not! *That is NEGATIVE thinking*. That would give the kiddies a NEGATIVE picture of God! Right? Why, of course, you think-skinned, arrogant, conceited, self-righteous, blind, moronic, Bible-rejecting CLOWN! Stick with the clowns (see p. 67–69). “Look on the BRIGHT side!” Maybe the teenaged murderers would lead to *gun control* in California. Then your own government could kill 58,000,000 students (male or female) of any age, *like they did in China, Cambodia, Thailand, Guatemala, Russia, Germany, Turkey, Uganda, etc., etc.*

23. What were the *fruits* of Karl Marx’s “possibility thinking”? *Four military dictatorships*: Russia (under Lenin and Stalin), China (under Mao Tse and his “committees”), Cuba (Fidel Castro and the Catholic Church), and South Africa (completely *bankrupted in less than twenty years after being the healthiest, most productive nation on the continent*).

Knowing that “birds of a feather flock together” (“**after his kind**” according to Gen. 1:21), Marx recognized another fellow cowbird when he saw one; that is why he wanted to dedicate *Das Kapital* to the King of Dunces: Charles Darwin. Two nuts in the same shell.

You talk about “positive”! Why that apostate Jew (Marx) was so *positive* that he actually believed (and bet his life on) three of the dumbest propositions any moron ever drummed up in a padded cell.

a. All the trouble in the world was due to *unequal distribution of wealth*.

b. Farmers and laborers (workers) should act as *dictators* over all other classes of people and govern them by “majority” rule.

(This cockeyed fantasy was called “The Dictatorship of the *Proletariat*.” For a perfect grade-school definition of the term, read the Gettysburg address by Abraham Lincoln.)

c. No “progress” can take place anywhere without “overthrowing” the established government and encouraging revolutions *which do away with the ownership of private property*.

I challenge you to find three more *ridiculous* ideas than those in any sermon by Billy Sunday, Dwight Moody, Charles G. Finney, Adoniram Judson, Hudson Taylor, Gen. William Booth, Bob Jones Sr., Sam Jones, Peter Cartwright, Martin Luther, John Knox,

Jonathan Edwards, Charles H. Spurgeon, Dr. M. R. DeHaan, Charles Fuller, John Rice, Lester Roloff, or J. Frank Norris.

Any Bible-believing preacher in that list had more intellectual common sense in his left toe than Karl Marx had above his neck.

24. And then there is “Rap” and “Rock and Roll”—obvious “progressive” steps *forward* in the EVOLUTION of music—if you are half crazy and one quarter unconscious (see *Music and Musicians*, Bible Baptist Bookstore, 1996). How much superior are Paul Hindemith, Erik Satie, Pierre Boulez, Anton Webern, and Emil Bartok to Mozart, Bach, Brahms, Beethoven, and Schubert! Why anyone can see that! They only can, if they take Darwin’s positive view of “progress”—which means an appreciation of adultery, fornication, sex perversion, filthy language, welfare handouts, abortions, and gun control. They come along with it: same package, *same contents*, same wrapper, same buyer.

My, how modern and up-to-date is a “permissive society” practicing “multi-cultural sexual orientations”! My, what an *improvement* over American education between 1800 and 1930! What did those generations do without the national promotion of condoms, women’s lib, welfare states, sex perverts, gun control, affirmative action, behavior modification, values clarification, and “sexual harassment laws.”

Well, we whipped England (1812), Germany (1914), and Japan (1945).

The Darwinian monkey men who followed them (1940–2004) *lost three wars in Asia*, destroyed the Constitutional rights of “freedom of association” for every American black, white, brown, yellow, red, rich or poor, male or female in the country; jettisoned the gold standard, *voted to get drunk and stay drunk*, put every baby in America into debt before he was born to the tune of \$35,000, and *threw prayer and the Bible out of the public schools* and converted them into *federal drug cartels* where *Islam* was taught and abortions were free for *unmarried, teenaged girls*.

But don’t worry! “Every cloud has a silver lining!” “*God is love.*” “Think beautiful thoughts and life can be beautiful!” Don’t forget: “*Judge not lest ye be judged!*” “Love your neighbor as yourself!” “*God is love!*” “Whatsoever is pure, just, etc., *think on these things!*” See how it is done? *Christians do it exactly as all unregenerate heathen do it:* same mental processes involved (see pp. 47, 56–57).

And finally, what about our “rosy” future?

25. How do all positive thinkers face *the future*? How do all positive thinking *religious leaders* picture *the future*? How do all NEA federal schools—all the public schools were abolished in 1964: Civil Rights Act—describe the future?

Well, pick up 3,000 modern books and read them and find out. Read 120 newspaper articles every day for thirty years and find out. *All* the positive thinkers in 1900–1960 thought (and spoke and wrote) *exactly* as all of them did in 1880, 1890, 1900, and continued to do (*identically the same way*) in 1970–2005, etc.

Not *one of them* believes *one word* of the future as described (and recorded) by the Third Person of the Godhead (2 Tim. 3:16) in 1,200 pages of revelation.

The agenda adopted by the League of Nations and the UN—and all the nations in both

destructive Babels (Gen. 11:1–13) is the same as the agenda adopted by every humanist and atheist on earth since 500 B.C.:

1. “All is well, there is no Hell.”
2. “I’m okay, you’re okay, everyone is okay; we just need more *education* and *information* and *communications*.”
3. “The spirit of MAN will always triumph for MAN is the measure of all things.”
4. “The future will be what MAN makes it to be and can be what MAN wants it to be, if MAN will think *positively* instead of negatively.”
5. “No man is accountable to anyone but himself *and the government*. If you want to be religious “do good to your fellow man” to “make the world a better place to live in.”
6. “Everyone should work to bring in “peace on earth to men of good will” [plagiarized from Luke 2:14] and if we all work together this dream can come true” (see Jer. 29:25–29) *WITHOUT GOD’S ASSISTANCE* and in complete *OPPOSITION* to everything the Bible said about peace (Psa. 2, 72, 122; Hag. 2; Jer. 30:11; Isa. 2, 11, 60:12).

Now if you want to know the main thing that is wrong with “positive thinking” of *any kind*, that is it. When you analyze what these “possibility” hypocrites are actually doing to your mind it is perfectly clear. Whether you are a professing Christian or not (or even a deist or an atheist), they are all telling you that it is *YOUR* effort that *YOU* are putting forth that will bring to pass what *YOU* want. *It is 100 percent pagan superstition.*

In some rare cases, this might be linked up to, or practised with, *prayer* to a “higher power”—at times; but when the success pinnacle is reached, the *CREDIT* for arriving there is never given to God. He gets no glory from it. It is MAN patting himself on the back for taking the right “posture” or “attitude” towards the things that *HE* thinks about that interest *HIM* because *HE* is the center of the whole godless, depraved, selfish, *damnable*, unholy, *non-biblical* operation.

This, now, is the heart and theme of *modern American Christianity* which is apparent by the contents of the Christian bookstores in America and the network TV shows. The books are written to puff *YOU* up so that you think *YOU* are the most important thing that ever walked on this earth, and God and man are just dying to see *YOU* succeed and congratulate *YOU* for your *self-effort* which amounts to “**less than nothing**” (Isa. 40:17).

Before examining exactly what the *BOOK* says about self-esteem, self-improvement, and self-development, be assured that it will not match the modern “Christian pitch” (2000) in any way, shape, or form. It will originate at a *different point*, approach you from *another route*, and will bring you out to a *different destination*. If, by chance, riches, success, good health, friends, comfort, etc., accompany the trip, none of them will have anything to do with you *trusting* in yourself, *believing* in yourself, having *confidence* in yourself, spending time *analyzing* yourself, considering possibilities forbidden in the Bible, daydreaming, *hoping* for things that are against the Bible, or following any advice given to you by amateur psychologists who make a living off suckers like Karl Marx, Winston Churchill, Sigmund Freud, Martin Luther King Jr., Charles Darwin, Mahatma

Gandhi, the Beatles, Albert Einstein, Ted Turner, FDR, JFK, Bill Gates, Benny Hinn, Pope John Paul II, and Little Red Riding Hood.

Chapter 3

Positive Thinking In the Scriptures

Now we have diddled enough with the amateurs (Aechylus, Herodotus, Pindar, Sappho, Theocrites, Euripedes, Ovid, Anacreon, Simonides, Juvenal, Petronius, Tacitus, Ariston, Socrates, Plato, Aristotle, et al.) long enough to lay all of their comic books aside and do some *serious studying* in a HISTORY Book. We select the one *true history book* that 90 percent of the positive thinkers have always rejected as HISTORY.

“It is altogether fitting and proper” (to quote dishonest Abe Lincoln of Kentucky; *not Illinois*), since men engaged in “playing god” for themselves and the communities in which they lived didn’t want any “God” showing up in what they are talking about. The ancient Greeks inserted “gods” while pretending they were writing *history*. If they were, they were writing biographies from Genesis 6 and Psalm 82 (see *Black is Beautiful*, Bible Baptist Bookstore, 1996). You may have noticed that their gods majored in nine things: adultery, rape, fornication, sex perversion, incest, egotism, pride, war, and killing.

They were not exactly the kind of “role model” you would want your children to adopt as a “god.” Furthermore, the Greek gods didn’t leave enough evidence around for any archaeologist to mess with. Moses, Noah, Joshua, David, Paul, and Jesus Christ left plenty; enough to fill five books of 200 pages apiece. Although Jesus Christ was **“God... manifest in the flesh”**—*the verse has been carefully removed from 215 “new” translations*—He presented, as a *human being*, a “role model” who never got involved in lying, swearing, killing, stealing, kidnapping, embezzlement, fraud, deceit, trickery, double-dealing, *jealousy*, adultery, fornication, murder, infidelity, sadism, masochism, incest, drunkenness, gambling, overeating, or *laziness*.

How UNLIKE Thor, Zeus, Hermes, Mohammed, Apollos, Adonis, Juno, Bacchus, Allah, Mercury, Chronos, Aphrodite, Hercules, and Poseidon!

The trouble with the BOOK is that it inserts **“GOD”** into man’s *history* every other time you turn a page. That is a “NO-NO” for all *historians*, if they are “credible.” No *historian* is allowed to let the Creator of man manifest Himself in man’s *history*. Man must work out his *own history* and then *take credit for it, being careful to forget (or overlook) where he erred in his judgment of future generations*.

All *histories* must be “revised” from time to time to “keep up with the times.” The English Book that was published in 1611 doesn’t have to REVISE or RE-WRITE one single historical incident that happened (according to its text) one time in 3,500 years (Moses, 1500 B.C. to an *Authorized Version* in A.D. 2004).

So let us turn to the only 100 percent *accurate* history of “man” that has never had to yield one inch of ground in Genesis 1–3 to any “scientist” who ever breathed; not one inch of ground to any Pope who ever contradicted it (see Mary’s seven children in Mark 6 and Psa. 69:8); not one inch of ground to Mohammed or Buddha where they denied three-

fourths of it; nor one inch of ground to any college professor with an IQ of 210 who thought he could correct a *King James Bible* with a nonexistent pile of papers that *disappeared* more than seventeen centuries ago.

What you are to read is positive thinking “in action,” more than seventeen centuries before Norman Vincent Peale “conned” twenty-first century suckers. These words were written in Hebrew and appear in the *universal language of the twenty-first century*, on the counters of every bookstore in the world except where the Book has been banned. It is banned because it “knows all about you and tells it” (see p. 41–45). It is banned because it is against YOU, and YOU know it (see p. 27–28). And, as we have said, the only real argument against the Book, since it was written, is a *ROTTEN LIFE*.

Witness the great “POSSIBILITY THINKERS” of the past!

I. *Samson*: “I am still just as tough as I was before. I killed 1,000 of them with a jawbone of an ass, and bless God, I can sure kill thirty of them with my bare knucks” (Judg. 16). *Complete faith in himself*. Absolute assurance proved by previous performances. *He couldn't miss*.

Oops! One slip. *He forgot God*. “**He wist NOT that the Lord was departed from him**” (Judg. 16:20).

Did you ever hear Pascal, Villon, Rabelais, Cicero, Thomas Wolfe, Hendrick Van Loon, Albert Tennyson, James Joyce, Hume, Hobbes, Oscar Wilde, Stephen Leacock, Booth Tarkington, Daniel Defoe, Earl Stanley Jones, Dean Luther Weigle, Samuel Colderidge, Charles Dickens, Thackery, Marlow, Wieland, Swift, or Burke talk about THAT?

Why all the silence, kiddies, when discussing “the measure of all things” either in fiction, poetry, romance, humor, polemics, apologetics, or histories? Little *omission* do we have there, boys?

II. *Rebekah*: “I’ll let my brother (Laban) take care of Jacob till ‘the storm passes by,’ and then we can have him home again” (Gen. 27). “I can save my boy’s life this way. If he stays here his brother is bound to kill him.”

Perfect thinking. Absolutely positive *all the way*. No vengeance, no need for “security guards.” A murder can be avoided, and Esau is bound to forget his wrath as “time heals all wounds,” etc. It will end where she has her darlin’ (Gen. 27:44) back “*safe and sound*.”

Oops. *She never saw him again*. When Jacob got back she was dead (Gen. 31:38). “Way to go, Becky! Way to go!” *THINK your way through!* Just like your son (Gen. 32:7–20).

Jacob’s thinking was so powerful and so positive (see it in action in Gen. 32:13–16) that he worked out a scheme to save four wives and eleven children. There was a “catch.” He didn’t have to do it (Gen. 33:9). God had already taken care of his problem without his knowledge. Still in a sweat, Jake finally has to have an all night prayer meeting. The answer to his prayer was a bill which could only be paid by *LIMPING the next sixty years of his life*. “Way to go, Jake” *Think your way through!*

III. *Benhadad, king of Syria*: “Son, if you don’t hand over your money and your wives

and your children I'm coming to town with an army that has more conscripts in it than you have grains of dust in your country (1 Kings 20:10)!"

If ole' Benhadad lacked anything it certainly was not faith in *himself* or his *army*. His "self esteem" was as high as any Pope's esteem of himself. And he had the troops (1 Kings 20:27). But alas! (Mid-Victorian for "...it!")

He left out something; guess what? (See 1 Kings 20:28.) James Jones (*From Here to Eternity*) would not have known about it either, nor would Toland, Cornelius Ryan, Tuchmann, Stephen Ambrose, and Lindel Hart (*military historians*) have ever known about it. You'll find no mention in any history by Gibbon, Ridpath, Van Loon, H. G. Wells, Latourette, Philip Schaff, Newman, Neander, Geisler, Froom, Harnack, Kurtz, or Eusebius (*church historians*).

I could list for you a hundred other authors, through 3,000 years, who couldn't tell you what Benhadad *forgot*, even if they had been in the same situation, dealing with the same circumstances. They would include Emil Zola, John Dos Passos, Bernard Shaw, Eugene O'Neil, Stephen Zweig, Anatole France, Ernest Hemmingway, William Faulkner, Lloyd Douglas, A. J. Cronin, Henry Longfellow, James Thurber, Mark Twain, Artemus Ward, H. L. Menken, Ogden Nash, Dorothy Parker, Robert Benchley, Bennet Cerf, Corey Ford, Frank Sullivan, or Josh Billings (*those last eleven were authors of humor*).

Benhadad forgot Song of Solomon 2:1, written more than 200 years before he was born. It cost him his army (1 Kings 20:29–30—127,000 troops) and nearly cost him his life (1 Kings 20:31–42).

"Positive thinking" on his part wasn't worth a broken-down Yugo or Edsel.

IV. *Bible prophets*: Here are 400 ministers in the NCCC "ecumenical movement" all thinking positively and all so certain of their "**dreams**" (Jer. 23) that they would bet the lives of two kings on them (1 Kings 22:6). Perfect ecumenical unity: all obeying the Bible commands to be "**in the same mind**" and "**be one**" (John 17:21–22; 1 Cor. 1:10) so that "**all men know...etc.**" None of them would think of offending anyone!

They all prophesy *victory and peace* to come (1 Kings 22:6).

Just like five Catholic Popes since 1914.

Oops! *They all turned out to be deceived liars* (1 Kings 22:19–28). Their king (Ahab) loses his life and his troops run for their lives (1 Kings 22:36). The only man there who could predict what would take place in HISTORY (1 Kings 22:23) was a "preacher of *hate*" (1 Kings 22:7, 17, 19–25, 28) who always preached NEGATIVELY (1 Kings 22:8), like Amos preached (Amos 7:10–17).

When the prophets preached POSITIVELY (Amos 9:13–15), Micaiah and Amos would prophesy the destruction of the Vatican and the UN at the hands of a Jewish Messiah (Zeph. 3:8; Joel 3; Isa. 63; Zech. 14:1–14).

V. *Gedaliah the son of Ahikam* (Jer. 40:6). This was the puppet governor set up in Israel after Nebuchadnezzar had torn down the temple, burned the city, and kidnapped the king (Zedekiah). One of his buddies, "**Johanan the son of Kareah,**" comes to him and warns him of a plot afoot to get him assassinated and asks for permission to kill the

assassin before the “hit” takes place (Jer. 40:14–15).

Gedaliah, being a *positive thinking*, cooperative, mild-mannered “balanced Christian” simply puts 1 Corinthians 13:5 into operation as any good New Testament Christian would do. *It costs him his life* (Jer. 41:1–3).

Positive thinking is more *deadly* than spinal meningitis or Brite’s disease. In Gedaliah’s case, it also caused the slaughter of several dozen others (Jer. 41:3–7).

“Way to go, *Rev. Schuller!* Way to go, baby!”

VI. *Mother Eve*: Since the “whole ball of wax” was neatly tied up in the third chapter of one Book—and omitted in the other 22,999,999 books in the Library of Congress—you might as well see what happened after the “Yes” man said “Yes” (Gen. 3:1) for the first time instead of “No,” or “**Thou shalt NOT.**”

Here is the real subject for a thinking man or woman (Gen. 3:6). Thank God it is (*this time*) 100 percent POSITIVE. It is the ultimate dream of every “possibility thinker” who ever imagined any “possibility” in *anything*. Note! The object is:

1. “**Good.**”
2. “**Pleasant**”
3. “**Desired.**”

“**Good for food,**” “**pleasant to look at,**” and “**desired to make one wise.**” What could be more perfect? What could be more *positive*? No wrath, no envy, no Hell, no chastisement, no judgments, no rebukes, no “hate speech,” no “offence” to anyone, no God, no Bible, no preaching, no one trying to “ram religion down your throat,” no rules, no regulations, no prohibitions; *everything is moral, mild, just, smooth, equal, satisfying, and “productive”!*

Right?

Wrong: that is why the entire account was thrown out as *history* by every philosopher, scientist, scholar, or *historian* who ever lived.

One verse in one Book struck at the heart and *mind* of every human being who came from Eve for the next 6,000 years, so 40,000 authors defected *immediately* and decided Genesis 3 was a myth or legend intending to teach someone something: *like what?*

Well, in third-grade English (or any other 300 languages), it reveals that a man or woman can do something, or want to do something, that is perfectly *legitimate* and even *commendable* and *worthwhile* and thus DESTROY himself (or herself) *and HIS ENTIRE POSTERITY.*

You see, that damnable “missing link” was overlooked again: *God had told her NOT to do it* (negative). She “*accentuated the positive*” (see above) and lost her life and then killed her husband (Gen. 5:5). Death has been present since that transaction (Rom. 5:14). *The transaction was POSITIVE from start to finish*, and the “possibility” would be that she and her husband would wind up as “gods” (Gen. 3:5). They—and the more than 6,000,000,000 people who came from them—wound up *rotting in the dust with worms all over them* (Job 19:26, 17:16, 25:6).

“Positive thinking” would make Ebola, GRID, blood clots, and leprosy look like indigestion.

Darwin (*a positive thinker exactly like Eve*) found a way to erase this supernatural revelation of Genesis 3 from the “modern mind.” He did so because all “modern minds” (including millions of Christian minds) operate just exactly like Eve’s mind operated: **POSITIVELY**.

“Birds of a feather flock together.” “Misery loves company.” “Lie down with the dogs, and you’ll get up with the fleas.” Human nature has never changed three-fourths of a *half a millimeter* since 4000 B.C.

VII. *Goliath*: The story is too familiar to repeat. The fool was so confident and had such faith in himself that he *left his helmet off* when he “took on” David (see 1 Sam. 17:5, 45). By that he proved that some people have ROCKS for brains: he got “stoned.” Want to see a real “possibility thinker” at work? Read 1 Samuel 17:43–44. How is that for predicting a rosy future for yourself and your nation (1 Sam. 17:9)?

So sorry. Though you were a “**man of war**” you disobeyed the first law of armed combat: “never underestimate the strength of your enemy” (see *Ruckman’s Battlefield Notes*, Bible Baptist Bookstore, 2003). *Optimism* is what killed Adolph Hitler and 6,000,000 of his own countrymen.

General R. E. Lee did the same thing at Gettysburg and Eisenhower and Bradley (1944–1945) did the same thing in the Huertgen Forest (1944) and on the Snow Eiffel (1944). “*Positive thinking*” will get you killed quicker than a *Black Mamba* or a *Cerastes Asp*.

Goliath “lost his head” (literally), his armor, his sword, and his troops (1 Sam. 17:51) because he listened to Fulton Sheen, Pope John Paul II, Norman Vincent Peale, JFK, Abe Lincoln, Nelson Mandela, Earl Stanley Jones, Yasser Arafat, Benny Hinn, Tammy Bakker, Oral Roberts, Jesse Jackson, M. L. King Jr., and George Bush Jr.

VIII. *Simon Peter*: *Brave?* Yessir (Matt. 26:51–52)! *Bold and daring?* You betcha’ (Matt. 14:28). *Spiritual and loyal?* Absolutely (Matt. 16:16)! *A real positive thinker?* Without a doubt (“**Then Peter took him, and began to rebuke him, saying, Be it far from thee, Lord: this shall not be unto thee**” [Matt. 16:22])! *Prepared for action?* Without a doubt (“**And he said unto him, Lord, I am ready to go with thee, both into prison, and to death**” [Luke 22:33]). A real, genuine, Christian disciple? *Undoubtedly* (John 21:17).

“Successful,” like Robert Schuller, “Tremendous Jones,” Bill Gates, et al.? No. Peter lost his discipleship while cursing and swearing. It turned out that all of his “possibilities” (see Matt. 26:33) went up in smoke (John 18:25–27). *He had forgotten something*.

Oh, I wonder what it could have been? Hermann Melville didn’t mention it; neither did *Jack London* or *Stephen Crane*. It doesn’t appear anywhere in the writings of *John Steinbeck*, *Somerset Maugham*, *Edgar Allen Poe*, *Philip Sher-lock*, *Walter De La Mare*, *Seumas MacManus*, *Edith Sitwell*, *Churchill*, *Schlessinger*, *Mabel Hunt*, *Edith Hamilton*, *Charles Finger*, *Louis Untermeyer*, *Joice Nankivell*, *T. S. Elliot*, *W. H. Hudson*, *Alice*

Kelsey, et al. (those last twelve authors majored in “children’s” literature as well as other works). None of them ever mentioned anyone getting messed up because *they forgot GOD*: not one of them.

What, oh what, turned Peter’s power of positive thinking into a big, fat negative pile of *rubbish*?

Simple: *he didn’t believe a verse found in Zechariah 13. It was verse 7: one out of 31,000-plus verses in one Book.*

Half of one verse in the Old Testament blew Simon Peter’s “positive thinking” all to pieces. He didn’t like the verse because it was “hate literature”; it accused *him* of being a coward. *It was NEGATIVE.*

That is the entire content of Romans 3:9–20; Galatians 5:19–21; 1 Corinthians 6:9–10; Romans 1; Jeremiah 23; Matthew 23; Titus 1:9–16; Mark 7:21–23; Deuteronomy 28:15–68; Leviticus 26:14–43; Isaiah 63:1–6; Joel 1, 3; Isaiah 24; Jeremiah 25; Psalm 109; and 2 Timothy 3:1–13.

The gospel is 75 percent negative (1 Cor. 15:3–4).

IX. *Pharaoh*: This is the second greatest “possibility thinker” who ever lived. He saw the “silver lining” on every storm cloud, the “bright side” of every catastrophe in life. He cheerfully continued to hope for “the best” by insisting that nothing was going wrong, *even though he lost his reputation, his workers, his cattle, his crops, his privacy, his first born son, and finally, his life* (Exod. 14:27).

Pharaoh was the greatest practitioner of the power of “positive thinking” who ever lived on this earth as a human being. He would make Alexander the Great, Charlemagne, Napoleon, and Rev. Schuller look like reactionary *pessimists*.

Any modern millionaire who became a business success through positive thinking (1900–2004) never had one-half the courage, one-half the tenacity, one-half the faith, or one-half the optimism that Pharaoh had (see Exod. 6–15). Not one great business man (Hearst, Ford, Carnegie, Vanderbilt, Cyrus McCormack, Luce, Turner, Gates, Getty, et al.) could match Pharaoh; for none had one-fifth of the obstacles he encountered (Exod. 6–15).

Not even the death of his heir to the throne could stop Pharaoh from “attaining the goals he had set for himself” (Exod. 14:3–10).

How did he come out?

Just like Goliath, Eve, Gedaliah, Belshazzar, and the 450 prophets of Baal (1 Kings 18:22, 40): *deader than a hammer on the beach.*

VIII. *Satan*: Here, at last, is the “king of kings” when it comes to the King of *Positive Thinkers*. This is the one who said “YES” (Gen. 3:1) while setting up Eve for the “kill.”

One will see, immediately, why this characteristic of Satan is never *mentioned* in the other 22,999,999 books in the Library of Congress, unless, of course, it is an author who believes the ONE Book out of the 23,000,000 to the exclusion of the others. Not one major philosopher or psychologist who ever lived would dare even discuss the passage (Isa. 14). The modern revisors have already *altered it* after pretending the account has

nothing to do with Satan.

Note the key word of all positive thinkers: **“I WILL.”**

“I will get the job.” “I will get well.” “I will get the money.” “I will be recognized.” “I will be accepted.” “I will attain my goals.” “I will get a divorce.” “I will marry him.” “I will pass the test.” “I will get to Heaven by my religion.” “I will what *I will* if I will to do it!” “I can think history into being!” **“I AM THAT I AM”** (Exod. 3:14). *“I THINK, THEREFORE I AM.”*

“Positive thinking” is more deadly than prussic acid or anthrax.

Well, how did the Devil make out? Look what he said his goals were and look how sure he was he would attain them.

“For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High” (Isa. 14:13–14).

Did he attain them? Well, not quite.

He didn’t get to the top of the pyramid-shaped universe (see *The Bible Believer’s Commentary on Ephesians*, Bible Baptist Bookstore, 1973). He never got to set up his throne. He wound up *below* the stars, instead of above them. He wound up in the **“bottomless pit”** instead of **“New Jerusalem,”** and he is going to wind up in a **“lake of fire”** instead of winding up as the **“most High.”** He comes out as the “most low” (see Ezek. 21:25–26; Dan. 11:45).

Now there! THAT is “the POWER of positive thinking”! Its author is the **“god of this world”** who controls **“principalities and powers”** and has had 6,000 years of experience working in the *MINDS* of unsaved philosophers, historians, scientists, religious leaders, fiction writers, intellectuals, and humanists.

“Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, The spirit that now worketh in the children of disobedience” (Eph. 2:2).

“Unto the pure all things are pure: but unto them that are defiled and unbelieving is nothing pure; but even their mind and conscience is defiled. They profess that they know God; but in works they deny him, being abominable, and disobedient, and unto every good work reprobate” (Titus 1:15–16).

“This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy....Ever learning, and never able to come to the knowledge of the truth” (2 Tim. 3:1–2, 7).

“What is man, that he should be clean? and he which is born of a woman, that he should be righteous? Behold, he putteth no trust in his saints; yea, the heavens are not clean in his sight” (Job 15:14–15).

“And again, The Lord knoweth the thoughts of the wise, that they are vain” (1

Cor. 3:20).

P.S.—You will find no discussion, no analysis, and no reference to those five, *basic*, fundamental *truths* that deal with man’s thinking and his thoughts in ANY work by the following authors: the revision committees of the ASV, RV, RSV, NRSV, ASV, NASV, NIV, etc., Griesbach, Tregelles, Tischendorf, Westcott, Hort, Nestle, J. L. Hug, Lachmann, Kirsopp Lake, K. W. Clarke, H. Greven, R. M. Grant, Kenyon, Birch, Alter, Mace, Bengel, Hawood, Doedes, Metzger, Aland, Bruce, Robertson, Wuest, Ramm, Gesenius, Delitzsch, Free, Zane Hodges, James Price, et al. (Hebrew scholars, Greek scholars, and Bible scholars); nor will you find a breath of air coming from Umbreit, Julicher, Burkitt, Knobel, Sanday, Briggs, Ellicott, Driver, Brigham Young, Judge Russell, Judge Rutherford, Annie Besant, Emily Cady, C. W. Leadbeater, Kenneth Wuest, Duhm, Budde, Rendal, Green, Kittle, Lightfoot, Wellhausen, Hitzig, Hume, Strauss, Ewald, DeWette, Ernesti, Graf, Schleirmacher, Eichhorn, Vatke, Fichte, Comte, Trench, Alford, or Wordsworth (*Christian Bible commentators and cult leaders*).

Every Greek philosopher and scholar had Isaiah 14 in front of his face more than 200 years before Pythagoras was born (572–497 B.C.). Only Zeno and his Stoics (pessimistic) refused to talk like the devil when they made guesses about the future. The plans Aristotle had for Greece came out just about as successful as Charles I’s plans worked out to get rid of the English parliament (Jan. 30, 1649).

In the case of Isaiah 14, the positive thinker thought himself into a *lake of fire* (Matt. 25). Why wouldn’t his *friends* and *followers* arrive at the *same destination*? Wouldn’t they if they were all trying to **“be like the most High”** (Isa. 14:14)? *That is why Eve took the bait* (Gen. 3). She wanted to be “like” God.

“For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil” (Gen. 3:5).

Ever hear some twentieth-century idiot talking about “finding the god within you,” or “realizing” the god within you?

In the Book, that is the **“god of this world.”** You cannot “realize” or “find” something unless it is THERE. Modern worldlings are simply trying to *counterfeit* 1 Corinthians 8:5; Colossians 2:9; and Ephesians 4:6 by *pretending* that everyone has “God” in them when they are born; no one has to receive His Son to even get to know Him (see Matt. 11:27).

To be as brief (*and as nasty and offensive*) as possible, the New Testament condition on which any sinner will ever get into any paradise or “heaven” is *that he exercise the power of NEGATIVE thinking when dealing with his own goodness, intelligence, and righteousness.*

Here is the “bad” news that always *precedes* the good news. We call this “the fig leaf factor” or “the unhappy word of the Holy Spirit.”

“And when he is come, he will reprove the world of sin, and of righteousness, and of judgment:

Of sin, because they believe not on me;

Of righteousness, because I go to my Father, and ye see me no more;

Of judgment, because the prince of this world is judged” (John 16:8–11).

If you are *positively* looking for signs (1 Cor. 1:22–23; Matt. 12:39) *you will never be saved.*

“Even him, whose coming is after the working of Satan with all power and signs and lying wonders” (2 Thess. 2:9).

If you are *positively* seeking wisdom (Phileo-Sophia: Philosophy) you’ll never get any unless you learn to FEAR GOD (negative). Without FEAR of God (Exod. 20:20; Job 28:28) your wisdom will be the wrong kind of wisdom (James 3:15).

God has always ignored the majority of **“WISE”** men and **“NOBLE”** men and **“MIGHTY”** men—three “positive achievers”—and chosen the **“BASE,”** the **“WEAK,”** and the BLANKS (1 Cor. 1:25–29): all three are NEGATIVE.

“The wisdom of this world”—the authors I have been listing—**“is foolishness [negative] with God”** (1 Cor. 3:19), and that which is positive (**“highly esteemed among men”**) **“is ABOMINATION [negative] in the sight of God”** (Luke 16:15). It is the power of *negative thinking* that will get your soul saved. *And it is the power of negative thinking that will make you a disciple of Christ.* That is, according to the greatest Christian who ever lived.

“For we know that the law is spiritual: but I am carnal, sold under sin” (Rom. 7:14).

“Who was before a blasphemer, and a persecutor, and injurious: but I obtained mercy, because I did it ignorantly in unbelief.

And the grace of our Lord was exceeding abundant with faith and love which is in Christ Jesus” (1 Tim. 1:13–14).

“Yea doubtless, and I count all things but loss for the excellency of the knowledge of Christ Jesus my Lord: for whom I have suffered the loss of all things, and do count them but dung, that I may win Christ” (Phil. 3:8).

“O wretched man that I am! who shall deliver me from the body of this death?” (Rom. 7:24).

That is Biblical thinking: it is the direct OPPOSITE of every type of thinking being taught in every federal school in the United States from kindergarten through postgraduate seminaries.

Want to see it again? The difference between *ALL* news media outlets, *all* psychiatrists’ offices, *all* professors “chairs,” and 90 percent of the pulpits in America today?

“For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape” (1 Thess. 5:3).

“And his power shall be mighty, but not by his own power: and he shall destroy wonderfully, and shall prosper, and practise, and shall destroy the mighty and the holy people.

And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: he shall also stand up against the Prince of princes; but he shall be broken without hand” (Dan. 8:24–25).

“Then said I, Ah, Lord GOD! behold, the prophets say unto them, Ye shall not see the sword, neither shall ye have famine; but I will give you assured peace in this place.

Then the LORD said unto me, The prophets prophesy lies in my name: I sent them not, neither have I commanded them, neither spake unto them: they prophesy unto you a false vision and divination, and a thing of nought, and the deceit of their heart” (Jer. 14:13–14).

“Therefore thus saith the Lord GOD; Because ye have spoken vanity, and seen lies, therefore, behold, I am against you, saith the Lord GOD.... To wit, the prophets of Israel which prophesy concerning Jerusalem, and which see visions of peace for her, and there is no peace, saith the Lord GOD” (Ezek. 13:8, 16).

“And it come to pass, when he heareth the words of this curse, that he bless himself in his heart, saying, I shall have peace, though I walk in the imagination of mine heart, to add drunkenness to thirst” (Deut. 29:19).

“There is no peace, saith the LORD, unto the wicked” (Isa. 48:22).

Without God, and what God said in His Book, **“there is no peace.”** There has never been any “peace process” going on in the Middle East (400 B.C. to A.D. 2004) except in the minds of deceived, hypocritical, lying “positive thinkers” who live like Alice in Wonderland lives with the Three Stooges.

The Popes (*all of them*—Pius XII, John XXIII, Paul VI, and John Paul II) are never to be thought of in a POSITIVE manner at any time under *any* circumstance. They have been *habitual* liars, thieves, and killers (see *Foxes’ Book of Martyrs, Vatican Imperialism in the Twentieth Century, Catholicism Against Itself, American Freedoms and Catholic Power, Footprints of the Jesuits*) since A.D. 550; and they are some of the greatest *Bible perverting, Bible-rejecting heretics* who ever gave the Pharisees and Sadducees “a run for their money” (see 400 pages of documented truth dealing with this matter in *Rome: the Great Private Interpreter, 1973; The Corrupt Catholic Cult, 1999; Why I am not a Roman Catholic, 1997; and The History of the New Testament Church, Vols. I and II, 1982, 1984, Bible Baptist Bookstore*).

Want to think *positively*? Well why not imitate Judas’ concern about the “oppressed minorities” (John 12:4–5)? Wasn’t Judas THINKING more reasonably and more charitably than Mary (John 12:3)?

By every standard of every humanistic publication and every standard of American education, by every standard of every Communist, Moslem, Buddhist, and Jew on the face of this earth; *Judas Iscariot* was thinking *CORRECTLY* and *Mary* was a deceived, *RELIGIOUS FANATIC*.

Solution? *Put the Gospel of John out of circulation.*

Once any brilliant, intelligent, intellectual, one-world “do-gooder” gets ahold of that Book and sees those NEGATIVE Ten Commandments (Exod. 20) and then (horror of horrors!) reads that Moses did not write them—*GOD* (Deut. 9:10) *wrote them* (Deut. 10:2)—he knows what he and the pragmatists, relativists, realists, idealists, empiricists, phenomenologists, evolutionists, materialists, naturalists, existentialists, and global family fanatics must do: *they must get rid of the Ten Commandments by any means possible, for nine of them are NEGATIVE.*

No child should be allowed to know that his CREATOR *wrote* those commandments. So out goes the Book from every federal school in America and most of Europe. And out goes the two greatest *foundational truths* that God ever revealed to mankind, long before Jesus Christ showed up.

1. “*Positive thinking*” leads to *damnation* (Gen. 3).

2. “*Negative thinking*” and acting (Exod. 20) leads to fellowship (and blessing) with God Almighty (Exod. 20:6).

When God’s righteousness finally shows up (Rom. 10:3) to *replace* the righteousness of the Law (Rom. 10:4–6), every negative thinker awakens to the fact that he himself has *not* kept the Ten Commandments (John 15:22). This forces him to “reevaluate” or “rethink” his religion of works (see Rom. 1:17–25).

This is how Jesus Christ stated it:

“Then said they unto him, What shall we do, that we might work the works of God?”

Jesus answered and said unto them, This is the work of God, that ye believe on him whom he hath sent” (John 6:28–29).

This is how He stated it *again*:

“For I say unto you, That except your righteousness shall exceed the righteousness of the scribes and Pharisees, ye shall in no case enter into the kingdom of heaven” (Matt. 5:20).

And this is how He stated it *again*:

“And when he is come, he will reprove the world of sin, and of righteousness, and of judgment:

Of sin, because they believe not on me;

Of righteousness, because I go to my Father, and ye see me no more;

Of judgment, because the prince of this world is judged” (John 16:8–11).

You couldn’t miss that if you couldn’t hit the broad side of a barn with a bunch of bananas—like Mohammed did, and Charlemagne did, and Napoleon did, and Churchill did, and Einstein did, and Marx and Darwin did, et al. Paul warned you *six times* that religious works will get you nowhere but Hell if you are counting on THEM for your salvation: see Ephesians 2:8–9; Galatians 2:16; Titus 3:5; Romans 4:5, 5:1; Acts 13:38–39; and 1 Corinthians 1:20.

Nothing will do but the “POWER OF *NEGATIVE THINKING*.”

The world system? *Negative* (Gal. 1:4).

The modern world? *Negative* (2 Tim. 2:16).

The world’s civilizations? *Negative* (“**For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world**”—1 John 2:16).

The UN in downtown New York? *Negative* (“**All nations before him are as nothing; and they are counted to him less than nothing, and vanity**” (Isa. 40:17). Their future? *One hundred percent negative* (“**Therefore wait ye upon me, saith the LORD, until the day that I rise up to the prey: for my determination is to gather the nations, that I may assemble the kingdoms, to pour upon them mine indignation, even all my fierce anger: for all the earth shall be devoured with the fire of my jealousy**” (Zeph. 3:8).

Man’s improvement and progress? *Negative* (“**How that they told you there should be mockers in the last time, who should walk after their own ungodly lusts**”—Jude 1:18; “**Knowing this first, that there shall come in the last days scoffers, walking after their own lusts**”—2 Pet. 3:3; “**And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness**”—2 Thess. 2:11–12).

To all educated jackasses, *degeneration* is “progress,” *ignorance* is “believing the Bible,” *toleration* and *promotion* of depravity is “growing and learning.” That is, *backwards* is forwards, *forwards* is backwards, *good* is evil, *evil* is good (Isa. 5:20). Further, God Almighty wouldn’t dare send anyone to Hell for *any* reason, and if any Christian says he knows *for certain* where he is going when he dies (like Peter [1 Pet. 1:4–5] or Paul [2 Tim. 1:12] or Jesus Christ [John 14:3], or John [1 John 5:13] or Elijah [2 Kings 2] or David [Psa. 23] or ANY Bible-believing sinner who experienced the New Birth [Phil. 3:21; 1 John 3:1–3; 1 Cor. 6–9; Phil. 1:6] that man needs “mental help.” *He is too POSITIVE!!*

And there is the “spread.” THAT is the “layout” for mankind in the twenty-first century; it is 180 degrees opposite the stance in the BOOK. In the *Book* you are to think *positively* about the following things:

1. *The promises of God* (2 Pet. 1:4)—noting the conditions attached to them.
2. The integrity, power, authority, and *holiness of God* (Deut. 28, 29; Job 40:1–14; Phil. 2:5–11; Heb. 12:18–29; Jer. 25; Rom. 11).
3. *Life after death*, if you are trusting HIS righteousness instead of your own (Rom. 3, 5, 10; Acts 13:38–39).
4. *The Second Coming of Jesus Christ*, the Jewish Messiah, to sit on David’s throne on top of the Dome of the Rock (Jerusalem, the temple area) to rule over the twelve tribes of “Israel (Luke 1:31–33); plus Arabia, Palestine, Europe, North America, India, Pakistan, Iraq, Egypt, Iran, Central America, China, Saudi Arabia, Japan, South America, Algiers, Morocco, Libya, Turkey, Africa, Australia, and the East and West Indies (Psa. 72, 148, 2, 76; Zech. 14; Rev. 11, 19–20; Jer. 30–31; Ezek. 38–39; Isa. 9:6).

5. Getting wisdom from God *directly* by asking for it (James 1:5). *Learning* wisdom by personally dealing with Jesus Christ Himself (1 Cor. 1:30; Col. 2:2–3) and studying the “wisdom books” in the Book (Job, Psalms, Proverbs, Song of Solomon, and Ecclesiastes), instead of wasting your time with the “Harvard Five Foot Shelf of Classics,” the *Encyclopedia Britannica*, the *Encyclopedia Americana*, *The World Almanac*, *The Guinness Book of World Records*, “The Book of the Month Club,” and THE LIBRARY OF CONGRESS—23,000,000 books.

When dealing with your own nature, your own wisdom and intelligence, your own talents and abilities, or the same traits in your fellow man (including ALL of his “peace making” and “peace processes” and “peace keeping forces”) *always take the NEGATIVE view*. Never flinch from it. *It has ten times the power of positive thinking where TRUTH and ERROR are at stake.*

It is the only SCIENTIFIC view that has been tested *more than 10,000,000 times daily through 6,000 years*; it has *always* proved to be NEGATIVE. No “Prince of Peace” (Isa. 9), no peace. No *purity* (James 3:17), no peace, No *righteousness* (Heb. 7:2), no peace. And no **“glory to God”** (Luke 2:14), no peace. Don’t look for peace like all of the religious leaders did in Jeremiah’s day or Lot’s day or Noah’s day (Luke 17) or Christ’s day or YOUR day (Rev. 6, 19).

You are to look for **“on earth peace, good will toward men”**(Luke 2:14) when the One who was born *when those words were spoken* arrives through the Eastern Gate (Ezek. 44:2), going slap through a cemented-shut wall, followed by *spiritual horses* (2 Kings 2, 6) *of fire* (Joel 2–3; Rev. 19; Hab. 3:15) and bringing with Him **“glory to God,”** “purity,” and **“righteousness”** (Heb. 1:8–9).

All of that is much too much a “chew off the quid” for any College or University professor in Europe or the Americas, so I must “desist” and put the **“sword”** (Heb. 4:12) back into its sheath. I am now way over the heads of Carlstadt, Masius, Father Pererius, MacKnight, Scarlet, Newcomb, Murdock, Trumbull, Father Richard Simon, La Clerc, Grotius, Ryle, Kautsch, Schultens, Lowth, Coeccius, Morinus, Klaussen, Amira Toy, Ley, Wellhausen, and Reus (*critical Bible scholars and revisers*).

At that “Eastern Gate” and “Moslem cemetery” east of the Golden Gate stuff, I have left Wilbur Smith, Culbertson, David Cloud, David Hunt, Tim LaHaye, Hal Lindsey, Curtis Hutson, John Rice, Shelton Smith, Bob Jones III, Sumner Wemp, Harold Willmington, Feinberg, S. M. Coder, Kenneth Wuest, Stewart Custer, Doug Kutilek, Homer Duncan, Charles Provan, James Combs, Elmer Towns, M. O. Wedge, S. W. Anderson, E. S. English, Marshall Neal, Fred Afman, F. F. Bruce, S. I. Johnson, Farstad, Free, Hindson, Dobson, Horton, and K. S. Kantzer (*apostate Fundamentalists and Conservatives in the twentieth century*) so far behind that you couldn’t see them behind you looking through binoculars.

When in doubt, throw ALL the other 22,999,999 books out.

That will be a *good exercise* for your power of “NEGATIVE THINKING.”

Not one of them could produce ONE LINE of anything you really needed to know about anything that was not clearly given, described, and applied between Genesis and

Revelation long before Columbus discovered America; and 75 percent of it was given long before (four centuries) the birth of Christ.

“*Sola Scriptura*” (Martin Luther).

If I had all 23,000,000 books in my house right now I could look for 100 years, reading 400 pages a day, and never find one ORIGINAL thought that was not either:

1. Found in *embryonic form* in a *King James Bible*.
2. Explained *in detail* in a *King James Bible*.
3. A watered-down “*redefinition*” of something found in a *King James Bible*.
4. An imitation or *counterfeit* of something in a *King James Bible*.
5. An *explanation* or *exposition* of something found in a *King James Bible*.
6. An attempt to get you to believe or *disbelieve* something found in a *King James Bible*.
7. An *application* of some truth stated in a *King James Bible*.
8. A story or poem to *illustrate some truth* already revealed in a *King James Bible*.
9. An attempt to *replace* the *King James* text with a different Bible.
10. A proverb, epigram, or joke to illustrate a truth already *defined* in a *King James Bible*.
11. The *use of quotations* from a *King James Bible* to prove anything from the deity of Mary (Rev. 12:1) to the Communist Manifesto (Acts 4:35).

Aside from TECHNICAL literature that uses *tradesmen’s terminology* (for example: books on medical matters, tables of logarithms, tide tables, planting charts, carpentry, mechanics, electronics, repairing gasoline motors, sales charts, books on home cooking, gardening, historical maps, textbooks on anatomy, genetics, math, geometry, etc.), the mass of writers on human nature, fiction, science fiction, religion, philosophy, society, the “humanities,” crime, law, justice, peace, war, politics, psychology, philosophy, human events, and the future cannot offer ANY sinner *any essential information* that is not found in a *King James Authorized Version*.

Whatever else the 23,000,000 have to contribute it is not ESSENTIAL to raising families, staying out of trouble, avoiding sin, helping your neighbors, paying your bills, making a living, maintaining good health, getting prayers answered, working for and getting rewards for serving Jesus Christ, and finally, landing in the right place—the right sea port, the right airport, the right landing strip “on time” to face a Judgment Seat of Christ (1 Cor. 3; 2 Cor. 5:10; Rom. 14:14), and an endless eternity of fellowship with man’s Creator—minus ALL NEGATIVES: sin, sorrow, pain, tears, bills, crying, disappointments, sickness, worry, handicaps, misunderstandings, hate, envy, and DEATH.

One Book can show you how to do all of *that*. What else could be “essential”? *Nothing*. No “traditions” are ESSENTIAL.

So the best thing all modern positive thinkers can do, in order to bring about three world wars (Rev. 6:4, 8, 19:11, 20:8–9) and the destruction of two-thirds of the human

race (Rev. 6:8, 9:15, 11:13, 8:7–12), is to *rid the earth of that one Book*. They (the NEA, FBI, District Court judges, Bible revisers, Supreme Court “justices,” college professors, the news media, and the ACLU) have been working on it (overtime) for nearly 100 years now. They will double their efforts this year.

All of them are “positive thinkers.”

“Positive thinking” would make a cup of strychnine or arsenic taste like a glass of iced tea. It will land you flat in Hell, along with 500,000 positive thinking religious leaders:

“Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven.

Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works?

And then will I profess unto them, I never knew you: depart from me, ye that work iniquity” (Matt. 7:21–23).

“But the children of the kingdom shall be cast out into outer darkness: there shall be weeping and gnashing of teeth” (Matt. 8:12).

Chapter 4

Playing With the Two-edged Sword

The only book in the Library of Congress that is so written that what the reader gets out of it is dependent upon his SPIRITUAL condition when he picks it up is the *Holy Scriptures*. Not one copy of any other “sacred scriptures” (see p. 13) exhibits that phenomenon. Mankind’s reaction to the Holy Bible is described in Jeremiah 38:1–6; Proverbs 13:13; John 8:40–48; and Acts 5:40 as hatred, resentment, and rejection. An exceptional reaction to the same Book is found to be exactly the *opposite* in 2 Kings 22:10–20; Isaiah 66:2; Acts 17:10–12, 34; and 1 Thessalonians 2:13.

Both reactions were predetermined by *the condition of the listener or reader*; they were not determined by the condition of the *wording in the texts*. This is easily proved by the fact that all cults and all heresies and all false teachings are “supported” by Scripture. Karl Marx bet his soul on Acts 2:44 and Acts 4:35. Seventh-day Adventists bet their souls on Matthew 5:19 and 1 John 2:3–4. Calvinists bet their souls on Romans 9:16 and Ephesians 1:4. Roman Catholics bet their souls on Matthew 16:18 and John 20:23. Jehovah’s Witnesses bet their souls on John 14:28 and Revelation 7:4–8.

The Book is not only a “life giver” (see John 6:63; 1 Pet. 1:24–25; Heb. 4:12–13) but a “death dealer” (Heb. 4:12; Hosea 6:5).

Anyone can USE it to prove *anything*. I have heard *Jesuit priests* cite Acts 12:17 to prove Peter was in Rome. I have heard *Campbellites* quote Mark 16:16 to prove you would go to Hell if a Campbellite minister didn’t baptize you. I have heard *Moslems* quoting John 16:13 and 14:26 to prove that a lying, epileptic, fornicating scumbucket was *the Holy Ghost*. I have watched *Clinton* put his hand on Galatians 3:28, at his inauguration, to prove *uni-sex* and equality of sexes. I have seen the *Popes* use Luke 2:14 (after altering the text) to prove that Christ gave up His millennial kingdom back in A.D. 33 and gave it to a bachelor priesthood of Gentiles, instead of the Son of David (Luke 1:31–33).

You can “prove” there is no eternal death; you can “prove” *baptismal regeneration*; you can “prove” universal salvation of the Devil and all the lost in eternity (Bullinger). I can “prove” it is “legit” to rob banks (Job 12:6), have a sex orgy in a church building (Amos 4:4), kill anyone you don’t like (Eccl. 3:3), hold dances (Eccl. 3:4), and *tempt God* (Mal. 3:14).

I could quote you verses to “prove” that God is all through with Israel forever, that neither Heaven nor Hell are *literal*, and that the “new birth” is nothing but a “new insight,” a “reformation,” “rethinking” something, or “seeing something in a different light.” Along with this I could quote you 100 verses in the New Testament that “prove” a Christian can become “unborn again” and *lose his soul*.

Now here is what YOU are *supposed* to believe and *not* supposed to believe,

according to the Author of the Holy Bible.

You can take every item here *positively*.

I. What He said about *His Son* (Matt. 17:5; Psa. 2:7).

II. What He said about *human nature* (Matt. 7:11; Isa. 64:6; Rom. 1, 3, 7; John 2:24–25).

III. What He said about the *future* of the UN (Zeph. 3:8; Matt. 13:40–42; Joel 3:9–17; Isa. 63:1–6; Psa. 2).

IV. What He said about the *three major races of mankind* (Gen. 9).

V. The contents of the *seven covenants* He made with man (Edenic, Adamic, Noahic, Abrahamic, Mosaic, Davidic, and the “New” Covenant—Matt. 26:28; Heb. 8:8–13).

VI. What He said about *salvation* “by grace through faith” (Eph. 2:8) being free; it costs you nothing (Rom. 5:15–17, 21).

VII. What He said about *everlasting shame and torment* (Dan. 12:2) in Hell (Matt. 13:40–42, 25:41; Rev. 14:10–11, 20:15).

IX. What He said about *Christian conduct* and *Christian morals* (Romans—Philemon).

X. What He said about loving you, guiding you, keeping you, and supplying your need as well as cleansing and saving you. (Note all CONDITIONS, if any conditions *accompany* a promise.)

XI. What He said about trusting HIM, *not* yourself; believing in HIM, *not* yourself; being proud of HIM and glorifying HIM, *not* yourself.

That last one (XI) strikes at the heart of the matters we are studying. You see, *all* “positive thinking” systems, recommended by *all* “positive thinkers,” wind up giving the credit and the glory to *the THINKER* of the thoughts—not to the GOD who gave the thinker *the ability with which to think*. Apostate Christians do not treat this matter any differently than any unsaved psychiatrist or demon-possessed necromancer on earth. The whole system was “me, myself, and I,” from the start (see p. 3, 40).

If some kid “lacks self confidence” because he has no “self esteem,” due to “abuse” or “not being accepted,” the genuine solution to his problem actually has nothing to do with him THINKING anything. *The answer is in the One who created him.*

“Or speak to the earth, and it shall teach thee: and the fishes of the sea shall declare unto theeWith him is strength and wisdom: the deceived and the deceiver are his.... He leadeth princes away spoiled, and over-throweth the mighty. He removeth away the speech of the trusty, and taketh away the understanding of the aged” (Job 12:8, 16, 19–20).

“And the LORD said unto him, Who hath made man’s mouth? or who maketh the dumb, or deaf, or the seeing, or the blind? have not I the LORD?” (Exod. 4:11).

“Then the word of the LORD came unto me, saying, Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee,

and I ordained thee a prophet unto the nations” Jer. 1:4–5).

“I can do all things through Christ which strengtheneth me.... But my God shall supply all your need according to his riches in glory by Christ Jesus” (Phil. 4:13, 19).

Notice in the Biblical system YOU never get credit for being good at anything or succeeding anywhere!

“Now therefore so shalt thou say unto my servant David, Thus saith the LORD of hosts, I took thee from the sheeppcote, from following the sheep, to be ruler over my people, over Israel: And I was with thee whithersoever thou wentest, and have cut off all thine enemies out of thy sight, and have made thee a great name, like unto the name of the great men that are in the earth” (2 Sam. 7:8–9).

“Thou hast also given me the shield of thy salvation: and thy gentleness hath made me great.... And that bringeth me forth from mine enemies: thou also hast lifted me up on high above them that rose up against me: thou hast delivered me from the violent man” (2 Sam. 22:36, 49).

You don’t see the difference yet? Try these:

“For I know that in me (that is, in my flesh,) dwelleth no good thing: for to will is present with me; but how to perform that which is good I find not.... O wretched man that I am! who shall deliver me from the body of this death? I thank God through Jesus Christ our Lord. So then with the mind I myself serve the law of God; but with the flesh the law of sin” (Rom. 7:18, 24–25).

“O thou king, the most high God gave Nebuchadnezzar thy father a kingdom, and majesty, and glory, and honour: And for the majesty that he gave him, all people, nations, and languages, trembled and feared before him: whom he would he slew; and whom he would he kept alive; and whom he would he set up; and whom he would he put down” (Dan. 5:18–19).

“And I prayed unto the LORD my God, and made my confession, and said, O Lord, the great and dreadful God, keeping the covenant and mercy to them that love him, and to them that keep his commandments; We have sinned, and have committed iniquity, and have done wickedly, and have rebelled, even by departing from thy precepts and from thy judgments” (Dan. 9:4–5).

“O Lord, to us belongeth confusion of face, to our kings, to our princes, and to our fathers, because we have sinned against thee.... Neither have we obeyed the voice of the LORD our God, to walk in his laws, which he set before us by his servants the prophets.... And he hath confirmed his words, which he spake against us, and against our judges that judged us, by bringing upon us a great evil: for under the whole heaven hath not been done as hath been done upon Jerusalem” (Dan. 9:8, 10, 12).

“The LORD killeth, and maketh alive: he bringeth down to the grave, and bringeth up. The LORD maketh poor, and maketh rich: he bringeth low, and lifteth up. He raiseth up the poor out of the dust, and lifteth up the beggar from the dunghill, to set them among princes, and to make them inherit the throne of glory:

for the pillars of the earth are the LORD’S, and he hath set the world upon them” (1 Sam. 2:6–8).

Haven’t “got the message” yet? Do you know what your problem is? *You are NEGATIVE*. You are refusing to *believe* what you *read*.

And if I did, I would join the Liars’ Club, right along with all the Roman Catholics, evolutionists, Moslems, Communists, Seventh-day Adventists, Charismatics, Calvinists, Mormons, Campbellites, Jehovah’s Witnesses, and all “Global Citizens.”

You see, the Lord God Almighty wrote that Book to DESTROY anyone who interpreted mankind or mankind’s history *in a positive light*. Conversely, He wrote it so that if any man loved sin or wanted to sin or wanted to cover up his sins, he could take the Book NEGATIVELY, by “allegorizing it,” “spiritualizing it,” or by “private interpretation,” thereby slitting his spiritual jugular vein from ear to ear.

No book on earth was ever written in that fashion.

That, alone, marks it out as “too hot to handle,” for its Author (*using human authors*) is confronted every time you begin to read it (see 1 Sam. 3:1, 7, 19, 21, 15:26; 2 Sam. 12:11, 14; 1 Kings 13:9, 21). *He is judging you while you read it*; hence it is said to be a “critic” (Heb. 4:12–13) of the READER. The intellectual “think tanks” (anyone listed on pp. 19, 51, 57, 79, 84, and 88 in this book) think *they* are critiquing it with “higher criticism.” *The truth is it was JUDGING them* (see John 5:45–47) *while they read it*.

Compared with such a Book, silly, shallow, pseudo-philosophical nonsense, like the “Holy” Koran or the “Holy” Puranas or the “Holy” Missal or the “Holy” Zendavesta, turn out to be simply childish twiddle-twaddle. Those writings can judge or criticize no one, for they are DEAD literature. *Their authors never came up from the dead* (1 Cor. 15:4–6).

One reading through the *Koran*—I’ve been through it about fourteen times in five conflicting editions—will show any sixth-grade child in Daily Vacation Bible School (DVBS) what he is dealing with. Both “Allah and His Messenger” (formerly “Allah and His Apostle”) were two of the DUMBEST, *most ill-informed*, religious amateurs who ever tried to counterfeit the “**holy scriptures.**”

Poor old “Allah” is so blind he covers up for Satan for 114 chapters by omitting to tell you:

1. What Satan said *before* Genesis 2.
2. His status as a *Cherub* (Ezek. 28).
3. The *animals* he represented as Cherub (Ezek. 1, 10).
4. His connection with *music* and *song leading* (Ezek. 28:13–15).
5. His *FIVE descents* from the third heaven and when they took place (Gen. 1; Luke 10; Rev. 12, 20).
6. His advent as the “**son of perdition**” (2 Thess. 2).
7. His identity as a *man* (Isa. 14).

8. His *thirteen types* in the Old Testament.
9. His main occupation (Gen. 3:1).
10. His *titles* besides “Satan.”
11. The *nature* of the three temptations as they related to what the Scriptures *commanded Christ to do at the Second Advent*.
12. His unique hatred for *one nation* on earth (Rev. 12; Ezek. 38).
13. His *conversations* with God when dealing with the saints (Job 1).
14. His *position* as the “god” of Arabia, Morocco, Algiers, Pakistan, Afghanistan, Saudi Arabia, Indonesia, Libya, Turkey, and all other governments in Europe, Africa, the Americas, etc.

This ignorance of the second highest and most powerful intelligence in the universe apart from God Himself (see Ezek. 28:12, 14; Gen. 3:1) on “Allah’s” part is unforgivable. Any moon god so selfish (*or stupid*) that he would “conceal” Satan’s “comely parts” (see Job 41:12) so the saints would not know *who he was, where he was, when he worked, how he worked, why he worked that way, etc.*, was either an illiterate epileptic like Mohammed or else he was a careless, selfish, demoniac egotist like Yasser Arafat.

This same monumental *ignorance* on Allah’s apart (and his “Messenger”) is manifest a hundred ways when one lays a *King James Bible* alongside ANY edition of a *Koran*, in ANY language. “Allah and his Messenger” know *nothing* about:

1. The New Birth.
2. The *location* of Hell compared to the *location* of the Lake of Fire.
3. Justification by *faith* or imputed righteousness.
4. The seven *judgments*.
5. The seven *mysteries*.
6. The seven *baptisms*.
7. The seven *resurrections*.
8. The *conditions* of the coming kingdom.
9. The rebuilt *temple* on the Dome of the Rock (Ezek. 40–48).
10. The “end of the times of the Gentiles” vs. the “*fullness* of the Gentiles.”
11. *The desecration of the Moslem graveyard on the east side of Jerusalem*.
12. The *measure* and *contents* of the New Jerusalem.
13. The pre- and post-Tribulation *raptures*.
14. The worldwide *dictator*: his mark, number, sign, letter, name, race, and religion.

This monumental, blatant, blasted, searing, religious IGNORANCE of spiritual things and *future history* on the part of “Allah and His Messenger” is so obvious as to be embarrassing. Neither Allah nor his Messenger knew *one thing* about future history that Jean Dixon, Fred Astaire, Madonna, Princess Di, Hillary Clinton, the four Marx brothers,

Abbott and Costello, or Rodney King didn't know.

It is so embarrassing that the only real solution any Moslem has for defending a block-headed, ignoramus "god" (and his "messenger") is to *KILL YOU*. That's what Moslems have been doing since A.D. 600. The best *defense* of the *Koran* would be to get rid of every Holy Bible on earth, for it is a disastrous, *detailed analysis* of more than *fifty essential truths* that Allah and Mohammed knew nothing about whatsoever.

The Book is a two-edged sword (Heb. 4:12). Since no Moslem *has* such a book he has to arm himself with a fleshy weapon—a *carnal sword* and defend a book that (where it deals with *anything* historical in the future) is little more than a bad joke book.

You see, *here* is how any *real*, American "positive thinker" would read a Bible:

1. "God hath granted REPENTANCE to the Gentiles." "Wonderful! Great! Good news! Boy what a *blessing*."

2. "Except ye repent, ye shall all likewise perish." "Well now, that is a little hard to *understand*; after all, a *tower* is not going to fall on *me*! We can do without that verse."

3. "He that believeth and is baptized shall be saved!" "Good, fine. That puts me in A-1 condition."

4. "But he that believeth not shall be damned." "Well, that's putting it rather strongly; he *really* just meant 'condemned.'"

5. "He that believeth on me shall have everlasting life." "Glory to God! Isn't that wonderful?"

6. "That they all might be DAMNED who believed not the truth." "Well, after all, 'what is truth?' Truth is a *relative* term."

7. "He that believeth on him is not condemned." "My, what good news to preach! *Preach it, brother!*"

8. "He that believeth not is condemned already." "Well, that is rather 'judgmental,' don't you think? I mean, if God is love I'm sure He'll give everyone a *second chance*."

9. "Blessed are the peacemakers: for they shall be called the children of God." "Oh, what a lovely thought! That is how to bring peace on earth! *Oh, what a wonderful Book the 'Word of God' is!*"

10. "Think not that I am come to bring peace on earth: I came not to send peace, but a sword." "Well, Jesus might have said *something* like that, but He wasn't referring to the 2,000 years of *war* that followed His birth."

11. "God is love." "Well, good then, nobody has anything to worry about; *God is everyone's Father*."

12. "Our God is a consuming fire." "Ye are of your father the devil." "Those verses don't need to be preached; they would be very *nonproductive*. After all, Christ was just accommodating Himself to the ignorant, *nonscientific* people of His age and time."

13. "Judge not, that ye be not judged." "Oh, praise God, I won't judge anymore! There is plenty of *good* in serial killers, whoremongers, gamblers, sex perverts, dictators,

idolators, and sadists.”

14. **“He that is spiritual judgeth all things.” “Know ye not that we shall judge angels?”** “Oh, I didn’t see those verses! Well, they probably aren’t a *correct translation of the original*, and besides, that was just Paul’s *opinion*. Jesus Christ corrected him in Matthew 7:1.”

15. **“Charity...thinketh no evil. Speak evil of no man.”** “Good! My pastor never does. He always has something good to say about everyone.”

16. **“The Cretians are liars, evil beasts, slow bellies.” “Ye serpents, ye generation of vipers, how can ye escape the damnation of HELL?”** “Ah, well—uh—some parts of the Bible are not to be taken *literally!*”

17. **“Love one another: for love is of God.”** “There! That’s the solutions for all of the world’s problems!”

18. **“Shouldest thou love them that hate the Lord?” “Avoid them.” “Love not the world, neither the things in the world.” “If a man love me, he will keep my words.” “Ye therefore hear them not, because ye ARE NOT OF GOD.”**

“Well, Christ ate and drank with unsaved sinners so we can too, and besides that, His *words* no longer exist since we no longer have the *original* manuscripts.”

Now *that* is a brief (a very brief) sample of the *mental processes* and *intellectual responses* of any sinner who has been brainwashed and “programmed” by the NEA and TV, in conjunction with the news media and Hollywood. His mind is *programmed* to reject TRUTH if the truth is not “palatable.” “Smooth down the text [see Phil. 3:8, 21; 1 Cor. 1:18; Eph. 4:9] to ears polite and snugly keep damnation out of sight.”

Here is the positive thinker’s “New Testament”: Philippians 4:8; Ephesians 1:3–11; 5:1–2, 19–20, 2:4–10, 3:15–19; Galatians 3:27–29, 5:1, 6:2; 2 Timothy 1:7, 2:24–26; 1 Timothy 3:2, 4:12–16; 2 Thessalonians 2:13–16; 1 Thessalonians 4:9–18, 5:12–15; Colossians 1:9–23, 3:14–17; Romans 4–6, 8, 10; John 1, 3–5, 14; most of Matthew 5–7; and about one-tenth of Mark, Luke, and Acts.

It comprises less than one-twentieth of the New Testament.

There is no use to try to lure such a brainwashed *dupe* into even studying the Old Testament, for it ends with a **“curse”** (Mal. 4:6). It also predicts the *total destruction* of the UN, every major religion on earth, every governmental agency in America (EPA, IRS, FBI, CIA, OSHA, ACLU, NEA, AMA), both houses of Congress, the State Department, the Vatican, the Trilateral Commission, the Masons and Bilderbergers, the Illuminati, the “Club of Rome,” and more than 20,000,000 books in the Library of Congress, *since they will be needed by NO ONE* after Luke 1:31–33 and Zechariah 14:1–14 takes places.

Do you “get the picture” yet? I mean the TRUE picture; not the ones that come out of Chicago, Los Angeles, and New York.

If you can get any stupid college graduate or any educated sucker of that caliber to practise “positive thinking,” you can eventually get him to believe ANYTHING he is *inclined* to believe.

That is the method or propagating the biggest hoaxes on earth. These hoaxes are constantly supported, promoted, and propagated with tremendous success. No one except a POSITIVE THINKER could be swindled and robbed and blinded as people who believe:

1. That Bob Jones University has a “*BIBLE* department.”
2. The UN helps “keep *world peace*.”
3. That Santa Claus comes down the chimney.
4. That Zane Hodges, David Hunt, or Shelton Smith ever read THE “*SCRIPTURES*” a day in their lives.
5. That Hindus, Buddhists, and Moslems have “*holy scriptures*.”
6. That God is everyone’s *Father*.
7. That Popes are *Bible-believing Christians*.
8. That Jack Benny was president of General Motors.
9. That no American can burn in Hell.
10. That William Clinton was an American *patriot*.
11. That “man is the measure of all things.”
12. That man *evolved* from animals and animals evolved from inorganic rocks.
13. That Jesus Christ was crucified on *Friday*.
14. That Mary had only *one* son.
15. That Donald Duck lives in Anaheim, California.
16. That Dr. A. T. Robertson and Philip Schaff were “*Bible* scholars.”
17. That Snoopy fought the Red Baron.
18. That Augustine was a great *Christian* scholar.
19. That Origen was a *saved* man.
18. That Christ had red-*brown* hair and *blue* eyes.
20. That Sinaiticus and Vaticanus are *reliable* Greek texts.
21. That Ulster is “*North Ireland*.”
22. That “double separation” produces *spiritual* preachers.
23. That Christian education produces *spiritual* young people.
24. That the *NIV* is a “reliable” translation.
25. That Purgatory and Limbo are real places.
26. That the Lord’s supper and baptism are “sacraments.”
26. That Michael Jackson was Secretary of State.
27. That it is a sin to shoot a dove or sell a dog.
28. That *John Wayne* fought at the Alamo and in World War II.
29. That the Federal Reserve Bank is a *federal agency*.
30. That there was a “revival” in Toronto and one in Brownsville, Florida.
31. That “Ole’ King Cole” and “Nat King Cole” were brothers.
32. That Tinker Bell and Little Goody Two-shoes were lesbians.

There is nothing that can equal “the power of positive thinking” when it comes to producing mass delusions, deception, confusion, unreality, and absurdity.

No Christian (in any version of the Bible) is warned against belittling himself or having an “inferiority complex.” Instead, he is warned as follows:

“For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith” (Rom. 12:3).

“Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits” (Rom. 12:16).

That is the exact OPPOSITE of everything you will find written by Norman Vincent Peale, A. J. Cronin, Earl Stanley Jones, and Robert Schuller and Co.

One can only come to one conclusion if he, or she, spends any amount of *believing time* in the Scriptures. It is obvious that there is a SPIRIT in the world who works in the MINDS of men (Eph. 2:1–2; Heb. 9:14). *It infects nearly every adult alive on five continents.* It is basically a spirit of self-righteousness and self-justification that seeks *self-preservation* by any means. This is the spirit that the Apostle wrote about when he said:

“Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; Speaking lies

in hypocrisy; having their conscience seared with a hot iron” (1 Tim. 4:1–2).

“Hereby know ye the Spirit of God: Every spirit that confesseth that Jesus Christ is come in the flesh is of God: And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world” (1 John 4:2–3).

“Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience” (Eph. 2:2).

It is a spirit from the one who said “YES” (Gen. 3:1—“**Yea**”) to Mother Eve.

It is the spirit that speaks through every false prophet in the Old Testament about which God warned Israel about (Deut. 18:19–22; 1 Kings 18:36–40, 22:19–25; Ezek. 14:7–10, 13:4–6; Jer. 27:9–14, 28:12–17, 23:31–40; 1 Thess. 5:3).

This “spirit” is “hung up” on one word: “**PEACE**” (Jer. 8:11, 14:13–16, 23:16–22; Ezek. 13:6–10; Deut. 29:19).

And this explains why *no* positive thinker is SANE when he attempts to speak on *that* subject (see pp. 29–32, 39).

Chapter 5

“Double Speak” and The Dissenting Minority

Just as “humanism” is a polite term for “atheism,” news media “double speak” is a polite term for *LYING*. All “double speak” is aimed at making a *negative* object look *positive* or *sound* positive. The trick is to varnish or shellac (“whitewash” in Matt. 23:27) anything that is dirty, disagreeable, distasteful, offensive, upsetting, hurting, damaging, crooked, immoral, inferior, or filthy and make it *appear* to be at least tolerable or acceptable or reasonable or, if possible, make it even desirable, necessary, *productive*, positive, progressive, or *healthy*. (See p. 126 for a crown example.)

This desperate lying does not become full blown in America until 1933 when FDR appears. It assumes gigantic proportions under Adolph Hitler in Germany, six years later (1939), and then emerges from World War II as a colossal international blanket of false reporting, twisted news, revised histories, lexicographical cover-ups, “slanted” news items, and out-and-out lying propaganda (Russia, America, and China in particular).

This is the news media’s “baby.” It is their day to shine! They gave birth to it on an international scale, so it now operates full-time on *all* TV channels, through *all* major weekly and monthly magazines, *all* major daily newspapers, and twenty-four hours a day on National Public Radio. *It is basically a FEMININE operation*. It is the product of unrealistic minds that want to make things LOOK good or APPEAR practical while they are rotten, impractical, useless, and *dangerous*.

We have mentioned three of these news media crusades before: 1. Race mixing in the schools. 2. The repeal of prohibition. 3. Gun control laws.

If a list were drawn up, it would look like this:

IN: “Sanitary landfill” OUT: City dump

IN: “Funeral home” OUT: Morgue

IN: “Cemetery” OUT: Graveyard

IN: “He expired” OUT: He died

IN: “Black or Afro-American” OUT: Colored or Nigger

IN: “Gays” OUT: Sodomites

IN: “AIDS” OUT: GRID

For the third time! Got the picture yet?

Hitler called a “*death gas chamber*” a “SHOWER ROOM.” He called “*genocide*” a “final solution” (Arafat and the UN call a Moslem terrorist organization [PLO] a Palestinian “AGENCY” or “ADMINISTRATION”).

Now look at the length to which this hyper-feminine, hyper-false-front, hyper-lying was carried after 1964.

“Affirmative action”: i.e., *racial discrimination* covered up with a coat of whitewash (or blackwash).

“Behavior modification”: *compulsory brainwashing to censor free speech.*

“Values clarification”: ridding children of the *Ten Commandments* and belief in the *Bible*.

“The War on Terrorism”: an *invasion* of Afghanistan and Iraq to secure *oil lines* and protect the *drug traffic*.

“The Palestinians”: *three million Moslem terrorists* who entered Palestine *after 1967* backed up by the Hamas, the Al Fatah, the Fedayeen, the Hizbullah, the Arab League, and the Moslem brotherhood.

No patient ever DIES; he is just the “subject of negative patient CARE outcome.” Observe, that the twisted mind of this perverted lunatic has inserted the word “CARE” so as to get your attention off the word “NEGATIVE.”

“Acid rain” is not “acid” at all; it is just “poorly BUFFERED precipitation.”

Who could be the authors of this depraved type of LUNACY?

“Teachers” are really “classroom managers” (i.e., *they are unfit to teach so they TEACH nothing.*)

The Mafia has no connection with criminals, gangsters, thieves, gamblers, bookies, loan sharks, or “hit men.” They are all simply “members of a career-oriented cartel.”

Someone is trying to *pretend* that killing, fraud, lying, swearing, mugging, stealing, raping, and even torture have no existence.

Who could these positive thinking lunatics be? Bet you ten to one 90 percent of them are COLLEGE GRADUATES!

If you leap off a fifty-story building the only thing you will suffer is a “sudden declaration-trauma.”

No one is guilty of “*drug addiction.*” They are just nice folks who have “pharmacological preferences,” when dealing with “substance abuse.”

Dopeheaded doctors are just really “impaired physicians,” and wheelchairs have attained the status of “assistive devices” from “resource centers.”

Ink is not *ink*; it is “writing fluid.”

Khomeini called *genocide* “moral purification.” All Moslems refer to Jewish *genocide* as “ethnic cleansing.”

Why, your modern “positive thinker” would make Adolph Hitler look like an English gentleman, when it came to LYING!

When you kill your own troops it is due to “accidental delivery of ordnance equipment” and killing several thousand civilians with bombs is simply “collateral damage.” The suicide bombers in Palestine are not terrorists at all: they are simply “*activists engaged in intensity conflicts.*”

Who on earth are the deranged MAD MEN (or women) who are writing this outrageous nonsense?

Can't you guess? They are all *college-educated journalists or editors or government bureaucrats*—30 percent of them being *women*.

When females were shoved into basic infantry training so they could fornicate with the troops (1965–1985) it “*facilitated* the Army's toughening goals to *ENHANCE* the *SOLDIERIZATION* process.” (I know you can't believe that, but a lot of MORONS can!)

See that NEA “buzz word” (“soldierization”). Do you know what it really means? *It really means “Puss-in-Boots vs. Goldilocks and the Three Bears.”*

Idi Amin's black killing squads, who murdered more than 100,000 black civilians, were not “soldiers” or “terrorists,” or even “policemen” or “law enforcement officers.” They were “*State Research Units.*”

That was CBS, *Time* magazine, NBC, *Life* magazine, ABC, *USA Today*, CNN, *Newsweek*, and National Public Radio between 1964 and 2004.

Want some more of this “power of positive thinking,” which was all done to cover up murder, pornography, torture, fraud, VD, terrorism, drug addiction, drunkenness, abortions, apostasy, jail populations, filth, dirt, crime, sex perversion, sewage, genocide, divorce, illiteracy, and demonism?

Three “cruise missiles” crashed, killing several dozen people, because “they *impacted* the ground prematurely.” (Yea, you jackass; I bet they did!)

Cursing, kicking, screaming filthy brats disrupting a classroom simply have “attention deficiencies.” Teachers are “learning facilitators” who have “instructional delivery skills.” (I.e., they can teach *nothing*, and no one can learn *anything* from them.)

If half of their illiterate students learn nothing from their “skills,” the students have “poor grapho-motor representation.” Do you know what *that* means? That means “*once a Dodo, always a Dodo, unless you turn into a Gooney bird.*”

A thermometer should coast at least \$2,000, for it is actually a “DIGITAL fever COMPUTER.”

No student can *pass* a course or *flunk* a course. He can only increase or decrease in “effort” with his efforts being “minimal, maximal, or less than minimal.”

“Capacity management and space planning space controllers seek to avoid spoilage of seats” (airline junk).

Interpretation: a bunch of *black women*, who can't *handle computers*, overbooking passages on planes so someone has to get dumped off *AFTER they have paid for their ticket*.

A lowly bathroom scale is now an “ultra-thin, micro-electric weight SENSOR.”
Interpretation: that will be \$5.00 more than what it is worth because it SOUNDS more complex. You pay for computer words invented to make something that is *plain* and *cheap* something *complex* and *expensive*: “possibility thinking” if you ever saw it, entrepreneur!

Look at the vast “vistas” of “pioneering business” this could create!

1. Call *land-stealing* “environmental protection.”
2. Call *illiteracy* “social promotions.”
3. Call an *armed invasion* of foreign troops a “peacekeeping force.”
4. Call *Satanism* “global consciousness.”
5. Call *censorship of speech* “sensitivity training.”
6. Call *denial of reality* “behavior modification.”
7. Call *population control* “GUN control.”
8. Call *child discipline* “child abuse.”
9. Call idolatry, polygamy, *jungle music*, filthy lyrics, and drunken parties “cultural diversity.”

In short—*LIE YOUR WAY THROUGH*.

That is what the NEA, the TV channels, the radio stations, and daily newspapers have been doing in America now steadily for over *half a century*.

The *fruits* of this lying are the largest jail populations on five continents, and more coming. “Positive thinking” is ten times as deadly as phosgene, mustard, or chlorine gas.

Want to get along in the global family with a global consciousness that you are a global citizen? Piece-a-cake. Change your speech. Conform to the POSITIVISTS. For example, never say these words:

Short, poor, stupid, old, bald, lazy, unemployed, fat, bankrupt, or ugly.

You see, in this great, new, FEMININE-GAY global family you must not *offend ANYONE*. Nobody is short or bald or fat or old or lazy or stupid or ugly: NOBODY.

Short people are just “vertically challenged.”

Stupid people are just “cerebrally challenged.”

Bald people are just “follicularly challenged.”

Ugly people are just “aesthetically challenged.”

Lazy people are just “motivationally dispossessed.”

Poor people are just “economically marginalized.”

Old people are just “chronologically gifted.”

Unemployed people are just “non-waged” (ain’t that a trip?).

Fat people are just “persons of substance.”

And when a Savings and Loan company goes bankrupt, it isn’t bankrupt at all; it is just become “a fiscally challenged institution.”

That is Bush’s “NEW AGE.”

That is the UN in downtown New York. Four million hypocrites per square mile.

For the benefit of all the Pablum Pukes (*all* journalists, news analysts, commentators, and students and teachers of the “humanities”), I will prove that last statement by taking the history of one killer among several dozen “serial killers” (Helene Jegado, Gerald Gallego, Henry Howard Holmes, Charlie Manson, Ivan Milat, Henry Lucas, Andrei Chikatilo, Jack the Ripper, Son of Sam, Ted Bundy, et al.) and “elaborate” on him. Like Donald “Pee Wee” Gaskins and Jeffrey Dahmer, this particular killer was also a *cannibal*. His name was Issei Sagawa; he was a Japanese student who lived in Paris (1981).

Sagawa became an author and a celebrity AFTER the following things took place. He served four years in prison for the following “display.”

In his third year at a University he fell madly in love with his thirty-five year old German teacher. Since he constantly daydreamed about knocking her unconscious and *biting into her flesh*, he finally climbed into her window at night and got in bed with her. When he touched her she woke up screaming. Sagawa “bolted” and was arrested the next day. Later, when he got out, he invited a prostitute to come to his room. He followed her into the bathroom *with a six-inch knife*, but changed his mind at the last moment and left her alone after fornicating for awhile.

Sagawa tried the same thing again, two months later, with another prostitute, intending to shoot her with a hunting carbine. Again, he let her off with “scoring,” but he did tell her about his interest in cannibalism. (At this time, he was completing his *doctoral thesis* on Shakespeare’s *Tempest*.) He then picked up a young Dutch student named Renee Hartevelt. They dated (wined and dined) several times. Then he tried to kill her with his carbine but it *misfired*. At that instant Renee was reading, and she didn’t even look up to see what was going on behind her. *Sagawa had the muzzle six inches from her head*.

On June 11, 1981, after trying (and failing) to kill her twice, Sagawa finally “achieved his goal.” He dropped her with one shot. Then he stripped her and then took a *good bite out of her buttocks*. It didn’t taste too good. “It was too resilient,” he said. So he cut out a hunk of it with a carving knife and found what he wanted: some real sirloin “red meat” under a layer of yellow fat.

Well, sir; *this college-educated, postgraduate EVOLUTIONIST* (Rom. 1:22) took *another bite* and found it to be as soft and edible as “tuna fish.” Being hungry that day, he sliced another “cut” off the cadaver; this time from *the thigh*. After he swallowed that *he raped the corpse*.

Ready for some POSITIVE THINKING?

Thirty minutes later he sort of “came to himself”—whoever that was!—and made plans to get rid of the body. He pulled her into the bathtub and *dismembered her* (see Judg. 20:6). He then sliced out various “cuts” (“high on the hog” and “low on the chicken,” as we say “down home”!) and stored them in his refrigerator.

Well, Sagawa left the dismembered body in the tub for *three days*, and during that time feasted off various parts; *this time cooking most of them*. Between *meals* he would visit with friends, go to the movies, and so forth. Anybody care to do some “possibility thinking”?

On the evening of June 13, 1981, Sagawa managed to stuff what was left of his girl friend into a couple of suitcases, boarded a taxi, and was driven to the Bois De Boulogne park. (I’m not making this up, you know!) Not having the sense that God gave a brass monkey, Sagawa got out of the taxi in full sight of some late-night strollers and some customers who were eating in a nearby restaurant and headed for the lake. When he saw he was being watched, he panicked, dropped both suitcases, and ran.

No “possibility thinking” yet—right?

It wasn’t difficult for the police to run Sagawa down after that performance. Sagawa was judged to be insane and committed to the Henri Colin Asylum in Villejuif. While there, he wrote a long letter to Renee’s parents apologizing for having eaten her. They refused to receive the letter. [*They must have been NEGATIVE thinkers!*]

Then a Japanese film company wanted to make a film about him, so Sagawa corresponded with a playwright (Juro Kara) about it and at the same time wrote his own autobiography called *Letters From Little Sagawa*. Lo and behold, after spending *four short years in a nut house*, the cannibal killer was set *free* and sent back to Japan!

When Sagawa arrived there he found out he was not a cannibal killer at all; he was a news media “god”—*a celebrity*.

The Japanese police wanted to try him, but the French would not send them any records on him because if the Japs found him *guilty* “IT WOULD AMOUNT TO AN OPEN CRITICISM [*NEGATIVE!*] OF THE JUSTICE SYSTEM.” (Ahh! Now we’re warming up to our subject!).

So Sagawa spent *thirteen months* in the mental ward of a Japanese hospital for killing young women and eating them.

Now! After all this, do you know what the AUTHOR of *The Mammoth Book of the History of Murders* has to say? Can’t you guess?

Well, Colin Wilson says that he first met Sagawa in 1991. He says that Sagawa “who looked so sinister” in news media photos actually “seemed to be a *normal* human being.” Positive thinking! (That is exactly what Renee Hartevelt thought.) Wilson said Sagawa was “rather shy and reserved but obviously *FRIENDLY*” (p. 589).

“Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is the enemy of God” (James 4:4).

“And he said unto them, Ye are they which justify yourselves before men; but God knoweth your hearts: for that which is highly esteemed among men is abomination in the sight of God” (Luke 16:15).

“I found him to be totally *HONEST* and *FRANK*.” Positively! Here is a *fine, friendly, honest, and frank cannibal killer*. He confessed that he still did find cannibalism exciting (p. 589). Wilson, just as positive thinking as any unregenerate, Bible-denying, *college-educated* monkey man (Darwin, et al.), said that this confession “*INCREASED MY RESPECT*” for him.

Moral lesson: *you should respect a frank and honest murderer* (see Num. 35:17, 21, 29; Rom. 13:4) *if he is FRIENDLY!*

Ahh! Now here we go! Heeeerrrs Johnny!

Wilson, after claiming that all serial killers blame *someone* else or *something* else for their conduct declares that this murdering cannibal was “*A GENTLE, SHY, AND AFFECTIONATE HUMAN BEING.*” (Ahhh, there it is!) *Sounds like someone describing a HOMOSEXUAL rapist.*

He then pours out sympathy on sympathy on the cannibal and declares that the PRESS and TV actually “*ATE Sagawa*” by *negative publicity* (p. 591). The pot (the press) cannot call the kettle (cannibal killer) “black.” If he had been George Wallace, Barry Goldwater, Richard Nixon, George Bush, Morton Downey Jr., or the president of the American Rifle Association, they could have been “blackened” until he looked like Amos and Andy.

There is “prejudice” and then there is “prejudice” (see *Discrimination: The Key to Sanity*, Bible Baptist Bookstore, 1994).

So what did Colin Wilson do after listing all of the “causes” for Sagawa’s conduct and carefully *OMITTING* one single reference from any *Bible* about the *Biblical treatment* of such conduct (!)? Well, he did just what every serial killer did in the history of murder: he passed the buck. Sagawa was *innocent*. The *guilty* parties were:

1. His mother, since the main thing was that he was born *underweight* (p. 580).
2. A *party* on New Year’s Eve where his UNCLE (Mitsuo) played the part of a flesh-eating giant.
3. The *game* “stamped itself” on Sagawa’s imagination.

This was proved by evolutionists applying “imprinting” to baby ducks (p. 581). Freud proved it by showing one child out of 200 has “sexual urges” (Before 10? Before 8? Before 5? *How about before 2?*)

4. *The movies*: especially those starring Marilyn Monroe, Grace Kelly (both of them habitual fornicators), Marlon Brando, and Humphrey Bogart.

5. Sagawa had made a mistake in reading *War and Peace* and *Shakespeare*, and he was corrupted by the music of *Handel* and *Beethoven* (p. 581)!

There it is. There it is like a pile of dead shrimp on a manure heap. That is “quality education” of the highest sort that America and Europe have to offer in the twenty-first century.

Colin Wilson doesn't fail to justify at least fifteen of his killers by *applying Freudian psychology and Darwin's theories of animal origins to their "trouble."* Neither God or the Devil had any real hold on any killer. *Not one killer turns out responsible to ANY God before or after his own death.* Every killer was a "victim of accidental circumstances" over which he had no control. Sagawa's case is a cameo performance of Rev. Schuller (California) and Norman Vincent Peale "in action."

Moral? You can always trust a cannibal killer if he is shy, *gentle, friendly,* and "affectionate." If he *kills you and eats you* that is *your fault* for not sympathizing with his BACKGROUND.

"Way to go, baby!" **"Speak evil of no man!" "Judge not, that ye be not judged."** Quote Scripture, you Bible-denying *apostate!* Make yourself look good. The Book says more about killers and cannibals (Deut. 28:52–57; Lam. 2:20, 4:10, 2 Kings 10:7, Judg. 4:21–22, 2 Kings 6:28–29; Jer. 52:10–11) than you would care to read about. Read Colin Wilson instead; you'll get a more positive outlook.

Positive thinking will get you killed and eaten.

Now in the midst of this literal maelstrom of stupidity, deception, fantasy, falsehood, insanity, hypocrisy, and DEATH, one can still find some "signs of the times" (at least in America) which show that somewhere there are still some SANE males with *common sense* who are not taking any of it seriously. These anonymous "authors" write on *bumper stickers* and publish little booklets called *Murphy's Laws*. This tiny handful of MALE Americans have retained their sanity through 1933–2006, despite this barrage of insanity that bombards them and their families (and their bosses and elected officials) twenty-fours a day, 365 days a year.

"Murphy" and the bumper stickers are supplements to each other. One dares to declare that there is ten times as much *truth* in the NEGATIVE observances of everyday life than there is in anyone's "positive thinking" about themselves. The other one (the stickers) manifest a polemic, militant resistance to EVERY kind of positive, progressive, humanist, sweet, wonderful, friendly, gentle, do-gooders "gaffed act" that the press, the educators, the religious leaders, and the bureaucrats are trying to promote or "push."

Within these two humorous "anthologies" lie more real wisdom than anyone could get in twenty-eight years of formal education at *five Universities*.

For example: after 30,000 hours of babbling, blabbering, and brainwashing in order for federal bureaucrats to *steal your property* by appealing to "KINDNESS TO ANIMALS"—all five TV networks, all public school systems (including primary and middle schools), all political platforms of both parties—you get this:

1. "Keep your city clean; *shoot a pigeon.*"
2. "Learn how to *microwave cats* for fun and profit."
3. "Nuke the *unborn baby whales.*"
4. "Be kind to animals; *kiss a shark.*"
5. "It's 10:30 p.m. *Do you know where you CAT is?*"

6. Save the whales. Collect the whole set.

These “irreverent” Americans are the only ones left who have any *sanity*, since God’s “environmental program” for the “environment” on all five continents is given in Isaiah 24; Jeremiah 25; Isaiah 34; and Revelation 6–19. *It is three and one-half years of worldwide drought, hail stones weighing eight pounds apiece, earthquakes and tidal waves (Rev. 6, 9, 14, 16), scorching droughts and heat, destruction of vegetation, volcano eruptions, red tides and water pollution (Rev. 16:3–6), topped off with the TOTAL BURNING UP OF PLANET EARTH.*

“But chiefly them that walk after the flesh in the lust of uncleanness, and despise government. Presumptuous are they, self-willed, they are not afraid to speak evil of dignities.

Whereas angels, which are greater in power and might, bring not railing accusation against them before the Lord.

But these, as natural brute beasts, made to be taken and destroyed, speak evil of the things that they understand not; and shall utterly perish in their own corruption;

And shall receive the reward of unrighteousness, as they that count it pleasure to riot in the day time. Spots they are and blemishes, sporting themselves with their own deceivings while they feast with you” (2 Pet. 2:10–13).

Why take ANY “environmentalist” *seriously*? He is just one more lazy crook trying to steal land and money with NEA “double speak.”

Any adult, SANE, American MALE could spot these shysters in less time than it would take to turn on a light switch.

1. “My son is an honor student at...high school.” He is? Well, here is a SANE counter sticker: “My son can *beat up* your honor student.”

2. “Careful, Baby Aboard.” Sane counter sticker: “Careful. My mother-in-law is *in the trunk*.”

3. “I brake for animals.” Counter: “*I brake for unicorns*.”

4. “\$100.00 fine for littering.” Counter: “Keep America clean. *Swallow your beer cans*.”

5. “Keep America beautiful; don’t litter.” Counter: “Keep American beautiful; *get a hair cut*.”

6. “Support gun registration!” Counter: “Stop forest fires; *register your matches*.”

See the positive and the negative? Some realists are *making fun* of the government’s humanistic, sentimental, impractical attempts to ENFORCE the news media’s *feminine opinions*.

Note no. 1. Who but a conceited ass would want 5,000–100,000 strangers in their city to know *their son* was an “honor student”? Why, if that half-baked, high school intellectual was living in 1890 or 1910 he *could not have passed an ENGLISH test or a HISTORY test in Junior High School*. Who doesn’t know that? *I have copies of the tests*.

Any high school student in 1990 that could make an “A” average through three years of high school would have made 8 percent “Cs” in 1890, and 10 percent Ds, and probably would have passed the rest of the courses “on condition.”

Worried about “*air pollution*”? Why not throw forty TV shows off the channels immediately and fifty FM radio stations that “rap” and “rock”?

In Missoula and Kalispel, Montana (back around 2001, 2002), the Lord graciously put so much pollution into the air (right near Glacial Park!) that you couldn’t see the mountains surrounding those cities, although the ranges were not twenty to forty miles away. While doing it, He graciously burned out somewhere around 800,000 acres of timber and all the “white owls” with it. The EPA had to hire “smoke jumpers” from Australia to come over and slow the fires down because the EPA had run the lumbermen out of the country and *thus erased all of the fire breaks they had made and the roads they had made to haul lumber*. This meant that the fire trucks had no roads, and the fires burned over the “lanes” as they were now dry bushes and thickets eight feet high.

Lumber lost, including expenses? *About \$450,000,000.*

The “environmentalists” ignored the prevention (*negative*), so they paid for the cure (*positive*). Moral? Positive thinking is more dangerous than the Bubonic Plague.

1. “How’s my driving? Phone....” Counter: “*Cover me, I’m changing lanes.*” “Slow down, I’m changing magazines.” “Warning! I drive just like you do.” “Go on and tailgate me. *I need the money.*”

Do you see the difference? There is a REAL America, and there is a cardboard, tinsel, fairy tale, positive-thinking, sentimental, atheistic, humanist SLOP HOUSE of *effeminate daydreaming* which all news outlets promote, twenty-four hours a day, seven days a week.

Joke: “What did John F. Kennedy Jr. miss the most at Martha’s Vineyard?” Answer: “*The runway.*” Joke: “What did Jackie say when she got back from Dallas?” She said, “*Well, except for THAT, it was a good trip!*” Joke: “Who taught O. J. Simpson how to kill people?” “His football coach. He said, ‘O. J., cut left, slice right, and then run like H-.’”

Now did you know what *that* kind of talk is in the eyes of all brainwashed, politically correct, news media fanatics? It is “hate speech” that should be *censored*. According to radical religious extremists on TV, no one has a RIGHT to joke about such tragedies. It never occurs to these poor, brainwashed clones that there are still some *sane people* in this world who are well-informed to the point where they see right through a “gaffed act” when it starts. They stay “well informed” by *rejecting* 90 percent of what they read in *Time*, *Newsweek*, and *Life* and what is shown on TV.

Earlier, back in 2003 (I think; it might have been 2002), some space “effort” blew up before it had hardly gotten off the ground, and while a search went on for parts of bodies someone thought they had found part of the “token black” who had been aboard, in a Texas desert place. But it wasn’t; it just turned out to be a piece of black, rubber water hose from a 1950 Chevy.

Now that is not FUNNY to a radical black *racist* like Jesse Jackson, M. L. King Jr., Ralph Bunch, Nelson Mandela, Oprah, Eddie Murphy, Angela Davis, or any of your

District Court judges. Thus the joke about Kennedy is not funny to any *Democratic* politician, Roman Catholic publication (Gannett newspapers, *Time*, *Newsweek*), or any National Public Radio *lesbian* or *faggot* or anyone dumb enough to think the members of the Kennedy family were great “Americans.” One bumper sticker said, “I thought the Kennedy boys only killed one woman at a time.”

Wiser intellects than *500 newspaper editors* in America put stickers out that said “Wanted for President—or MURDER, Ted Kennedy” after the Chappaquiddick “incident.” That was the place where a group of married, male, Catholic adulterers were shacking up with a number of different women, while they were DRUNK.

Sticker: “Wanted for *lifeguard*: Ted Kennedy”

Sticker during Clinton’s catastrophic reign: “Lee Oswald, where are you when we need you?”

What about Jackie’s answer on her Dallas trip (see above)? Well, that wouldn’t be stretching things too far if you heard two CHRISTIANS say what I heard them say the day after JFK got what he earned: “Well, praise the Lord! It looks like God has given America another chance!” (And they weren’t joking!) A sane male, who had been ignoring the news media for about thirty years said, “Well, I don’t know who killed him, but if he comes by my place I’ll give him a place to stay overnight!”

Did you get either of those opinions over radio or TV?

Why not? *All three people were Americans.* They just weren’t TV brainwashed idiots.

Lopsided reporting. *Only one side was given when M. L. King was shot.* Only one side was given when *Bobby Kennedy was shot.* Only one side was given at the rocket failures (both times: Canaveral and Houston Space Center). *Only one side was given on O. J. Simpson and Rodney King.* Only one side was given on the *death of John Kennedy Jr.*, and only one side was given when *American bureaucrats murdered twenty-three minor children in Waco, Texas,* the bombing in Oklahoma, the murder of an unarmed woman at Ruby Ridge, Idaho, and the Twin Towers conspiracy (2002).

This being true, why would any SANE adult take any news media outlet *seriously* where they went to work making gods and goddesses out of fornicating, lying, money-mad, power-mad, publicity-mad, sex-obsessional neurotics who have the ethical and moral standards of hyenas (Princess Di, Frank Sinatra, Willie and Hillary Clinton, Janet Reno, Nelson Mandela, Yasser Arafat, Madonna, the Beattles, Elvis Presley, M. L. King Jr., Mahatma Gandhi, JFK, the Kennedy family, et al.).

Any fool would know why not to take the rocket incident seriously; the whole project was staged to give you race-mixing, global-family “proof” that all mankind was “ONE” by mixing together a Shemite, a Caucasian, an Oriental, a Black man, a Jew, a teacher, etc. Together they would make you think they were *UNITED* (Babel: Gen. 11). Along with them a “token black” was showing up in every movie Hollywood was making (1970–1999), including—*of all things*—Robin Hood and the sheriff of Nottingham! Up popped black cowboys as “gun slingers” and even black judges and black police chiefs and black detectives who not only were giving orders to white women and white children, but were

solving mental puzzles and detective problems their white counterparts *were too dumb to figure out.*

TV was creating an imaginary “America.” They are hard at work at it now.

After 2,000, the “hero” in TV show after TV show was a *FAGGOT* who rescued not only men but women and little children; sex perverts were presented as *SAVIORS* of *normal people*. Sex perverts got the “positive” treatment to the point of not just being tolerated or “accepted” but *HONORED* and *EXALTED*.

How many *SANE*, adult males in America do you think that fooled? A dozen out of 100,000,000? Not the one who said “Do you know what Michael Jackson said to a Jesuit priest? He said, ‘Let’s go together on a double date.’”

Observe!

1. “Join the Army: a faggot in every foxhole.”
2. “The other line always moves faster.”
3. “Leak proof seals *DO*”
4. “Automatic starters *DON’T*.”
5. “A Smith and Wesson beats 4 aces.”
6. “Live every day like it was your last day and pretty soon it will be.”
7. “Never play leapfrog with a unicorn.”
8. “If you’re lying flat on the ground you can’t fall down.”
9. “The bigger the belfry the more room for the bats.”
10. “If it don’t make sense there’s a buck in it.”
11. “If you look like your *passport photo* you are too sick to travel.”

For a study in “serious realism,” study those ten propositions; they are antidotes for “virtual reality,” which is simply “possibility thinking” gone to seed (“bolting”).

Try these for size:

1. “The nearest tool is *the hammer*.”
2. “If it jams, *force it*; if it *breaks*, it needed replacing.”
3. “No *good deed* will go unpunished.”
4. “It always takes longer than you think it will.” (See the “positive” *THINKING* in that one!?)
5. “If it says one size fits *all*, it doesn’t fit *anybody*.” (If you make that refer to a one world bank or a one world religion or a one world culture it comes out exactly the same way.)
6. “What we call ‘progress’ is the exchange of one nuisance for another.” Of course. That’s a *LAW* of physics. “*For every action there is an equal and opposite reaction.*”

Only a deluded, hallucinating, *LAW-BREAKING* nut would think otherwise. If you “eliminated the negative” (Johnny Mercer, p. ix), *your car wouldn’t start.*

Modern “positive thinking”? Queers are not only normal, they are kind, loving, cheerful, loyal, and *desirable*. (See the cannibal [pp. 163].) Addenda: street preachers are *devils*, and people who give you tracts should be *arrested*. (You see, no one is really unprejudiced about anything. You simply swap Ying for Yang and pretend (virtual *unreality*) that they have to be the same. Or one side is “evil”—the one opposite YOUR side.

Where there are no “prejudices” against condoms, abortions, sex perversion, jungle music, belly dancing, rap music, pornography, “joints,” dirty jokes, and “partying,” there *are* vicious prejudices against Scripture memorization, evangelistic preaching, the Second Coming of Christ, moral standards, discipline of children, and CLEAN JOKES.

Don’t act like you are “neutral.” *All positive thinkers are LIARS.*

1. “Leak proof seals *aren’t*.”
2. “Automatic windows *aren’t*.”
3. “You never find an article till you *replace it*.”
4. “In case of doubt, make it *sound* convincing.”
5. “When in doubt, MUMBLE. When in trouble, DELEGATE. When in charge, carry a clip board and look busy.”
6. “Nature always sides with the hidden flaw.”

“Negative thinkers” are always 85 percent closer to the truth than positive thinkers when dealing with any REAL situations. To the positive thinker, “an ounce of IMAGE (“good press”) is worth a ton of performance”: take Joe Namath, Willie Clinton, FDR, JFK, O. J. Simpson, Mohammed, M. L. King Jr., Nelson Mandela, Pope John Paul II, Albert Einstein, Winston Churchill, Abe Lincoln, et al.

Murphy’s Laws, when dealing with SCIENCE, are ten times more “scientific” than any course on Biology, Botany, Physics, Astronomy, Paleontology, Geology, or Anthropology taught in ANY State University or College in Europe or America.

1. “Every solution leads to new problems.” (*Absolute truth*: 100 percent in any generation in any society on any continent.)
2. “Left to themselves, anything will go from bad to worse.” (*Absolute truth*: 100 percent, according to Scriptures and history [4000 B.C. to A.D. 2004]. The truth is totally anti-evolution.
3. “Anytime things appear to be getting better, you’ve overlooked something.” (*Absolute truth* when dealing with ANY form of evolution taught by anyone.)
4. “If enough “data” is gathered, anything can be “proved” by “statistical” methods.

There is the correct, infallible, true way to deal with the matters noted; NO “OPTIONS” have existed since 1776.

“No man’s liberties, property, or life are safe when Congress is in session.”

That is 100 percent infallible, inerrant NEGATIVE truth. If you don’t recognize it you are a sucker for a pitchman’s “pitch.”

In regards to Bible revisions (ASV, NASV, RV, RSV, NRSV, ASV, NASV, NKJV, NIV, etc.) “when an error has been detected and corrected it will be found to have been correct in the first place” (60,000 “errors” in a *King James Bible* were “corrected” since 1880. Not ONE of them proved to be necessary since all 60,000 were corrected AGAIN 100 times in less than 100 years [1890–1990]).

If you took a negative stance on the *NWT, NEB, CEV, Phillips, Moffatt, Weymouth, Knox, Goodspeed, Berkeley, Riverside*, and the *ASV, NASV, NKJV, RSV, NRSV, New Scofield Reference Bible*, and the *NIV* you took the *correct stance*. If you took the *positive stance* you proved you didn’t have the common sense or spiritual insight of a blind muskrat.

“Positive thinking” is more deadly than cyanide or anthrax.

It can damn or destroy *nations*.

Want some more truth instead of “possibility thinking”?

1. “A *pat* on the back is only a few inches from a *kick* in the pants” (note! positive and negative).

2. “The more crap you put up with [TV, movies, and radio], the more crap you’re going to get.”

3. “When you don’t know what to do, walk fast and look worried.”

4. “The longer the title, the less *important* the job.”

5. “Two heads are never ‘better than one’ if both are blockheads.” (*Correct!* Eight million heads are no better than five if...etc.)

6. “The worse the idea, the *higher up* is the nut who proposed it.”

7. “Two monologues do not make a ‘dialogue.’” *One hundred percent correct.*

8. “Science is true; don’t be misled by a lot of FACTS.” (Positive followed by negative. The positive will turn out to be a whopping big lie nine times out of ten if the theory of evolution is connected *directly* or *indirectly* to it.)

9. “It is always easier to propose a solution than to DEFINE the problem.” (As in GRIDS, AIDS, illiteracy, riots in the classroom, mob violence, illiteracy in the colleges, the national debt, and America’s foreign entanglements.)

10. “A hose or ladder is always one to four feet short of being able to do the job.”

11. “If you ‘get what you want’ it will come when you can’t use it.”

12. “The man who can ‘smile when things go wrong’ has always thought of someone he can blame it on.”

Now THOSE propositions are not based on *positive thinking* of ANY kind, so they are going to be closer to *absolute truth* than a Catholic Missal, the *Declaration of Independence*, the *American Constitution*, the *Bill of Rights*, the constitution of the UN, the NATO “pact,” the *Koran*, an astrological chart, or the last 500 decisions by District Court judges and the Supreme Court.

Those propositions are products of WHITE, STRAIGHT, MALE “dissenters” who

refused to take the feminine, humanistic approach to REALITY. They learned to sneer at the positive thinkers and ridicule their dream world.

When such men are gone, *America* is gone, for all three “liberty documents” (the *Bill of Rights*, the *Declaration of Independence*, and the *Constitution*) were put together without one *female* or one *black* or one *faggot* on a single committee. Furthermore, 98 percent of them were Protestants raised on a *King James Bible*.

When Murphy got “drafted” he gleaned these gems of wisdom from combat.

1. “The diversionary attack is always the *main* attack.”
2. “Pilots who can see you when they drop supplies cannot see you when they drop *napalm*.”
3. “Never forget your weapon was made by the LOWEST bidder.”
4. “When in doubt, empty your magazines.”
5. “Take more than your share of objectives and you will always have more than your share of objectives to take.”
6. “It is bad luck to be superstitious.”
7. “If two wrongs don’t ‘make a right,’ try *three*.”
8. “Never underestimate the POWER OF *HUMAN STUPIDITY*.”

See that last one? That one will “fly.”

The “power of human stupidity” is *directly proportional* to the “power of positive thinking;” most of the time they are almost *IDENTICAL*. All quack “healers” are positive thinkers. All modern ministers are positive thinkers. All politicians are positive thinkers: they cannot get a vote if they don’t lie like a dog to people *who want to be lied to*.

“As ye know how we exhorted and comforted and charged every one of you, as a father doth his children,

That ye would walk worthy of God, who hath called you unto his kingdom and glory” (I Thess. 2:11–12).

All national leaders in the UN are positive thinkers: they have to lie to get what they want.

“Therefore wait ye upon me, saith the LORD, until the day that I rise up to the prey: for my determination is to gather the nations, that I may assemble the kingdoms, to pour upon them mine indignation, even all my fierce anger: for all the earth shall be devoured with the fire of my jealousy” (Zeph. 3:8).

“All nations before him are as nothing; and they are counted to him less than nothing, and vanity” (Isa. 40:17).

Every Pope born since 1800 was a *positive thinker*: he had to be in order to fool people into thinking he was not an unregenerate geopolitician.

“And in his estate shall stand up a vile person, to whom they shall not give the honour of the kingdom: but he shall come in peaceably, and obtain the kingdom by

flatteries.... Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all” (Dan. 11:21, 37).

“For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape” (1 Thess. 5:3).

“Thy tongue deviseth mischiefs; like a sharp razor, working deceitfully.

Thou lovest evil more than good; and lying rather than to speak righteousness. Selah.

Thou lovest all devouring words, O thou deceitful tongue.

God shall likewise destroy thee for ever, he shall take thee away, and pluck thee out of thy dwelling place, and root thee out of the land of the living. Selah” (Psa. 52:2–5).

Note how the Bible keeps up with the “pace” set by any group of educational, political, military, religious, or scientific leaders in *ANY period of time* since 4000 B.C.

Shall we wind things up?

1. “No child throws up in the *bathroom*.”
2. “The probability of someone watching you is proportional to the *stupidity* of your action.”
3. “You are not drunk if you are lying on the floor but not trying to *hold on to it*.”
4. “Interchangeable parts *won't*.”
5. “When you don't know what you're doing, do it *neatly*.”
6. “Blessed is he who expects *nothing*, for he will not be disappointed.”
7. “The desire for racial integration *INCREASES* with the square miles of the distance from the integrating.” (*One hundred percent correct: absolutely infallible.*)
8. “The whole [UN] is always worth LESS than the sum of its parts [the nations].”
9. “Lead, follow, or get out of the way.”
10. “Don't worry about middle age; you'll outgrow it.”
11. “If you want to ‘get along,’ *go* along.”

Exactly! If you want to be “politically correct” and successful, be “of the world, by the world, and for the world,” and (for God's sake!) don't take a NEGATIVE stance against it.

“Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him.

For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world.

And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever” (1 John 2:15–17).

“And he said unto them, Ye are they which justify yourselves before men; but God knoweth your hearts: for that which is highly esteemed among men is

abomination in the sight of God” (Luke 16:15).

12. “A short cut is the LONGEST distance between two points.”
13. “It’s no fun being sick when you feel well.”
14. “The solution to a problem changes *the problem*.”
15. Bumper sticker: “If you can read this I’ve lost my trailer.”
16. Bumper sticker: “My Karma ran over my DOGma.”
17. “Jesus loves you; everyone else thinks you’re a jerk.”
18. “Honk if you believe in God.” Counter: “*Honk if you believe ANYTHING.*”
19. “Honk if anything falls off.”
20. “I have the body of a god—Buddha.”
21. “If we quit voting, will they go away?”
22. “Ask me about microwaving cats for fun and profit.”
23. “*Unattended children will be sold into slavery.*”
24. “Have you FLOGGED your kid lately?”

And that is “how the snow blows,” whether you “get the drift” or not. Those aphorisms are from sane, *adult males* who know that all of this gas about “child abuse” and “corporeal punishment” is just nonsense to create a nation of CRIMINALS who can support a financial corporation that is now as large as US Steel or General Motors: *THE FEDERAL PRISON SYSTEM*.

Go kid the other suckers; you can’t fool anyone who deals with *reality* instead of TV, radio, magazines, and newspapers. Some of us still have a *King James Bible*.

Chapter 6

Summing up the Historical Evidence

By rejecting the Bible as a *history* book and classifying it with the religious flotsam, jetsam, and wreckage of the *Koran*, the *Shastas*, the *Vedas*, the *Puranas*, the *Tripitaka*, the *Analects of Confucious*, *The Book of Mormon*, the decrees of the Council of Trent, and similar non-biblical *trash*, Europe and the Americas put themselves into a position where they *had* to accept Darwin and Einstein as *historians*: neither man had the sense God gave a brass monkey when it came to man's *history*. Their "major" was *nonscientific fiction as imagined* by unregenerated philosophers. Their sources went back to Noah's days.

If Darwin or Einstein [along with the authors of *The Precepts of Ptahhotep* (2500 B.C.), *Antef's Festival Dirge* (2500 B.C.), *The Hymn to Userhotep* (3000 B.C.), *The Two Brothers* (3200 B.C.), *The Shipwrecked Sailor* (2500 B.C.), *The Story of Setna* (1300 B.C.), *The Epic of Anta-our* (1324 B.C.)], had ever run into the God of the universe, creation, *history*, and salvation (as Cain and Abel did and Noah did and Enoch did and Job did, and Abraham did (4000 B.C.—1800 B.C.): you can be sure He would have taught them a lesson in positives and negatives far superior to anything that was written by Thales of Athens (640–546 B.C.), Heraclitus of Ephesus (around 513 B.C.), Anaximenes of Miletus (500 B.C.), Empedocles of Agrigentum (444 B.C.), Pythagoras of Samos (582 B.C.), Zenophanes of Elea (576 B.C.), Anaxagoras of Clazomenae (500 B.C.), or Livius (272 B.C.), Naevius (235 B.C.), Ennius (239 B.C.), Plato (429 B.C.), Terence (185 B.C.), Lucilius (180 B.C.), Lucretius (51 B.C.), Catullus (84 B.C.), or Cicero (106 B.C.).

When it comes to "light" on man's *thinking processes*, where they deal with *positive* and *negative*, Proverbs or Ecclesiastes will have more accurate *psychological* and *historical* truths in them than ANY writer BEFORE OR SINCE those books (1000 B.C.) were written. That would include ALL of the works by Virgil, Horace, Ovid, Livy, Seneca, Petronius, Pliny (elder and younger), Tacitus, Apuleius, Li Po, Han Yu, Ssuma Kuang, Po Chu-i, Chu Hai, Mohammed, Sa'di, Nizami, Hafiz, Firdausi, Rudago—the last twelve are *Persian, Arabian, and Chinese authors*—and any 22,000,000 that *followed them*.

Notice these awesome Biblical revelations, disguised as "myths" or "legends" (according to all Bible-rejecting Liberals and Modernists):

1. A "**firstborn**" son of two sons gets the "lion's share" of everything (1 Chron. 5:1). That was Israel under the Law.

But! Look what happened before the Mosaic Law was given or revealed in history!

2. "Cain first; *Abel second*. Ishmael first; *Isaac second*. Esau first; *Jacob second*. The Law first; *Grace second*. The Old Testament ends with a "**curse**." The second (New) Testament ends with "**AMEN**."

3. "**The FIRST man is of the earth, EARTHY**" (1 Cor. 15:47); he goes back to dust and stays there. "**The second man**" is "**the last Adam**" and gets up from the dust and

stays up (1 Cor. 15).

4. In the Book, the “FIRST” is *negative* (see Gen. 1:1–2) and the “SECOND” (Gen. 1:4–31) is *positive*. The dessert comes AFTER the meal; not *before* it. Thus “**the gospel of the grace of God**” is negative THREE TIMES IN A ROW *before* anything positive shows up (1 Cor. 15:3–4).

1. He DIED. 2. He died for SINS. 3. He was buried.

He did nothing POSITIVE till “He rose again the third day” (1 Cor. 15:4).

The dessert never comes *before* the meal: not at least through 6,000 years of recorded history.

“**YE MUST BE BORN AGAIN.**” Why?

5. *Your first birth* (Job 25:4, Eph. 2:1–3) *was no good.*

6. The first book of man’s “**generations**” (Gen. 5:1) records “**AND HE DIED**” every three verses through 2,000 years. The second book of man’s “**generations**” (Matthew 1) doesn’t record ONE DEATH in seventeen verses.

To get rid of the Bible as a history book you have to pretend that all of that material popped up *accidentally* with no purpose in mind.

Accompanying this supernatural revelation, which cannot be found in ANYTHING written by Mohammed (actually he wrote *nothing*), Checkhov, Gorky, Pasternak, Tolstoy, Zolschenko, Dostoevsky, Turgenev, Pushkin, Gogol, Turngenev, Lermontov (Russians), Schiller, Goethe, Heine, Holderlin, Eichendorff, Lenau, Von Kleist, Morike, Hoffmann, Hebbel, Isben, Ludwing, Hauptmann, Sudermann, Storm, Freytag, Schnitzler, Rilke, Hofmannsthal, Huch, Stehr, Toller, Mann, Kaiser, Kafka, Hesse, Kolbenheyer, Wassermann, Werfel, or Thomas Mann (Germans), *are 500 verses that outline history between A.D. 1917 and 3000.*

The trick that all “positive thinkers” have to perform, in order to get rid of *HISTORICAL PROPHECIES*, is called “magical thinking” by a man who wrote the most complete history of MURDER ever written (see pp. 128, 151). What he calls “*magical thinking*” on the part of sadists, rapists, serial killers, and cannibals (literally) is called “*POSSIBILITY THINKING*” by the NEA and every major news media and religious outlet in America.

“*Magical thinking*” is simple. You call what the Bible calls “**EVIL**” (see pp. 50–54, 124) “**good,**” and then you call what the Bible calls “**good,**” “**evil**” (Isa. 5:20).

It is that simple *and always has been.* You *pretend* that Yin is Yang and Yang is Yin. To justify this desperate lying (done by you for your *own convenience!*) you *pretend* they are ONE unit: no Devil exists.

Further than that, no absolute TRUTH can exist, for it would give absolute definitions of “GOOD” and “EVIL.”

Those definitions are to be found in any copy of the *King James Authorized Version* on the face of this earth, and they were written down, in print, to the tune of seventy-three chapters and more than 47,000 words, *more than 1,000 years before the birth of Christ*

(Job and Proverbs).

If you are born wrong, you will *think* wrong (Eph. 2:1–3). If you are born again, you can *still* think wrong (Rom. 7:14–21; Gal. 2:11), but you have *access* to the mind of a SINLESS role model (Heb. 1:8–9): you have access to the “**MIND OF CHRIST**” (Phil. 2:5; Rom. 12:2).

It is that simple. It has been that simple for more than 1,900 years.

Not *one* unregenerate author of *any* book printed in *1,900* years could anymore handle *those* verses (Job; Proverbs; Phil. 2; Rom. 7; Gal. 5; Eph. 2 and Heb. 3, 6, 10) than he could pick up double-edged safety razor blades while wearing boxing gloves.

That would include Ernest Hemingway, Somerset Maugham, James Jones, Norman Mailer, Louisa May Alcott, Maxwell Anderson, Sherwood Anderson, Matthew Arnold, William Blake, James Boswell, Charlotte Bronte, Pearl Buck, Edgar Rice Burroughs, Truman Capote, Agathe Christie, John Hersey, James Hilton, Lillian Hellman, Thomas Hardy, Earl Stanley Gardner, Kahlil Gibran, Alexa Haley, Zane Grey, Theodore Dreiser, David Lawrence, Karl Menninger, Guy De Maupassant, Clifford Odets, Dorothy Parker, George Sand, Upton Sinclair, Sinclair Lewis, Gertrude Stein, Walt Whitman, J. G. Whittier, Thornton Wilder, Emile Zola, plus another 20,000,000 authors.

The Library of Congress displays a testimony to *universal international blindness* produced by willful ignorance and refusal to think **NEGATIVELY** *before* thinking positively.

By contrast, the Biblical record of man contains 1,300 pages which bear record to one absolute, universal, **NEGATIVE TRUTH**: we call it “*The Law of Human Collapse.*” It is illustrated without a “breather” from “*Generation to Resolution.*” It simply means that without *supernatural intervention* from a *supernatural Creator*, who published a *supernatural Book*, that every effort of mankind, apart from those *supernatural revelations*, to bring about world peace, world security, a world free from poverty, starvation, torture, sadism, murder, fraud, lying, treaty breaking, hate, envy, idolatry, delusion, suicide, jealousy, fraud, disease, immorality, death, and **HELL** is *absolutely HOPELESS*.

That is the touchstone.

No “positive thinker” could ever comprehend *that* truth.

It is *Biblical*. It is *absolute truth*. It is a divine revelation that the natural man can neither receive nor understand (1 Cor. 1–3) until he exercises “**THE POWER OF NEGATIVE THINKING**” described in these passages:

“What is man, that he should be clean? and he which is born of a woman, that he should be righteous?”

“Behold, he putteth no trust in his saints; yea, the heavens are not clean in his sight” (Job 15:14–15).

“The LORD hath made all things for himself: yea, even the wicked for the day of evil.

“Every one that is proud in heart is an abomination to the LORD: though hand join in hand, he shall not be unpunished” (Prov. 16:4–5).

“But those things which proceed out of the mouth come forth from the heart; and they defile the man.

“For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies:

“These are the things which defile a man: but to eat with unwashed hands defileth not a man” (Matt. 15:18–20).

“Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

“Woe unto them that are wise in their own eyes, and prudent in their own sight!” (Isa. 5:20–21).

“For we are the circumcision, which worship God in the spirit, and rejoice in Christ Jesus, and have no confidence in the flesh” (Phil. 3:3).

“For if we sin wilfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins,

“But a certain fearful looking for of judgment and fiery indignation, which shall devour the adversaries” (Heb. 10:26–27).

If I whet my glittering sword, and mine hand take hold on judgment; I will render vengeance to mine enemies, and will reward them that hate me” (Deut. 32:41).

“Thou therefore, O LORD God of hosts, the God of Israel, awake to visit all the heathen: be Not merciful to any wicked transgressors. Selah” (Psa. 59:5).

“Now consider this, ye that forget God, lest I tear you in pieces, and there be none to deliver” (Psa. 50:22).

“Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me” (Exod. 20:5).

“And I will dash them one against another, even the fathers and the sons together, saith the LORD: I will not pity, nor spare, nor have mercy, but destroy them” (Jer. 13:14).

That is *less* than 10 percent of the verses of that nature.

All of the Holy Bible must be rejected at sight (at once!) if you are going to believe what you read in the authors I listed (see pp. 57–58, 149, 151), and I listed less than 10 percent of them.

Such Biblical statements of *absolute truth* are to be found *nowhere* in the Library of Congress unless they are found in a book that borrowed (or quoted) the passages from *ONE BOOK*. Those absolute truths show you what is wrong with “MAN” and has been wrong with him since 4000 B.C.

Ignore the Book and you have “modern man.”

Ignore the statements and you replace them with “magical thinking.” What is “magical thinking” (Ezek. 8:12; Gen. 11:6)?

It was described in 2300 B.C.

“And the LORD smelled a sweet savour; and the LORD said in his heart, I will not again curse the ground any more for man’s sake; for the imagination of man’s heart is evil from his youth; neither will I again smite any more every thing living, as I have done” (Gen. 8:21).

“And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do” (Gen. 11:6).

It is 100 percent negative.

Positive thinking is more deadly than prussic acid or wood alcohol.

Want to see a 2006 application? Here it is: “Columbia the Gem of the Ocean!” Here is a man-written history of man’s history as a history of MURDERERS: *The Mammoth Book of Murderers*, Colin Wilson.

Here you can find 639 pages describing (in detail) every ghastly, horrible, demonic type of murder, assassination, serial killing, crime of passion, sex perversion, torture, and mutilation that man has participated in AFTER 3,000 years of men killing men (4000 B.C.–1000 B.C.). The author takes time to fill up 639 pages to show you how man is *evolving* from “apehood” so he will at some time in the future probably *quit killing his fellowman*. Colin Wilson is the positive thinker supreme. He claims that serial killers, as well as the “Jack the Rippers,” are all “trapped” in a “defeat proneness” that afflicts the majority of people: they fail to “develop intelligence into awareness.” Wilson says it is PESSIMISM (negative) that produces *murderers*. The worst thing that can happen to anyone is to “slip backward” into *negative thinking*. Thus, to habitual criminals, “normality” is an “insidious state,” so we should “concentrate the mind WONDERFULLY” (pp. xx, xxi). Later, this “wonderful concentration” is called “MAGICAL THINKING” (p. 469).

But “magical thinking,” according to Wilson (p. 117), is IRRATIONAL! It also leads to murdering people. Why he would think this, while swearing that Darwin’s *theory of evolution* was RATIONAL, is more than a *rational* mind can grasp. If there were any such thing as “magical thinking” that leads to killing, it certainly would be these thoughts:

1. That organic life came *accidentally* from non-organic life when the chances of any living thing being formed accidentally from anything inorganic is one out of 10 with 13,000 zeroes after it (see p. 2).

2. That sinners in 6,000 years—it would be 1,000,000 years according to Darwin, the *Scientific American*, and the *National Geographic*—will bring in the “Kingdom of God” on earth with a golden age of peace by either sprinkling babies (standard Roman Catholic teaching since A.D. 500) or Moslems killing every Jew, Taoist, Catholic, Hindu, Buddhist, Atheist, Humanist, Confucianist, and Protestant on earth.

You talk about “magical thinking!”

Wilson's classic book was *The Mammoth Book of the History of Murder*. How do you suppose it began? *Well, it had to begin POSITIVELY*. How do you suppose it ended? Well, if you are an *evolutionist* who has thrown out the historical account of "murder" and murderers (see Gen. 4), *then it will have to end POSITIVELY*. Wilson's book will not sell unless it caters to "MAGIC THINKERS" who think "positively" about THEMSELVES.

His book cannot begin with such things as:

"Unto the woman he said, I will greatly multiply thy sorrow and thy conception; in sorrow thou shalt bring forth children; and thy desire shall be to thy husband, and he shall rule over thee" (Gen. 3:16).

"And unto Adam he said, Because thou hast hearkened unto the voice of thy wife, and hast eaten of the tree, of which I commanded thee, saying, Thou shalt not eat of it: cursed is the ground for thy sake; in sorrow shalt thou eat of it all the days of thy life" (Gen. 3:17).

"And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually" (Gen. 6:5).

"And he said, Cursed be Canaan; a servant of servants shall he be unto his brethren" (Gen. 9:25).

"And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed" (Gen. 12:3).

"But the men of Sodom were wicked and sinners before the LORD exceedingly" (Gen. 13:13).

That is how the first book in the Bible "begins" its history of things relating to "man."

At the *end* of the Bible you find not only that great historical truth that all desserts come after the meal (see Rev. 21:1–4, 22:1–5), but it is preceded by such luscious fruits of "possibility thinking" as these things:

"And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth" (Rev. 6:8).

"The first angel sounded, and there followed hail and fire mingled with blood, and they were cast upon the earth: and the third part of trees was burnt up, and all green grass was burnt up" (Rev. 8:7).

"And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed" (Rev. 13:15).

"The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the

mark of his name” (Rev. 14:10–11).

“But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death” (Rev. 21:8).

That is how man’s history *ends*. Wilson’s final conclusion is that the 100-plus murders he describes in his book are due to the fact that “human beings are CHILDREN” (p. 638). Bundy, Dracula, Nero, Henry Lucas, Charles Manson, Holmes, Gallego, Bruno, Hauptmann, Ivan the Terrible, Jack the Ripper, the Zodiac killer, the “Son of Sam,” et al., were simply “victims of NATURAL SELECTION” (p. 639).

That is Darwin: Darwin, Huxley, Paley, Spencer, Einstein, Lamarck, Chambers, Haeckel, Dewey, Russell, Lyell, H. G. Wells, and an army of irrational, positive-thinking, intellectually-dishonest, “magical thinkers” without a STRAIGHT BONE IN THEIR BODIES when dealing with, discussing, attacking, quoting, questioning, or ridiculing **“THE HOLY SCRIPTURES”** (Rom. 1:2).

(See *The Christian Liars’ Library*, 1997; *The Mythological Septuagint*, 1996; *How to Teach the “Original” Greek*, 1992; *The Christian’s Handbook of Biblical Scholarship*, 1990; *The Last Grenade*, 1990, and the works by O’Reilly, Otis Fuller, Edward Hills, Dean Burgon, Samuel Gipp, Laurence Vance, Scrivener, Hoskier, and Prebendary Miller.)

Wilson’s conclusion is that although *human nature* doesn’t change, “our MINDS are changing” (see pp. 40, 43–46).

From this ridiculous theory he extrapolates the *magical thought* that if society is EVOLVING in the “direction of INTELLIGENCE”—note! *not* purity, righteousness, truth, or holiness! (see pp. 36, 37)—there is a “reasonable *chance*” that “man” will “outgrow” murder by finding “new outlets” for his *cravings* (p. 638).

Sure: *mass murder of whole populations* instead of a bare handful of 360 victims (Henry Lucas; 1937–1997).

There were 58,000,000 “murders” between 1917 and 1990 with not *one killer* being arrested or going to jail. Isn’t that a pretty good “alternative outlet” for killers” (See *Lethal Laws*, 1994, pp. 1–15)? Someone’s mind might be “changing” for good.

Not one victim in the 58,000,000 was a combat-male, in “action” (op cit., pp. 16–803).

The *Mammoth History of Murder* ends where all magical thinking ends, at the Vatican: “Peace on earth to men of good will!” It ends with this *optimistic, cheerful “possibility”* which will come to pass AFTER the solar system has been blown into 500,000,000,000,000 pieces (2 Pet. 3:8–16) and a new solar system shows up (Rev. 22; Isa. 9:7, 66:22–24; 2 Pet. 3:13). *At least that is what THE History Book says*. It says, “NEGATIVE”: 100 PERCENT. God’s solution to the integration-segregation problem is simple: DISINTEGRATION (see Dan. 7:9–12; Ezek. 38–39; Isa. 24:1–20; 2 Pet. 3:8–12; Rev. 20:11–14).

Wilson, prophesying for all the other cockeyed, starry-eyed, unregenerate, Bible-rejecting *blockheads* says, “In spite of 3,000 years [error: the history Book gives 6,000

years of cruelty and slaughter] “there is still HOPE FOR THE HUMAN RACE” (p. 639). *Positive!* “Right on the money.”

To show you the sterility and impotency and absolute failure of this kind of “power of positive thinking,” observe *THREE gross errors* on *historical* truth that Wilson committed without the “foggiest” of what he was talking about:

1. He *omitted* the account of the first MURDER in the history of murder. *Cain killed Abel*. He *omitted* the *second* one: Lamech killed a young man (Gen. 4:23) in the same chapter.

2. Cruelty was practised regularly more than *1,000 years* before Wilson’s 3,000 year bracket began. Witness 1 Chronicles 20:3; Judges 1:7; 2 Kings 9:33; 2 Kings 8:12; Judges 19:23–29; and Psalm 137:9.

What would you call 1 Samuel 31:4 and 2 Kings 3:27? “Magical thinking?” Do you think that putting a guy’s eyes out after stabbing his sons to death in front of his eyes is not “cruelty” (Jer. 52:10–11)? Wilson is evidently an IGNORAMUS when it comes to *HISTORY*.

Imagine the nerve of this “evoluted” chronicler talking about putting “an end” to *3,000 years of slaughter* when he is an EVOLUTIONIST! Look at that nonsense. Colin Wilson is telling you that men lived on this earth since *1,000,000 B.C.* (see Leaky, the *Scientific American*, *Life*, *Time*, *National Geographic*, the National Association for the Advancement of Science, NASA, the NEA, and every State College and University in America), *but none of them slaughtered each other to get where “man” is today!* What? No “survival of the fittest” by “natural selection”? What? No tooth-and-claw law of the jungle showed up till *1000 B.C.*? That is what *The Mammoth Book of Murder* tells its reader.

What do you think Genesis 14:1–10 was? A Sunday School picnic?

Wilson began his mammoth history with *Roman emperors*: Tiberius, Nero, Caligula, and Claudius. What a place to begin? You mean there wasn’t a slaughter under *Darius* (Dan. 5:30), *Alexander the Great* (Dan. 8:24–25), and *Nebuchadnezzar* (2 Chron. 36:17–21). *Pharaoh* (1500 B.C.) wasn’t cruel, right? *Drowning babies* isn’t slaughter or murder (Exod. 1:16, 22); it is just baptizing children, right? Why, every silly ass (Rom. 1:22–23) teaching *evolution* in every College and University in America and Europe believes that men were slaughtering each other more than 50,000 years before Wilson’s 3,000 years of “slaughter” began.

But no one can stop a *positive thinker* once his “magical thinking” gets into high gear, for he has joined a crew who have taken credit to *themselves* for every “progressive” or “forward” move mankind ever made. Wilson was wise to get rid of THE History Book when he started writing, for it shows that all of the “POSITIVE THINKERS” who created the pre-deluge civilization and its culture came from the *first murderer* who was born; *he built the first city on this earth* (Gen. 4:17).

See why all lost scholars, from 800 B.C. to A.D. 2005) call the Bible a “religious” Book!?

Not one unregenerate author listed in this work ever took the Bible seriously when it came to the HISTORY of his own progenitors.

To prove Darwin's "magical thinking" this author (*The Mammoth Book of Murder*) assures you that the crime rate is *now* decreasing (that is since 1994) and its "echoes" are now worldwide (p. xxii–xxiv). I.e., the world is *evolving* and getting rid of crimes *rapidly*. His explanation is that since the "Feds" and the law enforcement officers in America have had to *become* criminals in order to *arrest* criminals, they had to commit crimes that they would call "*felonies*" if YOU committed them. But "crime" is "on the run"?

This is worded exactly as some double-speaking *female journalist* (see pp. 124–125) would word it: "The community [*undefined*] is at last beginning to get *the tools* that can prevent crime [*undefined*] before it happens."

That is exactly how Benito Mussolini, Adolph Hitler, Lenin, Stalin, Khomeini, Pol Pot, Mao Tse-tung, Idi Amin, Fidel Castro, JFK, and the SWAT teams at Waco, Texas and Ruby Ridge, Idaho looked at it, and that is exactly how they cut down on "crime" in their countries: *they murdered all of their critics.*

They "lowered the crime rate" by *total military control* of all local police and bureaus. To do this they used *intimidation* (not a crime), *harassment* (not a crime unless you make a pass at a women who isn't interested in you!), *electronic bugging*, spying, *stalking*, twenty-four hour a day "surveillance," opening private mail, arresting people on *suspicion* and *torturing people into confessions.*

An international government (Rev. 13) will shortly avail itself of these "tools": bar codes, Internets, computer chips, implant chips, mixing DNA and RNA, breeding clones, "bugging" all houses, making arrests for using "racial slurs" or "hate speech," arresting *without warrant or trial by jury*, and imprisoning by *withholding evidence* for "the defense" in court trials.

That is how crime will be "prevented" before man's Creator returns to straighten out the godless mess His "creature" created (Rom. 1:18–32; Rev. 13, 17).

Against his will, Wilson is forced to confess (according to his own belief in evolution) that the apes, monkeys, and orangutans from which "man" came didn't have THE TOOLS (see above) to "stop crime." In 2,000,000 years they must have committed about one-five hundredth of the "crimes" that man committed in less than 4,000 years—*with the "tools" for stopping it.*

Then, with no more consciousness of what he had just written, Wilson says "Man is an *evolutionary creature*" (p. 424). But as the nineteenth century turned into 1901–2000 "there was NO SIGN OF ANY *IMPROVEMENT* (see p. 2)."

His reason for saying this was World War I. He unconsciously connected *armed warfare* with *murder* (p. 424). According to the *Mamouth History*, God wasn't behind war or murder. God was always totally neutral, agnostic, and *unaware of anything going on in the nineteenth and twentieth centuries with His own creation.*

Now get that. After discussing "3,000 years" of murder he admits that *after 2,999 years THERE WAS NO IMPROVEMENT.*

Exactly. That sums up and *refutes* the “theory of evolution” to perfection. In studying 6,000 years of history and a mythological, magical, 2,000,000,000 years of “prehistory,” the theory of evolution proves to be Alice in Wonderland, Cinderella, Goldilocks and the Three Bears, Little Red Riding Hood, and the Billy Goats Gruff (see p. 2).

“THERE WAS NO SIGN OF *IMPROVEMENT*.” The *fossil* record and the *geological* record and the *biological* record do not show ONE case of anything evolving from what it was to a *higher* and different kind of species. *Not one bone in 2,000,000,000 years (give or take several hundred million, depending upon how “magical” you can “think”). “Science” is very “exact”—in a pig’s eye!*

The explanations for why all of the murderers murdered people always carefully avoids to mention the REASON why Cain killed Abel. Instead, to alibi the raping, torturing, mutilation, strangling, poisoning, stabbing, hanging, shooting, and burning women, minor children, and aged people in their 70s and 80s, Wilson suggests:

1. The killers weren’t well off and wanted more *money* and room.
2. Killers suffered from *inferiority complexes*.
3. The killers lusted for *power* to prove they were “leaders.”
4. The killers got *orgasms* out of hearing people scream or by fornicating with dead bodies.
5. The killers were “abused” when they were *children*.
6. *Society* was to blame for their condition.
7. The killers wanted *respect* and *admiration*.
8. The killers wanted *publicity*.
9. The killings were natural since man is “an *EVOLVING* creature” and *has many more NEEDS than he used to have when he was an ANIMAL* (see p. 2).

And the real objection to crime is not that it is EVIL or even WRONG. The *real* objection to crime is that it “*blocks your EVOLUTION*” (p. 442). It has nothing to do with *good* or *evil*. It is just a *physiological objection*. How can we “EVOLVE” to the “self esteem” level”? Now, understand something. This mammoth compilation about killers we are examining deals with Countess Elizabeth Bathory, Henry Morgan, Blackbeard, Hasan Ben Sabah, the Thugs of India, Charles Guiteau, Norman Collins, Jack Ketch, Judge Jeffries, Karl Hussmann, Kim Philby, the Rosenbergs, Sergeant Bertrand, Leopold and Loeb, Henry Lee Lucas, Ian Brady and Myra Hindley, Charles Manson and his goons, Issei Sagawa, Sharon Tate, the Boston Strangler, Mack Edwards, the Marquis De Sade, Thomas Piper, Lizzie Borden, and a dozen others.

What you need to know about this compilation which covers such things as sex maniacs jamming crowbars and broom handles up into women’s vaginas before killing them, torturing eight to ten year old children four hours at a time before raping them, cutting off heads and fornicating with the head in a shower room, strangling and suffocating victims by half-killing them six times and then letting them gain consciousness before strangling them to death, burning women’s breasts with cigarettes, cutting off

people's fingers or hands one at a time before smashing their heads in with a ball bat; and eating corpses after killing a victim, etc., etc., *IS THAT THE WORD "SIN" NEVER OCCURS IN CONNECTION WITH ONE BIOGRAPHY.*

Every killer in "The History of Murder" is described as SINLESS.

The following "cute," little, anti-social acts by "magical thinkers" are NOT "sins," nor does any God require any payment for these "errors"—at least not according to one page out of 639 pages on the "history" of murder through 3,000 years: Rubbing a victim's *face* with a four-pound mullet and then with crabs. Virgin girls being raped by the executioner before they were *beheaded* so they could "qualify" for capital punishment. Men being forced to drink several quarts of wine after having their genitals tied tight so they could not urinate.

While Nero was being sodomized by one of his officers (*on request*—he was putting on a mock marriage with himself dressed as the bride), he imitated the screams of *a girl being raped*.

One ruler burned eight of his brothers to death and then beheaded his own son. "Vlad the Impaler" (the original "Dracula") killed 10,000 of his own subjects who were impaled on stakes ten feet high and posted above banquet tables so he could watch them die *while he ate*. When some of his wives stepped out on him he had their sex organs cut out, and then they were publicly *skinned alive*. He had a red-hot iron stake jammed into their vaginas and pushed clear through till it came out of their mouths.

No "evil" or "sin" is mentioned in one account given above. The author is so afraid to "judge, lest he be judged" (all positive thinkers' favorite *Bible verse!*) that he passes by all accounts as "nature taking its course"—*evolution*. Darwin at his best.

Killers nailed hats onto their victim's heads and had orgasms only while beating or strangling a woman to death. Some of them would dig up a *corpse* after two or three days and have intercourse with it.

One ruler enjoyed dropping dogs off a 200-foot tower to watch them splatter. Another enjoyed taking a twenty-horse calvary squad with him and charging through market places and city squares to see how many women and children they could mash flat.

One killer knocked women unconscious with morphine and when they came to he put them into a specially constructed gas chamber where he could watch them suffocate on carbon monoxide gas. Then he raped *their dead bodies* and hacked them into pieces. He did this to more than a dozen women in less than two months.

One hippy said, "I have a problem. I am a cannibal." He shot a man who had picked him up on the highway when he was thumbing for a ride. He cut out the man's heart *and ate it*. When the police got him they found *two fingers* of the dead man in the hippy's pocket. He had kept them as "souvenirs." Way to go, Darwin! *Upward and forward* (see p. 2)!

No "*demons*," you understand! Although you were told about them in God's *history* of murder (1 Sam. 16:15, 19:9) *more than 1,000 years before the birth of Christ*. No "sins" were involved in those last paragraphs, although a twenty-first century reader was told in

A.D. 90 that “**ALL UNRIGHTEOUSNESS IS SIN**” (1 John 5:17). No, that list I gave you just described a handful of poor, misinformed (or wrongly raised or mentally hung up or maladjusted) *naked apes* (Darwin). Education, social workers, welfare groups, family psychiatrists, and the NEA could have made all of them model citizens, if they had gotten ahold of them before TV, movies, and Hollywood “programmed” their “mind set.”

Herein is a great *absolute* truth. All positive-thinking evolutionists eliminate “God” from everything NEGATIVE that happens to them or to “mankind.” God has nothing to do, directly or *indirectly*, with the following things:

Typhoons. Water spouts. Hurricanes. Tidal waves. Earthquakes. Droughts. Famines. Floods. Forest and prairie fires. Volcanoes. Tornadoes. War. Crime. Disease. Death.

In the Book He is DIRECTLY involved in *everyone of them* (Ezek. 1; Job 1–2; Gen. 3; Acts 11:28, 27; Luke 13:4; Isa. 8; Zech. 14; Matt. 27:51–52; Jonah 1:4; 2 Kings 19; Amos 4; Rev. 9, 11:19, 14, 16, 19; 2 Sam. 18:7–18; Lam. 1–5; 1 Kings 17:1–3, 20:29–30; Josh. 6–9; Exod. 6–12, 14–15; 2 Sam. 6:7; 2 Kings 19:35).

In the twenty-first century “*History of Murder*,” God is INNOCENT. He would not “hurt a fly,” let alone a “serial killer.”

He would no more say Proverbs 1:24–33 or Deuteronomy 28:63 or 2 Kings 19 or Isaiah 40:17 or Jeremiah 23:39–40 or Deuteronomy 32:31–42 than a modern, apostate, American minister would quote John 8:40–46 or Matthew 25:41 or Jeremiah 13:14 or Revelation 14:9–11 or 2 Thessalonians 2:10–12 or Matthew 23:15–17, 24–25, 32–33.

All positive thinkers have a sweet, *loving*, neutral *Santa Claus* for a “god,” if they recognize any God at all. Twenty-three million books in the Library of Congress honor him as a neutral “force” (Dan. 11:38) or “first CAUSE.”

Their god does not cause *any* man to die or to *suffer* or to be *hurt*. A *positive* loving god never causes *any* confusion, trouble, or war (see 1 Cor 13! Nice, ain’t it?), and he would vacate his “office” before he would let *demons* or *devils* produce what you read recorded in *The Mammoth History of Murder* and what you will find in an almanac on “natural disasters.” (Any Almanac: 1800–2005. See pp. 69–70).

One product of 1,000,000 years of evolving up from “Lucy” (Leakey’s fraudulent nonsense) was so fascinated by dead bodies that he would jump on an unburned corpse, beat it with a spade, bury it, and then dig it up, *a week later*, to have intercourse with it. That was his “*sexual orientation*”. He would end by disemboweling the corpse. That was his *life style*. Another “measure of all things” murdered his wife and buried her under the floorboards. Then he began to invite women into his house to get them to inhale gas as a cure for “asthma” or “catarrh.” He would then rape them while they were unconscious and then strangle them to death after they “came to.”

Another crown of the evolutionary process (*UP from the apes!*) said, “My only interest is in killing God.” He said this after fornicating with his *eight-year-old daughter* till she was eighteen years old. Charles Manson told one of his teenaged concubines, “When we have sex, imagine that you are making love to your FATHER.” About six girls went in and out of his bedroom (and a *few males* occasionally). But don’t get me wrong!

Charlie was not a SINNER! He was just “GAY.” Why, that word “sinner” is more verboten than the word “NIGGER”!

There is no *personal “accountability to God”* on the part of *any* murderer, *anywhere*, in 639 pages. They get off scot-free since the monkey man who wrote the book had already rejected what *THE History Book* had recorded more than 2,000 years *before Columbus discovered America*.

“For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil” (Eccl. 12:14).

“Destruction and misery are in their ways” (Rom. 3:16).

“But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment” (Matt. 12:36).

“For there is not a word in my tongue, but, lo, O LORD, thou knowest it altogether” (Psa. 139:4).

“If I ascend up into heaven, thou art there: if I make my bed in hell, behold, thou art there” (Psa. 139:8).

“Who can say, I have made my heart clean, I am pure from my sin?” (Prov. 20:9).

“And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works” (Rev. 20:12).

There are no “sinners” in the *Mammoth History of Murder*.

There is no “God” anywhere in the History of Murder

The original killer (Gen. 4:8) had trouble with *SIN* (Gen. 4:7). His problem had nothing to do with “industrialization, over-civilization, ghettos, “racial slurs,” lack of income, lack of recognition from his society, “hate speech,” child abuse or “child neglect” by his parents or even a desire to prove his power and authority. Evidently *all* of the psychiatrists and psychologists that Wilson “read after,” to put his book together, were *AMORAL ANIMALS*. You see, *the first killer on this planet killed his brother*.

“Not as Cain, who was of that wicked one, and slew his brother. And wherefore slew he him? Because his own works were evil, and his brother’s righteous” (1 John 3:12).

In an omnibus of murder cases, the writer didn’t dare tell you the *origin* of the act, the *motive* for the original act, or the *relationship* of the original act or the killer to his *CREATOR*, who said: **“Thou shalt not KILL”** (Exod. 20:13).

So Colin Wilson took the *POSITIVE* view of the ghastly scenes he describes. As far as his written record goes (639 pages), not *one* sex-crazy, murdering pervert went to Hell. You are to assume *all of them went to Heaven*, along with the writer—if *there is a Heaven!*

When Wilson wants to “sum up” his thesis he makes this remarkable statement, which marks him down as a possible killer himself. He says that in every type of crime (see those

listed above) which includes sex murders and child torturing (terrorism), there is one outstanding trait: it is a “strange MIRROR LOGIC THAT *REFUSES TO FACE REALITY*” (p. 428). But that is an *exact description* of every College and University professor on *five continents* (1800–2000) who believes in (1) spontaneous generation and (2) perpetual motion (see p. 2).

Wilson says, “This is the *essence* of the CRIMINAL MIND.”

“**Let this mind be in you, which was also in Christ Jesus**” (Phil. 2:5).

“**And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God**” (Rom. 12:2).

“Magical thinking” is the ostrich burying its head in the sand (p. 429). It is man’s deliberate attempt to *pretend* something does not exist (Heaven, Satan, Hell, God, or absolute truth, for example) or that sin is not what it actually *is*: say, for example, human nature, the law of human collapse, the judgments of God against sin *HERE* and the judgment of God against sin *HEREAFTER*.

“This type of *magical thinking* is typical of the RAPIST” (p. 429).

It is also “typical,” if not *conclusive* of JFK, FDR, Winston Churchill, Albert Einstein, John Gotti, Sigmund Freud, Al Capone, Karl Marx, “Slick” Willie, Errol Flynn, Charles Manson, Albert Anastasia, Jack “Legs” Diamond, Abraham Lincoln (*a Deist who rejected everything Jesus Christ said about Himself* in John 8:58, 10:30, 14:6; Matthew 28:18; and Revelation 22), Mohammed, Buddha, Madonna, Mike Wallace, Eddie Murphy, John Dillinger, all Popes (*all Popes are positive thinkers on their church and the future of all men in the next ten years*), Baby Face Nelson, *all* the leaders in the NEA, *all* the leaders in the ACLU, *all* of the leaders and heads of the CIA, EPA, UN, and *every* minister in the NCCC and the WCCC, plus the Vatican II ecumenical council.

“Positive thinking” is “mirror logic.” *It never faces reality, and it never deals with sources and causes* (“an ounce of prevention”). It always deals with proposed *solutions* to alleviate *symptoms* (“a pound of cure”).

The CAUSES are given in Genesis 1–50, and the CURES are given in Revelation 19–22.

Don’t like Genesis–Revelation? *Then throw the Book out*, like the American government did between 1960 and 1964, and you will have—UTOPIA! You will “bring in the kingdom of peace on earth” without the *author* of peace or the *giver* of peace! *Voila!*

In describing the child murders carried out by Ian Brady (English killer), Wilson’s “mammoth” compendium is extremely careful to OMIT what really shaped the perverted killer’s *character*. In page after page, the “*history* of murder” is stuffed with all kinds of philosophical bull sessions about what created the particular monster being described, but in Brady’s case, Wilson never even mentions the thing that molded Brady’s thinking from *the time he was twelve years old till he was arrested*. Do you know what it was? *It was Hollywood movies*.

I have the “original” account of “Brady and Myra” picking up young children, making

them pose for pornographic films, then raping or sodomizing them, and then beating them to death or stabbing or shooting them. It is called *Beyond Belief* (Emlyn Williams, Random House, 1968).

Long *before* Brady beat his first queer to death with a hatchet and long before he buried a little boy face down on the moors after tying his legs together with the boy's own underwear, he had sat in the English theaters and watched:

The Elusive Pimpernel, Shake Hands With Murder, The Tougher They Come, The Prowler, Gunman in the Streets, Flesh and Fury, Secret People, Night was my Friend, Killer With a Label, A Blueprint for Murder, Life After Dark (adults only), Lone Gun, They Gave Him a Gun, Three Steps to the Gallows, Naked Alibi, Killer at Large, Companions in Crime, The Cop Haters, The Edge of Fury, Ride a Violent Mile, How to Rob a Bank, The Fiend Who Walked West, Candidate for Murder, Deadly Duo, The Outsider, Night of the Demon, Return of Jack the Ripper, etc., etc.

He topped this off by reading Donatien-Alphonse-Francois de Sade (1740–1814). He was educated as a baptized, confirmed *Roman Catholic* in a Jesuit college (Louis-le-Grand, France).

Ian Brady was raised on “magical, possibility THINKING”; it was his DIET seven days a week. It was “all in his mind.” He got it from *pictures*—“virtual reality.” It had nothing to do with anything REAL. Ditto *M. L. King's* “dream.” Ditto *Johnson's* “War on Poverty.” Ditto *Bush's* “War on Terrorism.” Ditto “*Queen Jackie*” and “*Camelot*” in Washington, D.C. Ditto the *UN charter*. Ditto the *League of Nations* charter. Ditto *Bush's* “Road Map.” Ditto *Abe Lincoln's* Gettysburg address (see pp. 5–6). And ditto the “*Homeland Security*” Act, the *Social Security Act*, “affirmative action,” *values clarification*, “behavior modification,” *diversified cultures*, and “alternate sexual orientations.” *Same outfit*. Same MIND. *Same type of thinking*. Same delusions and hallucinations. Same eternal errors, same confusion, same eternal failures, and the same FRUIT: *depravity degenerated*.

Murphy: “When everyone thinks alike, *no one is thinking*.”

Murphy: “The more man-like machines become, the more men will become like *machines*.”

Wilson's “history of murder” is an *incomplete history* and grossly in error when dealing with the future, and insane in its attempt to explain what the Book explained thoroughly more than 1,000 years before Mohammed was born. It arrives at no conclusion that would slow down the crime rate *anywhere*. Wilson ignored the *twenty murders a day* in South Africa since New York “improved.” There were *ten killings a day* in Washington, D.C. while he was writing his book (1990). He also forgot to tell you that since he wrote his book, 6,500,000 Americans (*seventy-five percent of them BLACK*) were in legal custody of the courts while another 2,000,000 had been sentenced and in the prisons by 2003; *250,000 of them in one State alone* (Texas).

This is Darwin's “evolution” at work. The biggest problems in high school in the 1920s and 1930s were shirts that were not tucked in, running in the hallways, chewing gum, talking in class, using filthy language, being late to class or “tardy,” and failing to

read assignments. In less than forty years (1970) the major problems were *rioting, mugging, cursing, attacking teachers, and illiteracy*. Thirty years later, the main problems were *drug addiction, unmarried mothers, abortions, VD, rape, and MURDER*.

That is the *result of positive* (“magical”) thinking. You see, now (2006), Brady’s movies are in the living rooms of your homes: *they’ve been showing them forty years*.

Positive thinking is more *deadly* than Ted Bundy or Peter Kurten (the Dusseldorf Vampire).

“Positive thinking” is the quickest way to *death and Hell* both, locally, individually, nationally, mentally, socially, economically, and *internationally*, that the degenerate mind of fallen “man” ever invented (Eccl. 7:29).

Satan began his dialogue with “man” by saying “YES” (Gen. 3:1). And he was the greatest “possibility thinker” to ever show up in the universe (see pp. 86, 87).

He winds up in the Lake of Fire.

Chapter 7

A Genuine History Of Murder

It is more than apparent by the “preceding” chapters that there is a Grand Canyon gap of “credibility” between a *twenty-first century*, College-educated humanist and a *regenerated, Bible-believing Christian*. The same could be said of the difference between an One World Global Citizen or a peace-making “do-gooder” and a real Christian.

The whole problem is with *one Book* in a library of 23,000,000 books (see the work by the title *One in 23,000,000*, Bible Baptist Bookstore, 2002).

The problem has to do with authors and “semantics.”

“Semantics” deals with WORDS; so here is this upsetting, revolutionary, *negative*, destructive *Book* showing up—the monarch of *all* books, outselling any four of them combined. It shows up before Augustine, Jerome, or Pope Gregory’s mothers were born: three-fourths of it, including three books written by the wisest man who ever lived (1 Kings 3:12). This *Book* was in circulation before Socrates, Plato, Aristotle, Democritus, Epicurus, Philo, or Seneca had time to suck on a bottle.

This terrible, church-splitting, family-splitting, nation-splitting, world-splitting *Book* states that **“THE WORD”** existed before any author thought of the word “word.” The **“word”** it presents professed to be the entire alphabet (Rev. 1:8) from which all words are formed. The WORDS that Job heard (Job 38:1–40:2, 40:6–41:34) and valued more than his daily food (Job 23:12) *were not written by ONE writer before 1800 B.C.* These words (Gen. 3, 4, 6, 11, 12, etc.) came from **“THE Word** (John 1:1–2; 1 John 1:1–2) according to the *Book* that identifies Mohammed, Buddha, Mother Teresa, John Paul II, Bob Dylan, Princess Di, Katherine Hepburn, JFK and his whole family, Einstein, Freud, Marx, Churchill, Frank Sinatra, Jean Harlow, Abraham Lincoln, and Secretary General of the UN as nothing but poor, blind, self-righteous, deluded sinners without *one* spiritual bone in their bodies *from the cradle to the grave* (Eph. 2:1–3; John 3:36, 5:24; Rom. 3:10–19, 5:1–10; John 8:40–47; Prov. 13:13).

The *Deists* among them had no more use for what **“THE WORD”** said (for example: Luke 24:25; John 13:13; Matt. 24:35, 25:41; John 14:6, 9) than Mohammed or Mohammed Ali did. If there were any *professing Christians* in the lot, their life never touched the life of their “role model” (1 Cor. 2:1–4; 1 Tim. 1:12–16) at any point in their “ministries.” They were as *unlike* the pattern given them (1 Tim. 1:16) as any unsaved atheist or agnostic who ever lived.

I repeat—here is the *Biblical standard* for THINKING when any man pretends that he is trying to find out *the truth* about HIMSELF or mankind in general.

“And he said unto them, Ye are they which justify yourselves before men; but God knoweth your hearts: for that which is highly esteemed among men is abomination in the sight of God” (Luke 16:15).

Jesus Christ takes for granted that His twelve disciples are EVIL. He doesn't even question the proposition. The Bible says why He doesn't.

“But Jesus did not commit himself unto them, because he knew all men,

“And needed not that any should testify of man: for he knew what was in man” (John 2:24–25).

The greatest Christian who ever lived (and who admonished his disciples to follow HIM, 1 Cor. 11:1) claimed he was “chief of sinners” (1 Tim. 1:15), and he told you to trust a gospel that was *75 percent negative* (Gal. 1:8; 1 Cor. 15:3–5; Acts 20:24) in order to be saved from an EVIL world.

“Who gave himself for our sins, that he might deliver us from this present evil world, according to the will of God and our Father” (Gal. 1:4).

The *wisest* man who ever lived declared that all of the evil doers that Wilson lists in his history of murder (100 percent, without one exception) were, *by nature*, EXACTLY LIKE EVERY CONGRESSMAN, MOVIE STAR, SENATOR, SPORTS HERO, KING, CLASSICAL OR ROCK MUSICIAN in *the next thirty centuries* (Eccl. 8:11).

“For there is not a just man upon earth, that doeth good, and sinneth not” (Eccl. 7:20).

“Because sentence against an evil work is not executed speedily, therefore the heart of the sons of men is fully set in them to do evil” (Eccl. 8:11).

Note that last verse does not say that the hearts of rapists, muggers, sadists, killers, etc., are “set in THEM to do evil.” It says the guilty people are “THE SONS OF MEN.”

This is what we call “*The Power of Negative Thinking.*”

We assume, on the basis of *history*, that at any time, under any condition, any one of US—including the author of the *History of Murder*—is capable of doing *anything* found in the *History of Murder*.

Every “positive thinking” idiot on this earth, educated or uneducated, religious or irreligious, child or adult, white, black, or brown, will deny *Ecclesiastes 8:11* flatly and declare that he or she is absolute *INNOCENT* and could not possibly (*under any condition*) commit acts that were really *atrocious*.

“But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death” (Rev. 21:8).

“She put her hand to the nail, and her right hand to the workmen’s hammer; and with the hammer she smote Sisera, she smote off his head, when she had pierced and stricken through his temples” (Judg. 5:26).

“And they made their father drink wine that night also: and the younger arose, and lay with him; and he perceived not when she lay down, nor when she arose.

Thus were both the daughters of Lot with child by their father” (Gen. 19:35–36).

“It is reported commonly that there is fornication among you, and such

fornication as is not so much as named among the Gentiles, that one should have his father's wife" (1 Cor. 5:1).

"Knowing this, that the law is not made for a righteous man, but for the lawless and disobedient, for the ungodly and for sinners, for unholy and profane, for murderers of fathers and murderers of mothers, for manslay-ers,

For whoremongers, for them that defile themselves with mankind, for menstealers, for liars, for perjured persons, and if there be any other thing that is contrary to sound doctrine" (1 Tim. 1:9–10).

"Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers,

Backbiters, haters of God, spiteful, proud, boasters, inventors of evil things, disobedient to parents" (Rom. 1:29–30).

"Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them" (Rom. 1:32).

"And Hazael said, Why weepeth my lord? And he answered, Because I know the evil that thou wilt do unto the children of Israel: their strong holds wilt thou set on fire, and their young men wilt thou slay with the sword, and wilt dash their children, and rip up their women with child" (2 Kings 8:12).

"And the king said unto her, What aileth thee? And she answered, This woman said unto me, Give thy son, that we may eat him to day, and we will eat my son to morrow.

So we boiled my son, and did eat him: and I said unto her on the next day, Give thy son, that we may eat him: and she hath hid her son" (2 Kings 6:28–29).

The Book says *anyone* has the *potential* for murder, torture, or rape. To prove it, it gives you "on stage," front and center, the glaring example of the greatest and *holiest* religious leaders in the nation of Israel, *rejoicing WHILE MURDERING GOD'S SON* (Matt. 27:41–42; Luke 23:35; Acts 7:52).

Any Pharisee was twice as *moral* and as *ethical* as any Pope or Supreme Court Judge you ever met in your life (Phil. 3:5–6; Luke 18:11–12).

You are studying "*The Power of Negative Thinking.*"

You should assume human nature is *corrupt* because the Book *takes it for granted*; it doesn't even *debate* the issue. It says simply "**Ye must be born AGAIN**" (John 3:7).

That commandment was *not* given to any rapist, mugger, jail bird, sadist, masochist, sex maniac, serial killer, or moron. *It was said to a clean living, righteous, law-abiding, religious Rabbi with educational credentials.* The only thing "good" Christ saw in him was his chance to start life over if he was willing to LOOK AT A SERPENT ON A POLE (John 3:14). How is that for "*positive thinking*"?

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life" (John 3:16).

“And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up” (John 3:14).

“And the LORD said unto Moses, Make thee a fiery serpent, and set it upon a pole: and it shall come to pass, that every one that is bitten, when he looketh upon it, shall live” (Num. 21:8).

“For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him” (2 Cor. 5:21).

Thousands of years before “murderers” would finish off 2,700 people at the “Twin Towers,” thousands of years before the death camps began to operate in Buchenwald, Dachau, Sobibor, Treblinka, Belsen-Belsen, Majdenak, Auschwitz, and Monhausen, you were given an authentic history of MURDER.

1. *Cain* murders Abel
2. *Esau* plots to murder his brother (Gen. 27:41).
3. *Laban* plans to kill Jacob (Gen. 31).
4. *Pharaoh* murders all the male babies (Exod. 2).
5. Someone (!!!) murders more than 20,000 children in Exodus 12.
6. Achan’s wife and sons are murdered because HE was guilty of a crime (Josh. 7).
7. Joshua’s captive POWs are all slaughtered (Josh. 8:26, 10:26).
8. All murderers deserve, and should get, capital punishment (Num. 35:16–23).
9. *Ehud* murders Eglon (Judg. 3:21–22).
10. *Jael* murders Sisera (Judg. 4:21).
11. *Samson* murders thirty innocent bystanders (Judg. 14:19).
12. A mob of *sex perverts* murder a man’s concubine (Judg. 19:25–27).
13. *Jepthah* kills his own daughter (Judg. 11:39).
14. You want a *slaughter*? Read Judges 15:16 and Judges 20.

All of this *historical material* was recorded in a *History Book* that was *abandoned* by “modern man.” Since it had the words **“God”** and **“Lord”** all through it; therefore, it could not be a *history* book, according to 20,000 “historians” who wrote twenty to 300,000 “history books,” *after THE Book was written*. All of this *historical information* on murder took place more than 200–2,000 years BEFORE Wilson’s “3,000 years” of murder (see p. 156–157, 159) *and slaughter began*.

It was discarded because it appeared in a *religious* context where no monkey man had a right to murder anyone without getting “murdered” himself. That is why Wilson, and 20,000 positive thinkers just like him, never referred to the *historical information* recorded in the Bible. It was against them and they knew it. They knew it consciously and subconsciously. “The only real argument against the Holy Bible is a BAD LIFE.” The Book knows all about “man” (1 Chron. 28:9; Eccl. 12:14; Ezek. 11:1–6) and TELLS it.

1. Murder? Watch *Absalom*’s servants murder his brother (2 Sam. 23:28–29).

2. Murder? Watch *David* murder *Uriah* by “proxy” (2 Sam. 12:9).

3. Murder? Why, *Abashai* was listed as a murderer along with his brother *Joab* (2 Sam. 3:30) as an accomplice, though he was not within fifty yards of *Abner* when *JOAB* killed him (2 Sam. 3:27).

4. Murder? How did *Wilson* in total blindness OMIT the greatest MURDER in history?

“Who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men” (1 Thess. 2:15).

“Be it known unto you all, and to all the people of Israel, that by the name of Jesus Christ of Nazareth, whom ye crucified, whom God raised from the dead, even by him doth this man stand here before you whole” (Acts 4:10).

“Which of the prophets have not your fathers persecuted? and they have slain them which shewed before of the coming of the Just One; of whom ye have been now the betrayers and murderers” (Acts 7:52).

You talk about stupid, clumsy, careless “RESEARCH” into a thesis! Man, what an omission for a “mammoth work!

5. *Ishbothsheth* was murdered (2 Sam. 4:7).

6. *Gideon’s sons* were murdered (Judg. 9:5).

7. *Herod* murdered children right and left (Matt. 2:16).

What do you think “mankind” was doing for 500 years in Judges to 2 Kings? Making sand castles? Playing Monopoly?

Elijah decapitated 400 religious leaders during the royal ecumenical activities of his day (1 Kings 18:40).

Jehu murdered another 100 or so for teaching false doctrine (2 Kings 10:21–25).

Do you think God had nothing to do with 3,000 *Levites* who assisted *Aaron* at the ecumenical “happening” coming out of Egypt (Exod. 32). *Their own relatives killed them* (Deut. 33:9; Exod. 32:27).

You talk about “upward from the apes”! What is the “measure of all things” doing killing as many of his fellow men with swords and spears in one battle (in 900 B.C.) as were killed in the entire World War I campaign in Flanders Field: look at 2 Chronicles 13:17.

The “Mammoth History” turned out to be a watered-down, revised *half-history* of “virtual reality.” The whole book was segregated from FACTS which took 2,000 years to record, and the recorders were *forty-two men on three different continents*. Five hundred eyewitnesses (1 Cor. 15:6) attested to the FACT of the literal resurrection of a dead man after He had been MURDERED (Acts 7:52), *and one of them was a medical doctor* (Luke; Col. 4:14).

How did *Wilson* miss that one? Easy: *bad life* (John 3:19–20, 1:11, 8:40–47, 5:46–47; Luke 24:25–27). That is, according to HISTORY.

More careful researchers and observers than Colin Wilson noticed that nearly *all* of the killers and murderers, excluding only all powerful rulers (like Hitler, Castro, Lenin, Stalin, JFK, FDR, Mao Tse-tung, Pol Pot, et al.), were HUNG or beheaded once they had been arrested and tried. That is, they were from 3000 B.C. to A.D. 1900. But when the ape man “evolved,” suddenly the rapers, killers, sadists, sex maniacs, and cannibals discovered that any ape man can do ANYTHING and *not* get killed for it: *progress*.

Consider this amazing (yea, verily “awesome”) truth: after 1,000,000 years of “progress,” suddenly the *death penalty* is removed from ALL killers in less than 100 years. Evolution evidently is a little “unbalanced” in its “findings.” It is evidently inconsistent with ITSELF. *Why promote and encourage murderers?* Will this help “evolution” to make greater progress?

What could have caused several thousand killers to avoid “the hot squat” (“riding the lightning”) or the needle or the noose or the firing squad *in less than 100 years* after a 1,000,000 year record of killings, justice, punishment, and revenge?

Piece-a-cake: *positive thinking*.

Darwin’s monkey men are now to house, *feed*, and *sustain* killers with tax money, or *let them out to kill someone else*. Charles Manson (2003) still has an air-conditioned cell and eats steak once a week while enjoying the movies. How dare you call him “evil” or “unrighteous” (1 John 3:12)? Your job is to make him *comfortable* since he had “handicaps” you didn’t have! Scripture? Of course! Just quote John 8:7 and 9,000,000 suckers will follow you to the letter.

That is the “power” of positive thinking: it creates, sustains, and *comforts* killers.

What modern, conservative and evangelical Fundamentalists have done in this country, since World War II, is adopt the *humanistic thinking patterns* of unsaved psychiatrists, journalists, TV news analysts, amateur psychologists, and politicians. In their effort to build their careers (like all movie stars, entertainers, and *politicians*) instead of serving with their ministries, preachers have “donned” the mantle of “magical thinking” in order to increase their enrollments, attendance, offerings, and incomes.

Naturally they had to find a Scriptural “backing” for this apostasy. It was not hard to find. The following passages would make you think that the entire Christian life was nothing but a big hugging, smiling, loving, cheerful, encouraging, accepting, cooperating, caring, sharing fellowship of kindred minds where no one is ever judged, rebuked, reprovved, corrected, offended, criticized, “churched,” or denied fellowship: 1 John 2:10, 13, 14, 4:7–9, 16, 21; 1 Peter 1:22, 2:9, 21, 3:8–11; 1 Corinthians 13; Psalm 23; Matthew 5:1–11; 1 Corinthians 1:10, 6:7, 8:1.

Since every battery *has* two poles (or the car won’t run) the following verses are either slighted or ignored or (many times) altered with “the original Greek”: Hebrews 12:29; James 4:4; 1 Corinthians 5:11, 6:16–18, 3:18–20, 2:15, 15:35–36; 2 Corinthians 2:17, 6:14–17, 11:13–15; Romans 1:18–32, 2:12, 3:4, 10–11, 11:25–28, 14:21–23; 16:17–18; Galatians 1:4, 8, 2:11, 3:1, 13, 22, 4:25–30, 5:7–12; Ephesians 4:13, 30, 5:11–18; Philippians 3:17–21; Colossians 1:14, 2:3–8; 1 Timothy 6:5, 10, 20, etc., etc.

“Accentuate the positive (list no. 1) and *eliminate* the negative” (list no. 2), and what do you have?

A totally destroyed “Body of Christ” drowned (1900–2000) in 10,000 fathoms of degenerate apostasy (Rev. 3; 2 Tim. 3, 4).

“Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?” (Gen. 3:1).

That was Satan’s plan to start with. You see, Mother Eve was a type of *THE BODY OF CHRIST* (see Eph. 5:31) as Adam was a type of *CHRIST* (Rom. 5:14–19; 1 Cor. 15:22, 45; Heb. 2:9–14).

It was when Satan got the Body of Christ—made up of *saved, Bible-believing Christians*—to doubt what God SAID (1880–1901), that he began to build the Laodicean Church (Rev. 3:14–20). The Philadelphia Church **“KEPT”** what God said (Rev. 3:8). The heralds of the mammoth, international apostasy (1850–1900) were all *positive thinkers*: Darwin, Huxley, Paley, Chambers, Haeckel, Marx, Freud, Einstein, and “Strata” Smith.

They sold Colin Wilson (*The Mammoth History of Murder*) on the idea that no crimes are punished after the *death* of a criminal, all criminals can blame *someone else* (or SOMETHING else) for their crimes, and none of them are “wicked” or “evil” for acting like AMORAL animals (Darwin, Einstein, Huxley, et al., same crew exactly) since no such things as “immorality,” “evil,” “wickedness,” “unrighteousness,” “sin,” or “Hell” even exist.

That is “the power of positive thinking.”

It is the quickest and easiest road to the *Lake of Fire* (Rev. 20:14) ever invented by “possibility thinkers.”

The sanest and *safest* approach to life (on any continent in *any* age) has been to obey GOD when He reveals anything. If He reveals that man is a *failure* without God, that man has been *degenerating* since 4000 B.C., and that man’s crimes and sins are incurable *apart from His intervention*, you had better believe it. If His Book says that “man” is headed for judgment and eternal retribution and the “Age of Gold” (Greek philosophers) or the “Kingdom of God” (Utopia, Valhalla, the Happy Hunting Ground, Nirvana, Paradise, Heaven, Samadhi, or “peace on earth”) will only be attained by God Himself, then you had better adopt THAT attitude toward your future instead of the attitude (or “mind set”) recommended by 22,999,999 other books in the Library of Congress.

In any book you read, if “man” begins in a mud puddle and ends up as *master of the universe*, with no references to “evil,” “sin,” “unrighteousness,” “sinners,” “Hell,” “damnation,” “depravity,” “degeneration,” “apostasy,” “transgressions,” “trespasses,” “wickedness,” “demons,” “Satan,” “God,” “Jesus Christ,” or the “Holy Scriptures”; you can be certain that no author is writing the book but a half-baked, positive-thinking, pseudo-intellectual *CRACK POT*. He will get you killed. *All kingdom builders are bloody killers.*

EPILOGUE

Years ago (1993), I published a treatise on *Art and Artists*. In that work, as well as such publications as *The Damnation of a Nation* (1991) and *The Sure Word of Prophecy* (1969), it was called to the reader's attention that all dispensations recorded in the Bible—which cover more than 5,000 years of man's history—*end* NEGATIVELY. This includes the *coming* “Golden Age” promised by the Greek philosophers, God's “will done on earth as it is in heaven” (the disciple's prayer; Matt. 6:9–13), the New Age, the Kingdom of God on earth, etc. That “age” (see Rev. 20:1–9) ends in TOTAL *DISINTEGRATION*.

“And they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down from God out of heaven, and devoured them.

“And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever” (Rev. 20:9–10).

This is followed by the Last Judgment (Rev. 20:11) of the unsaved dead and fallen angels (2 Pet. 2; Jude). This is a judgment that all Jews, Moslems, Catholics, and Protestants *profess* to believe.

Now to show you a perfect example of how ridiculous, how childish, how immature, how shallow, and how STUPID *all* “positive thinkers” are, observe these choice words found in a twenty-first century work by Paul Johnson. It is called *ART, a NEW History* (Harper Collins, N.Y.). [The writer also authored *A HISTORY of the English People, A HISTORY of the Americans, A HISTORY of the Jews,*” and *A HISTORY of Christianity.*]

To write these books, he had to IGNORE the HISTORY BOOK that Jews and Christians, and Americans and Englishmen have read, studied, preached, taught, and MEMORIZED for more than *thirty centuries*. *Englishmen* (1500–2004), *Americans* (1600–2004), *Christians* (A.D. 90 to 2004), *Jews* (1400 B.C. to A.D. 2004), and even *Moslems* (the Old Testament—A.D. 600 to 2004).

Paul Johnson, in order to write what he wrote (op cit., p. 752), when he summed up his entire “history,” had to exchange the Holy Scriptures for *two books*: Plato's *Republic* and Darwin's *Origin of the Species*: literally. He had to literally SWEAR by his “god”—*if he had one!*—that Darwin, Huxley, Spencer, Haeckel, Einstein, Marx, Dewey, Russell, James, Hawking, Glasser, and every humanist and atheist who believed them, were THE ABSOLUTE TRUTH when it came to *FINAL STANDARDS OF AUTHORITY* when *INTERPRETING HISTORY*—any history (see p. 2).

To do this he had to “junk” more than *500 verses* in the Old Testament and more than *100* in the New Testament. He did it without batting an eyelid.

He did it exactly as all of the characters did on pages viii, 56, 58–57 of THIS work when you first began to read it (and got tired of reading the “lists”!).

After writing FIVE *history* books, the author of *Art, a New History* sums up his

findings so they renounce, reject, and *deny every historical FACT that was ever recorded in man's history.*

Cheering up any negative pessimists who might be “under stress” as they look at art's future—following such crazy, cockeyed, *lack of talent* as exhibited by Karrel Appel, Jasper Jones, Mark Tobey, Mark Chagall, Jean Dubuffet, Barnett Newman, DeKooning, Norris Graves, Franz Kline—YOU DID WANT ANOTHER “LIST,” DIDN'T YOU?—Mark Rotho, Adolph Gottlieb, Gaugin, Beckman, Jackson Pollock, Mondrian, Kandinsky, Braque, Miro, Roualt, Andy Warhol, Klee, Modigliani, Raoul Duffy, Roualt, et al.—the author (Paul Johnson) tells his reader to be of good cheer!

“There is no long term cause for being despondent about the future of “modern art” just because the last 200 *untalented* “quacks” never learned how to *draw* or *paint*, and all resorted to the PRESS to sell their pictures (see *Art and Artists*, 1993, Bible Baptist Bookstore).

“ALL of the MISTAKES made in the last century can be CORRECTED.” (What? What on earth?! What would these be? He doesn't mention ONE of them, *not in a list of TWENTY famous twentieth-century painters*: not ONE “mistake.” Boy are we ever “accentuating the positive while eliminating the negative” (Mercer, p. ix).

“In many ways [*none listed*] the PROCESS [Darwin] has already started....” Example? He couldn't find *ONE example* after writing FIVE history books on man's HISTORY. Not *one example*. Not even a general statement on any “process.” Johnson writes exactly like the authors of every article you have seen in the *National Geographic* since 1935.

“The human race is in its INFANCY.”

Proof? Silly boy. Positive thinkers would get sick if they were exposed to the scientific facts found in 905 pages of “man's history” as recorded in *The Evolution Cruncher* (Vance Ferrell, 2001).

“Infancy?” What if it were? Is he telling you that since Leakey found “Lucy” in Africa that *2,000,000 years of evolution* didn't *PREVENT* the mistakes man has made in the last *100 years*? (He said “last century”!)

“The story of Art has only just *begun*.” He means he makes his living writing history books. He wants to sell some more later.

“Human life is short but the life of ART is long and the *BEST IS YET TO COME!*”

And what is this “best” that is “yet to come”?

Well, if the ACLU, NEA, UN, ABC, NBC, *Newsweek*, *Time*, *Life*, UNESCO, Vatican, CNN, CBS, and the Catholic Gannet news string (Rochester, NY) is right, the “best” will be *man* bringing the Kingdom of God to earth, *without God or the Bible*, and peace on earth will come about by self-effort *as men get rid of “differences.”* The perfect *art*, then, would be a GRAY PIECE OF CANVAS: no color CONTRASTS, no DIFFERENT eye levels, no DIFFERENT brush strokes, no VARIETY in perspectives, no DIFFERENCE in sizes, no CHANGES of mediums, and no VARIANT THOUGHTS expressed.

Perfect Babylonian integration, blending, unity, harmony, and peace (Gen. 11) *with all “differences” reconciled.*

“The future of ART,” *historically* speaking if it is in line with past, present, and future history (as recorded by anyone), will be the exact future of music, literature, architecture, communications, transportation, medicine, politics, religion, and worship. It has already been recorded by the *Author* of history who writes from the standpoint of an *eyewitness*, standing out *beyond the year A.D. 4000*, and it goes like this:

1. *Cannibalism* in religious services (Isa. 6:13).
2. *Fornication* as a part of worship (Rev. 2:20).
3. International *demoniac activity* (Rev. 9, 14).
4. International *panic* with earthquakes, tidal waves, hurricanes, tornadoes, and hail stones weighing eight pounds a piece (Rev. 6, 9, 16).
5. Worship of *Satan* via Rome and Jerusalem (2 Thess. 2).
6. *Genocide* practised again on Israel (Rev. 12).
7. *Three world wars* (Rev. 6, 19, 20).
8. All populaces *starved to death* if they don’t take “chip implants” or “bar codes” or “tattoos” on their faces (Rev. 13) or hands.
9. *Total destruction* of the Vatican, Moscow, Mecca, Washington, D.C., New York, London, Medina, Paris, Vienna, Beijing, Saigon, Tokyo, Houston, Miami, Madrid, Bombay, Sydney, Chicago, Cairo, UNESCO, *the Catholic Church*, the Greek Orthodox Church, Buddhism, *Islam*, Hinduism, plus the Federal Reserve Bank, the Bank of Rome, the Club of Rome, the Illuminati, Masons, ER, CIA, and the Trilateral Commission (Rev. 19–20; 2 Pet. 2; Isa. 24).

“The BEST is yet to come!”

There is your twenty-first century “possibility thinker” in the finest tradition of Earl Stanley Jones, Norman Vincent Peale, the “Rev.” Robert Schuller, Andrew Carnegie, and SATAN. The first word the Devil spoke in Scripture was “YES” (see Gen. 3:1).

Every twenty-first century Ph.D. or M.D. or Th.D. or Pope in the twenty-first century will be given TWO “options” by *THE BOOK*. According to the Creator of the universe (and MAN, TIME [history], and ETERNITY [pre and post “history”]), they can either go “Back to the BIBLE” or “Back to the JUNGLE.” Darwin took them back to the jungle with Leakey as “point man.”

Two destinations: *the Book or the Jungle*. Take your pick.

The *HISTORY OF ART, MUSIC, AND LITERATURE*, *since* 1900 has been “back to the jungle.” If a historian cannot see *that* from a study of ART and MUSIC and LITERATURE, between 1900 and 2000, he is not fit to write a history about anything for anyone.

He is on philosophical “crack,” and he is as cracked as a “crack pot” (see p. 13). “*Pot*” and “*crack*” are the two main drugs for modern journalists, commentators, and

historians. They live and die in a *dream world* of pagan, childish fantasies fashioned to suit their own “life styles.” Since “misery loves company,” they desire to drag *you* down into the muck and slime of *their own* swampy jungles. They fancy *they* are living in a rose garden.

All “positive thinkers” are deluded sinners whose “magical thinking” and “possibility thinking” takes them right down the *broad way* into the wide gate (Matt. 7:13) that opens up on a LAKE OF FIRE. Unfortunately there are always several millions of other sinners who think of themselves in the same light: they are all so “wonderful” no God would THINK of letting them wind up with “**the devil and his angels**” (Matt. 25:41), so they “follow the leader” (Matt. 15:14).

Jesus Christ describes them in Matthew 23:13). In the Book, no sinner can hope for a positive ending unless he can look Romans 8:28, 29 and 1 John 3:1–3 “in the face” and claim them as his possession.

A “happy ending” is Philippians 3:21 and 1:6. Neither passage has any application to any Hindu, Buddhist, Moslem, Jewish, Protestant, Catholic, Taoist, Atheist, Humanist, or Agnostic unless he obeyed the commandment found in ONE BOOK:

“He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him.” (John 3:36).

“Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life. ” (John 5:24).

“And we know that the Son of God is come, and hath given us an understanding, that we may know him that is true, and we are in him that is true, even in his Son Jesus Christ. This is the true God, and eternal life. ” (1 John 5:20).
