CHAPTER ONE

A Brief Overview

All Islamic State laws, traditions, religious dogmas, political actions, and world views come from TWO BOOKS: the *Koran* and the *Hadith*.

A third book is a biography of *Ishaq* (775), who eulogized Mohammed and *omitted* ALL of the negative, historical material found in several dozen Arabic works.

Special prayer is *Fatiha*. The State tax is *Zakat*. The *Fatiha* is in Sura 1:1–6 where “Allah” is given titles without any name being revealed. The five Islamic daily prayers are called *Subh*, *Zuhr*, *Assr*, *Maghrib*, and *Isha*. A Moslem is to be *killed* if he doesn’t pray these prayers REGULARLY when he is able to pray them. This law is part of the laws called *Sharia*. As soon as any group of Moslems succeed in overthrowing any local government, anywhere, they set these laws up as a STATE CONSTITUTION to be obeyed without question (*Islamic Verdicts*, Vol. 2, *Fatawa Islamiyah*, Darus-salam Pub. Lahore, London, Houston, 2001, pp. 381–384).

The *Sharia* is based in the *Sunnah*—how Mohammed behaved according to tradition; *Qiyas* (“reasoning”) produces new laws that pop up based on “figuring” from the *Sharias* and the *Sunnahs*; a majority vote (*Ijma*) establishes them on a point of law. All the main Islamic laws were “finalized” in the tenth century; they state that *there is only one religion for all mankind*. (See *Koran* references on pp. 3, 5.)

All nations are at *war* with “Islam” till they make peace with *Moslems*. The conditions for making peace are “submission” to Mohammedanism or else taxing, serving as slaves and concubines, or being tortured and killed. (See Mohammed’s “Sermon on the Mount”—p. 30.)

Rewards are to be given to all Moslems who kill non-Moslems and for being a martyr (*Shahid*). Martyrdom *guarantees* eternal life in Paradise. (*What You Should Know About Islam*, Braswell, 2000, Broadman Press, pp. 32–39.)

A “JIHAD” comes in four sizes: the one most practised in history is attacking nations that are *not* Mohammedan: Arabia, Pakistan, Iran, Iraq (Persia), Liberia, the Sudan, Syria, Turkey, Palestine, Ethiopia, Egypt, Morocco, Sicily, Italy, Crete, Cyprus, Spain, France, Nigeria, Angola, etc. (*Behind the Veil*, Abd El Schafi, Pioneer Book Co., 1996, 202, pp. 31–75).

Islam has never been “spread” one time by preaching, “dialogue,” teaching, prayer, communications, or “witnessing.” Every military conquest *before* the Crusades (A.D. 1100) was open, aggressive, offensive WARFARE (The Sahih of al-Bukhari (*The Hadith*), The Sahih orf Muslim (*The Hadith*), The Commentary by Ibn Kathir, and the “Muhalla” (Ibn Kathir, Ibn Abba, Dr. Abu Zayd, Ibn Hisham al-Sohaily and Ibn Qayyim al-Jawziyya).

To cover up this universal testimony, three more “jihads” were *added* to the original: these are a “warfare” against *yourself* to live better (which is called a “Jihad of Heart”), a

warring against social ills (which also includes funding military jihads and Islamic political activity) called “Jihad of Hand,” and then a “war of the Tongue,” which is speaking up for Mohammed’s faith.

The *Koran* “JIHAD” is found in Sura 2:244, 47:4, 9:5, 9:29, and many other places. Ninety percent of the references are to *killing non-Moslems*.

The Mohammedans who teach Moham-medanism are *Imams* and *Ulamas*: the role model for all *Ulamas* is Mohammed himself. A typical member of the *Ulama* who followed Mohammed as a “role model” was *Ayatollah Khomeini*. He was a demon-possessed, bloody terrorist and a religious BIGOT who would make any Jesuit priest look like Captain Kangaroo.

There are various types of Moslems since Islam split into five or six groups: *Sunni* Orthodox, *Shiite* Reformers, *Sufi* Mystics, *Wahhabism* Fundamentalists with two different schools of theology (*Mutazilites* and *Asharites*), and then several *Shiite* “sects.”

All agree that heaven and earth were made for Allah and Mohammed (*The Holy Hadith*, Vol. IV, no. 392) and that the whole world is to be converted to *Mohammedanism* under the false title of “Islam” (*The Holy Qur’an*, Maulana Muhammad Ali, 1995): Sura 6:166 note 872, 21:107 note 1667, 6:74, 67:1 note 2526, 21:105 notes 1666 and 1684, 48:28 note 2356).

The term “Islam” came from military language in Arabic since Mohammed was a *military dictator*. It had nothing to do with “peace” or “submission” to God. The original term was for a brave Arab who obeyed orders in battle at the risk of getting killed (thesis by Dr. J. Smith of Harvard University and *The Spiritual Background of Islam*, Dr. M. Bravmann, cited in “*Who is This Allah?*” G. J. O. Moshay, p. 27).

The five daily prayers are called *SALAT*; the pilgrimage is *HAJ*; fasting is *SAWM*; and the *Shahada* is a declaration of faith where “Allah” has no name: it is the “declaration” of all “**DEVILS**” as recorded in James 2:19.

While Mohammed was dictating what a 600-winged angel gave him (*The Holy Qur’an*) he was fornicating with two professing Christian women (*Khadija* and *Waraqqa*). He also fornicated with a Jewess named *Raihana*; his ninth wife (he had fourteen of them plus a harem of slaves) was *Safiyya*, a Jew; she was captured after Mohammed killed her husband (battle against the Khaibar Jews).

With two witnesses to the New Testament and two witness to the Old Testament, Mohammed went to bed (along with his *nine-year-old* “wife” *Aisha*) with two Christian slaves—*Maryam* and her sister *Sirin*. (Note this is a violation of Lev. 18:18.) It is from these Bible witnesses that Mohammed *invented* his own version of both Testaments, often making errors that only could come from someone as STUPID as a 600-winged angel. He wound up with “**Esau**” (*Isa*) in Matthew, Mark, Luke, and John instead of “**Jesus**” (*Iesous*); Mary having a brother named “Aaron”; and (wonder of wonders) *the baby Jesus being born under a palm tree*.

CHAPTER TWO

The “Holy” Qur’an

This is the *Holy Qur’an*, according to *all* Ulamas and Imams (A.D. 700–A.D. 2006):

1. Jesus Christ was NOT the “**prophet like unto Moses**: (Sura 28:44, note 1882); Mohammed was, in spite of Acts 3:20–22 and 7:37, 52.
2. The *Holy Bible* is not equal to the words in the *Koran* (Sura 28:49, note 1885).
3. All Moslems have a purer knowledge of God than Matthew, Mark, Luke, or John had (Sura 29:46, note 1916).
4. The Bible (now in 160 different major languages) was not given to the whole world, but the *Koran* was (Sura 32:23, note 1963).
5. The *Holy Bible* lied about Ishmael and Isaac in both Testaments (Gen. 21:10; Gal. 4:21–31; Sura 36:14, note 1963).
6. The oldest book in the world is a lie (Job) *and should not be in any Bible* (Sura 38:41, note 2144).
7. All Christians, Jews, Taoists, Buddhists, Atheists, and Hindus are to worship “ALLAH” because ALL religious truths can be found in the *Koran*, not the *Holy Bible* (Sura 28:2, note 2537).
8. Mohammed was the HOLY GHOST Jesus spoke of in John 14:16 and John 14:26 (Sura 17:81, note 1461).
9. Every word in the *Koran* came from an angel: not ONE WORD of it came from “Allah” (Sura 19:19, note 1537).
10. No one is more unjust than a Bible-believing Jew or Christian (Sura 10:17).

The *Qur’an* is the “greatest spiritual force” the world has ever seen (p. vi, *The Holy Qur’an*, Maulana, Muhammad Ali: Ahmadiyyah Anjuman Isha’a Lahore, 1995). Its object is to “bring HUMANITY to perfection,” *without* the New Birth or any *sacrifice* for mankind’s sins. The *Qur’an* will ultimately overcome *all* Asiatics, Africans, Europeans, and Americans (p. vi) because nobody can produce a book LIKE it. “No other book can be credited with keeping a language ALIVE (see Zeph. 3:9; Mal. 3:6) for thirteen centuries” (p. ix).

(P.S. The *Holy Bible*, three-fourths of which was written in Hebrew, kept the Hebrew language alive for more than *thirty* centuries.)

“All other Scriptures (anything not the *Koran*) have a divine origin and are members of the same family.” (The *Holy Bible* contradicts the *Koran* in 100 passages containing more than 4,000 verses.)

“The *Qur’an* explains ALL obscurities (p. xi) and is a perfect revelation of the divine will” (p. xi). The *Qur’an* teaches that neither Paradise (with the virgins) nor Hell (with

everlasting torment) is literal; both are poetic and figurative (pp. xv–xxi). Both are just “stages in evolution” (pp. xx–xxi). (See p. 7 for a contradiction.)

This is the book that is the source of a paranoid BIGOTRY which leads to assassinations, murder, slavery, warfare, polygamy, lying under oath, and going completely to pieces mentally when anyone prints or speaks any *TRUTH* regarding Mohammed or his life or his work or his wives or his speech or his religion. The source is a BOOK. Islam’s book says:

1. *God never begat a Son nor had ANY “sons”* (Sura 112:3).

2. No one on earth has any business worshipping Jesus Christ under ANY condition (Sura 114:1, note 2822).

3. Angels are FEMALES (Sura 53:27, note 2382).

4. Mohammed was SINLESS (Sura 53:2, note 2372). (See p. 8 for contradiction.)

5. Jesus Christ never created ANYTHING, let alone that with which Paul (Col. 1:15–17) and John (John 1:3, 10) credited Him (Rev. 1:8, 3:14). He created nothing because Jesus Himself, like ADAM, *was made out of DUST* (Sura 3:58).

6. Peter, James, Paul, and John were “*FUEL FOR HELL*” (Sura 21:98).

7. Jesus Christ did NOT die on the cross, and He never died for anyone (Sura 3:54, note 43b). He died a natural death (Sura 5:75, note 724; Sura 23:50, note 1723).

Every devout Moslem in the Americas, Asia, Africa, and Europe is required to believe *those statements* UNDER PAIN OF DEATH IF THEY DO NOT.

8. Note that after claiming he was sinless, above, Mohammed himself swore that he was NOT sinless (Sura 12:53). (See No. 4.)

9. God created the universe in SIX days, or SEVEN or TWO or 6,000 YEARS (Sura 41:9; Sura 79:30, note 2659, note 2199, etc.).

10. Jesus confessed that Mohammed was a greater prophet than He was (Sura 61:6, note 2496) *because Mohammed attained PERFECTION before he died* (Sura 40:55, notes 2174, 2575, and 2539).

11. Mohammed was a “Messiah” (*Christos*) who (after he died) is still able to raise men and women to “the highest state of PURITY and PERFECTION” (Sura 22:21, note 1997). He was so pure that Allah purified all of his wives, slaves, and concubines (whoever had sexual intercourse with him) so none of them had to give an account for their sins (Sura 24:21, note 1763; Sura 33:21, note 1197; Sura 29:46, note 1916).

12. The entire earth (the world) belongs to TWO characters: Mohammed and Allah (*Holy Hadith*, Vol. IV, no. 392).

Not one inch belongs to Jesus Christ (Rev. 11:15; Col. 1:16; John 1:3,10) or His apostles (Matt. 19:28) or His converts (Col. 3:24) or His nation (John 4:22; Luke 1:32–33; Isa. 2:1–6).

This is why no Moslem can stand for ANYONE to *investigate* his religion, his “holy books,” his State-Church laws (the Sharia), his religious convictions, or his “salvation by

works” setup. He will become infuriated to the point of CRIMINAL INSANITY if you dare to print or speak (or read or write) anything that is TRUE about any of them.

CHAPTER THREE

The “Holy” Hadith

The commandments in the *Hadith* are as “binding on all believers as the commandments of Allah.” The *Hadith* is to be followed for “that which differs from the *Hadith* to the extent of a *hair* shall be given up” (Mishkat al-Masabih, Book I, Introduction *Qur’an and Hadith*,” p. 3; Itqan fi *Ulum al-Qur’an*, Vol. I, p. 182. Mishkat al-Masabih, op cit., pp. 2–3).

This means what you are about to read are Allah’s *commandments* since to obey Mohammed is to obey Allah (*Holy Qu’ran*, Sura 4:80). No Moslem is “devout” or a real “believer” if he does not accept the following information which all Moslems have to accept *whether they believe in them or not*.

There are several editions of the *Hadith* with Bukhari’s *Hadith* being the most well known and best approved. Bukhari says Mohammed said that “he had never seen any group as deficient in intelligence and religion as *women*” and that there were more women in Hell than there were *men* (*Hadith*, Vol. I, no. 28, 301, and Vol. II no. 161).

1. “Women are created like animals and plants and other useful things” (Sura 30:21 commented on by Imam Razi).
2. “Women are among the mute animals...they have the nature of beasts” (Imam Hadi Sabzevari on the *Koran*).
3. “When a woman walks out of her house the devil welcomes her (*Women in Islam*, M. R. Haqq, 1995, p. 7).
4. Your husband’s desire for intercourse must be attended to at once, under any condition.
5. Your destiny in Paradise or Hell is determined by “how you treat your husband.”
6. Your husband’s rights are so great that if he ordered you to cut off your breasts or suck phlemn and pus out of his nose you should obey.
7. You can refuse your wife intercourse, and you can scourge or beat her if she “displeases” you.
8. Your husband can marry *three other women* besides you and then have sex “on the side” with any number of *slave girls*.
9. Mohammed bragged about being so carnal and fleshy that he had the power of forty men when it came to intercourse.
10. Your husband can dump you by simply saying “You are divorced” (*Behind the Veil*, Abd El Schafi, 1996, p. 111).
11. Mohammed said the most detrimental thing to men were women.
12. A man’s wife is his *slave* (Ibn Qayyim al-Jawziyya in *Zad al-Ma* [Part V, p. 189]).

13. Any man can marry you *temporarily*, and if the marriage only last three nights it is not *fornication* or *adultery* (Sahi al-Bukbari [Part 7, p. 37]).

14. If a woman wants a dress, she can marry a man for 1–3 days to get the money to buy it (Ibn Jawziyya, op cit., part 5, p. 111 [Sahih Muslem Hadith]).

15. The *Holy Hadith* (Bukhari, vol. 7, p. 36) says that “*Nikah-al-Muta*” is a “marriage for pleasure,” and it is always for a “limited time.” This was practiced since the inception of Islam (*Nun al-Yaqin*, Sheikh al-Khurary).

16. A “contractual marriage” needs no witnesses. It could last *fifteen minutes*. The man gives no alimony to his “spouse;” she inherits nothing, and she is “divorced without a witness” (Dr. Musa al-Musawi, *The Shiites and the Reformation* [p. 109 and iii]. This Mohammedan had a Ph.D. in the Sharias [Islamic Constitutional Laws] from the University of Tehran.)

(The first ELEVEN “fundamentals of Islamic faith” given in that list are confirmed by the following highly-educated Imams [teachers] of the *Holy Hadith*: Mishkat al-Masabih Book i, *Hadith* no. 61. Ibid, No 54 and Vol. II no. 61. Suyuti, commenting on Sura 4:34 and Kanz el-'Ummal, Vol. 22 Hadith no. 868. The *Holy Qur'an* Sura 4:34 [Arberry's translation]. Ibn Kathir, commenting on Sura 4:34. The *Holy Qur'an* Sura 4:3 and Sura 4:129 [Dawood's translation]. Ihy'a Uloum ed-Din” by Ghazali. [Vol. II, p. 34]. Muhammad Ibn Saad, “Dar al-Tahrir” 1970, Vol. 8, p. 139.)

The *Hadith* also teaches the following:

1. Whenever Mohammed got a revelation from Gabriel he had epileptic fits in front of people, while none of them heard any sound but noises he made himself (*The Dictionary of Islam*, p. 393). He slobbered, sweat, foamed at the mouth, had splitting headaches, and rolled on the ground. He would *snore* like a camel, *pass out*, and experience something similar to a heart attack. That is according to the second highest authority in “Islam” (*The Holy Hadith*, Bukari, Vol. 1 [nos. 1, 2, 3, 4], Vol. II [no. 16], Vol. III [nos. 17, 829], Vol. IV [nos. 95, 438, 458, 461], Vol. V [nos. 170, 462, 618, 659], Vol. VI [nos. 447, 468, 478, 481, 508]).

In the *Holy Bible*, “**the spirits of the prophets are subject to the prophets**” (1 Cor. 14:32).

The only prophets in the Bible that carried on like *Mohammed* were the prophets of Baal (1 Kings 18) and a murderer who committed suicide (1 Sam. 20:33, 22:18, 31:4–5).

2. After the *Koran* stated that all prophets (Sura 40:55, note 2194) were “PURE and SINLESS” (Sura 2:25–28, notes 1524, 1535—references referring to Ishmael, Moses, and David!), *Mohammed said he was NOT sinless* (Sura 12:53). While professing that all of these verses in a *Koran* were given to him by an angel, not “Allah.”

3. Being totally unable to prophesy (in 114 chapters of a “holy” book) what Daniel, David, Moses, Paul, Jacob, et al., were able to prophesy in ONE chapter, Mohammed decided that the proof he was a “prophet” was a mole on his back (*Holy Hadith*, Vol. I, no. 189; Vol. IV, no. 741; *Holy Qur'an*, Sura 33:40).

You will find Jacob in Genesis 49 making *sixteen* detailed prophecies that take place

in *history*. You will find Daniel in Daniel 2 makes *fourteen* that come to pass in *history*. And you will find Jesus Christ makes *fifty* in Matthew 24 that have come to pass or will come to pass shortly. Daniel was not in collusion with David. Moses was not in collusion with Jacob. Jesus Christ was not in “collusion” with any of them. *Mohammed was in collusion with himself*—all 114 chapter. In any court of law such “evidence” would be thrown out of court.

4. “Allah” transformed Jews into pigs and rats (*The Holy Hadith*, Vol. IV no 524, p. 333). They were not made “LIKE” pigs or rats; they were turned *into* pigs and rats.

5. An angel can’t enter your house if a dog is in it, Mohammed ordered that ALL DOGS should be killed (Lassie? Rin Tin Tin? The Canine Corps?) (*The Holy Hadith*, Vol. IV no. 540). That would be a “SHARIA” (a State-Church law) if ever adopted in an Islamic country.

6. Satan lives in the upper part of your nose at night (*The Holy Hadith*, Vol. IV no. 516). (Poor Jimmy Durante!) The way you fight Satan is throw pebbles at him. (At a pilgrimage to Mina on Mt. Arafat: *Behind the Veil*, p. 266).

7. If you pray with your eyes uplifted to Heaven, your eyeballs will fall out (*The Holy Hadith*, Vol. I no. 863).

CHAPTER FOUR

The Putting Together Of the Koran

Historically it was simple. It was one illiterate, epileptic (see pp. 4, 11, 15) fornicator *in collusion with HIMSELF*. No one ever *saw* or *heard* any angel tell Mohammed anything. This explains why the *Koran* contains nothing of a prophetic nature unless it copies the Old Testament; the one man who created it couldn't tell anything more about anyone's future than a palm reader or a gypsy fortune teller. He guessed right on a couple of his own battles, and that was it. The odds against ANY historical prophecy in the *Koran* being fulfilled were never more than one out of two at the most. Most of the time they were just GUESSES. In the *Holy Bible* the odds against *forty-eight historical* prophecies coming to pass, which were given between 400 and 2,000 years of their fulfillment, is one out of 1,000 (I did not list HALF of the odds).

All forty-eight of those Biblical prophecies came to pass *in history* with *eyewitnesses* when Jesus Christ showed up here the first time: they were all *recorded* in any Bible. Four hundred more of them will take place in the next fifty years, where the odds would be one out of 10 with 13,000 zeros after it.

“The testimony of Jesus is the spirit of prophecy” (Rev. 19:10).

When people began to write down what Mohammed said they had the utmost confidence that he could remember what Gabriel told him. *He couldn't*. He confessed that, at times, he forgot having heard anything from Gabriel (*The Holy Hadith*: Vol. VI, no 558 and 562).

Mohammed's epileptic fits (in modern science called “hydrocephalus and epilepsy”) began around A.D. 609 and continued off and on for about thirteen years. His outbursts were written down on paper, the shoulder blades of cattle, leather, stones, etc. When Mohammed fled for his life (to avoid being killed by Arabs who thought he was demon possessed) only 150 devout followers left with him. You must assume that all that he had dictated to anyone had been memorized in case they had lost the cattle skins, the stones, the leather (see above) they used. You are to *assume* that from here on through The Battle of Badr and a trip to Mecca, all of the *Koran* was present in pieces with various individuals.

There does not exist one manuscript of the *Koran* from that period of time: NOT ONE. The first collection of manuscripts was by Zaid Ibn Thabit who was ordered to do so by a Caliph (*Abu Bakr*). He got one copy together. From there, till Othman made an official recension and gave orders that no one was able to copy ANY of the *Koran*, it was passed on orally from mouth to mouth. When Othman got everything in one volume he ordered that all other manuscripts or complete “Korans” should be burned. In doing so he

burned up FOUR sets of manuscript witnesses to the various readings.

One copy of *The Holy Hadith* said, “He found the *Qur’ans* many and left one. HE TORE UP THE BOOK.”

Othman tore up *The Koran*, and no one cut off his head or even thought of it. After Mohammed pretended he alone had “the truth and the whole truth,” so Othman *pretended* now that HE had it. The first unique *Koran*, collected by Abu Bakr, was ordered to be handed over to Abdullah ben Omar, and when he got it he tore it up; thus Arabian posterity lost the PRIMARY SOURCES for the *Koran* with no copies left of it anywhere. There were a total of eleven manuscript witnesses to readings in Othman’s *Koran* that he destroyed (*The Qur’an and the Bible*, Dr. William Campbell, 2002, p. 121).

When any lying Mohammedan tells you *The Koran* exists today as it came out of Mohammed’s mouth, sell him the Brooklyn Bridge for thirty-five cents.

The thing you have to remember is that when Mohammed makes his power and authority equal to Allah (Sura 4:80), *he is speaking the words that give him this authority*; no one else is telling him ANYTHING. He is “hearing voices” through all 114 Suras, so he swears that it is a 600-winged ANGEL that is talking to him during his epileptic fits. To include HIMSELF as creator, redeemer, savior, messiah, and intercessor, he declares to his public that he is NOT; but when narrating the words of “Allah” (as creator, sustainer, redeemer, judge, lord, god, master, and the “most high”), he simply says “WE” more than 100 times (see Sura 2:3, 34, 35, 36, 38, 49, 50, 51, 56, 57, 83, 84, 87, 93, 106, 125, 143, 146, 211). Those are verses where the speaker (Mohammed) says “WE” did everything in the verse. That is just ONE Sura (Sura 22); there are 114 of them. In Sura 78, Mohammed, speaking in the first person plural (“WE”) says that “WE” created man and the earth (vss. 6, 8) and control the crops and the weather (vss. 12, 14, 15) and wrote the *Koran* (vs. 29). Mohammed says that “WE” prepared Hell (Sura 76:4) and that “WE” will reassemble the dead bones of dead men (Sura 75:3–7).

The alibi for this blasphemous POLYTHEISM is that in Arabic grammar “I” and “ME” are said to be interchangeable with “WE” and “US.”

Thus Mohammed can attribute to *himself* all the attributes of Allah by refusing to say “I” and “me” and substituting “WE” and “US.” Why make a single substitution unless he, as the speaker, was *including himself* in what he was saying? This explains why a cartoon of Mohammed is taken to be a cartoon of “GOD”! In Arabic, they are *identical*, for they are *interchangeable*—without notice.

Thus a worldwide State Church “religion” was erected with no more authority for anything it professed to believe *than a technicality in ONE language*.

I. Mohammed never bothered to collect any manuscripts of anything he ever got from Gabriel. He didn’t see fit even to learn to read what his worshippers had written at his mouth (*The Holy Hadith*, Vol. VI no. 509).

II. Some of his copiers were killed in battle and didn’t leave a single manuscript behind them of anything Mohammed said.

III. The first man who was ordered to collect them (Zaid, by Abu Bakr) said it was NOT “from Allah” because *Mohammed never asked anyone to do it* (*The War Against*

Radical Islam, Robert Morey, 2002, p. 65).

IV. What was finally collected contained: the false claims of men (*Hadith*, Vol. VI no. 523), conflicting verses that contradicted each other (*Hadith*, Vol. VI no. 550), different orders for the Suras, and verses that Allah “abrogated” or had FORGOTTEN (*Hadith*, Vol. IV nos. 57, 62, 69, 299, 393, etc.).

V. The “author” Mohammed *who spoke all of the verses*—often forgot verses he had quoted from Gabriel (*Hadith*, Vol. VI nos. 558 and 562).

VI. The present text (Othman’s) was made after *burning* all other Koranic texts, including all fragments of manuscripts. Even after Othman had put his Koran together, it was MISSING verses (*The Holy Hadith*, IV no 62; Vol. VI no 510).

CHAPTER FIVE

A Mad House Of Confusion

Many times Mohammed would make an “infallible inspired statement,” and in less than a *week* (sometimes in less than a *day*), he would claim that Allah had “changed his mind” and “abrogated” the great truth. The *Holy Hadith* commentator Suyuti says, “Sometimes a revelation used to descend on the prophet at night, and then he forgot it during daytime: thus God sent down Sura 2:106.” The *Jalalan* says of that verse (2:106) that Gabriel told Mohammed: “To eliminate the ordinance of the verse, either with its WORDING or keep the wording and omit the ordinance. We make you, O Mohammed, to FORGET IT: namely we will remove it from your HEART.”

Whoever “inspired” *The Koran* had a bad memory or a fickle mind or both. This is how all Moslems get rid of Sura 53:19–20, which mentions the moon god’s three daughters. The paranoid killers who demanded the death of Rushdie for citing this verse did so on the grounds that “THE VERSE WAS NOT INSPIRED.” Further, these psychotic hypocrites said that “Gabriel came to Mohammed and told him that SATAN had thrust those words into his tongue.”

That is, Mohammed did not hesitate to say “Allah” said something he *didn’t say*, and Gabriel did the *same thing*. Later, he let it out that the DEVIL said it. Well how ‘bout all three of them in collusion? Say for 114 Suras?

But by far the most SATANIC verse in the *Koran* is not Sura 2:106 or 53:19–20. The most Satanic verse in the *Koran* is Sura 37:125, where this mass of confused, deceived, stupid pagans confessed that as “monotheists” they believed in more than ONE Creator! In Sura 33:125—ALL editions of the *Holy Koran* in any language—say that “Allah” is not just THE creator; he is “the best OF ALL CREATORS!”

Polytheism: after giving an illiterate, epileptic, fornicating KILLER the same power of authority given to “Allah” (see Sura 4:80), Mohammed acknowledges there were OTHER creators besides Allah! That monstrous error was enough to show any reader of the *Koran* that the author—whoever he was—didn’t have enough spirituality to put in the left eye of a blind mosquito.

Here is a sample of Allah’s One, True, Holy “Prophet.” This is Koranic “prophesying” according to over 500,000,000 Moslems.

“The first sign of the Hour will be a fire that will bring together the people from the East to the West; the first meal of the people of Paradise will be extra lobe of fish liver. As for the resemblance of the child to its parents: if a man has sexual intercourse with his wife (or wives) and gets his discharge first, the child will resemble the father; if the woman gets her discharge first, the child will resemble her.”

That is God’s true, one, “holy” prophet who is confessed *five times a day* in the “Shahada” in Indonesia, Malaya, Liberia, Pakistan, Bangladesh, Nigeria, Angola, Ethiopia, Turkey, Arabia, Syria, Afghanistan, Morocco, Egypt, Iraq, Iran, and Libya.

The first thirty-seven words in that quotation do not even deal with TIME in history; it is Mohammed's *guess* as to what will take place after time is over (Rev. 20:11–15). Bum guess.

The speaker (Mohammed) was said by an eyewitness—his favorite “wife” (Aisha)—to have been worked over by a witch doctor (Bani Zaraiq) who made him imagine things that he had done that he never did (*The Holy Hadith*, Vol. VII no 658). He had just lied. Mohammed was the original “Believe it or else.” He was the prophet that Islam's “Allah” chose instead of choosing David, Moses, Isaiah, Daniel, Jeremiah, Ezekiel, Zechariah, or Jesus Christ. “Allah” must have had a taste for “sanitary landfills.”

After Mohammed began to shack-up with this nine-year-old bride he began to give her “intercourse” nights at a rate of four to one over his other thirteen wives (he left nine widows at his death). Since this was FRAUD according to any set of ethics or morals, Mohammed *pretended* he had gone to bed with his old wives when he *had not*. That was the testimony of Aisha, his baby bride (*The Holy Hadith*, Vol. VII no 661).

Now, this is the real author of the *Koran*. No Arab saw Allah write anything on stone; *that was Moses who saw that* (Exod. 31:18, 34:1; and Deut. 10:1–4). No Moslem ever heard Gabriel say one word to anybody about anything; *that is what Paul's buddies heard* (Acts 9:7) and the common people heard (John 12:29).

Mohammed just lied his way clear through, and his followers believed him. No one dared even to look at the book from which he stole.

THAT is the origin of the “*Holy*” *Qur'an*.

CHAPTER SIX

The Refuge Of Lies and Liars

The claims of inspiration for the *Holy Bible* (2 Tim. 3:16; 2 Pet. 3:16; Rev. 22:6) need no explanation or justification of any kind from anyone. Its mathematical miracles in regards to the Laws of Statistical Probability show exactly who its real Author is, for the tests of supernaturalism and miraculous revelation have nothing to do with faith, sacraments, beliefs, or religions: it is fulfilled prophecy IN HISTORY (Isa. 41:21–24, 43:12–13). It has nothing to do with cultures, angels, moral codes, principles, personal conduct, or “religions.”

Mohammedans, having no such Book to read or study, are left to their own devices in trying to prove an impossible thing. Thus they claim for *The Koran* anything BUT what took place and what takes place in history. The following items show that a dozen of their “allegations” and “proofs” of inspiration are just *childish nonsense*.

For example, to make you think that you are reading something important, HEADINGS have been given to each Sura which have nothing to do with what is found in the Sura. You quickly discover after reading four or five “Korans” that after Sura 12 all you are getting are endless repetitions of “mantras”—formulas repeated endlessly to FILL SPACE. For example, chapter 13: “THE THUNDER,” with 41 verses that have nothing in it about *any* “thunder.” It is the *same material* you will find in Suras 14, 15, 16, 17, 18, 19, 20, etc.

Sura 35, “The Originator,” running 45 verses, doesn’t show ANY originator “originating” anything. Its sections are called “Divine Favors” (salvation by works, which is about as “original” as Cain) and “Truth will prevail,” with nothing in it but *repetitions from Suras 4, 5, 6, 7, 8, 9, etc.* It is nothing but statements with half truths borrowed from the Old Testament.

Sura 95, “The Fig Tree,” has nothing to do with *any* fig tree on earth.

Sura 96, “The Clot,” has ONE verse out of nineteen that mentions a “clot,” but it tells you nothing about it.

Sura 105, “The Elephant,” has no references to *any* elephant, any elephant’s anatomy, his food, his habits, his habitat, his weaknesses, his strengths, his enemies, his life span, or his origin. It is five verses about somebody Mohammedans killed in a battle.

Sura 69, “The Sure Truth,” is a repetition of the *same material* you found in Suras 2, 3, 4, 5, 11, 12, 13, 14, 21, 22, 23, 24, 25, and 26.

Sura 46, “The Sandhills,” has no more to do with “sand” or “hills” or any “sand hills” than a *New York telephone directory*. It is thirty-five verses where the One God’s “prophet” (see the Shahada) confesses that he has no more idea about whether he is going to Hell or Paradise than Princess Di, Mother Teresa, Pope John Paul II, FDR, JFK, Nelson Mandela, Arafat, Martin Luther King Jr., Jesse Jackson, or Pope Benedict XVI (Sura 46:9).

Without any assurance of eternal life, Moslems claim that Mohammed was so holy he would be *your mediator* (“Intercessor”) at the White Throne Judgment (Abi Abdalial Muhammad Suliman Al-juzulil, *Proofs of Blessing*, p. 92). In a work called *Two Hundred and One Names for Mohammed* (not “Allah!”), he is called “THE TRUTH,” “THE SPIRIT OF HOLINESS” (plagiarized from Rom. 1:4), “THE SPIRIT OF TRUTH” (plagiarized from John 14:17), and “THE INTERCESSOR” (plagiarized from Rom. 8:26): (Al-Manar, Tunis, 1964, pp. 25, 30).

These Arabian night *fairy tales* were printed to contradict the following verses in the *Koran*: Sura 6:94, 40:18, 2:123, 2:254, 39:43,44, 6:51, 32:4, 53:26, 34:23, 21:28, 19:87, etc.

NOTE! The titles Moslems gave Mohammed were the same ones they gave to Allah! Allah had *no name*. The word simply means “THE God.” “Allah” was given titles by people who worshipped Mohammed. He had the *same titles*. So the *Holy Hadith* declares that the *Holy Koran* is a LIE.

In the *Dictionary of Islam* you find a heading called “intercession.” From page 214 you will find these quotations from the *Holy Hadith* (Mishkat, Vol. 33 no 12).

Mohammed said, “I will *intercede* for those who shall have committed great sins.” (He took Jesus Christ’s place out of 1 John 2:1 and John 17:9,20.)

Modest little “prophet,” wasn’t he? A real “role model” for Moslems, right?

Mohammed: “He is most fortunate in *my intercession* in the Day of Judgment!”

The requirement to get Mohammed to intercede for you? Simple: *give a Devil’s profession of faith as found in James 2:19*—“There is no deity but God.” See the Jewish monotheistic version, Deut. 6:4, which Mohammed plagiarized. It was written more than 2,000 years before Allah’s “prophet” showed up.

The god Mohammed told you to confess HAD NO NAME. The word “Allah” is not the NAME of *any* god: it means only “the god.”

What this means to a Christian is absolutely transparent. All any Bible believer has to do is insert the name “Mohammed” into every passage in the New Testament that deals with death and the Last Judgment (“The Last Day” in the *Koran*). Observe the fantastic “truths” you get from the *Koran* if you believe it (or the *Hadith*; take your pick).

God “hath appointed a DAY, in the which He will judge the world in righteousness by *Mohammed* whom He hath ordained; wherefore He hath given assurance unto all Moslems in that He hath raised *Mohammed* from the dead” (Acts 17:31).

“Wherefore God hath highly exalted *Mohammed*, and given him a name that is above every name; that at the name of *Mohammed* every knee should bow...every tongue should confess that *Mohammed* was God’s one, true, ‘holy’ prophet—not Jesus Christ” (Phil. 2:9–11).

“Go ye therefore and teach all nations, baptizing them in the name of the Father, Son, and *Mohammed*.” “Be filled with *Mohammed*.” “Grieve not *Mohammed*, whereby you are sealed unto the Day of Redemption.” “After you believed you were sealed by *Mohammed*.” Jesus Christ “was declared to be the Son of God with power according to

Mohammed (THE SPIRIT OF HOLINESS,” see above) by the resurrection from the dead.” “*Mohammed* will abide with you forever (John 14:16), even Mohammed” (John 14:17, “THE SPIRIT OF TRUTH”—see above!). “*Mohammed*, whom THE FATHER will send IN MY NAME” (John 14:26).

“He that shall blaspheme against *Mohammed* hath never forgiveness” (Mark 3:29). When Peter and John came to Samaria they “prayed for them, that they might receive *Mohammed* (For as yet HE was not fallen on them...then they laid hands on them, and they received *Mohammed*” (Acts 8:14–17).

That is “THE HOLY BIBLE” according to every Moslem teacher who ever taught the *Holy Koran*. He just pretends his ridiculous heresy could not affect the record.

That is “Islam” in practice. *That* is “Mohammedanism” if you believe what the *Koran* said about Mohammad. That is why all Moslems claim the New Testament is a corrupt book that has been perverted by non-Moslems. That is why you are to MURDER anyone who calls to your attention *what I just called to your attention*. Every Moslem is to live and die in pitch black *spiritual darkness*.

CHAPTER SEVEN

Scientific Bubble Gum

The alibi for this monstrous *perversion* of historical religious truth is that the *Koran* contains “advanced scientific information not found in the *Holy Bible*.” Six of these ridiculous alibis for sinning are as follows:

1. *The Water Cycle*, supposedly described in detail in Suras 50:9–11, 35:9, 30:48, 7:57, 25:48–49, etc.

All of the material was *stolen* from Amos 5:8; Ecclesiastes 1:6–7; Isaiah 55:9–11; and Job 36:27–28, which were all written 1,000–1,800 years *before* Mohammed was born.

2. *Water currents in the sea*.

All the material was in print *more* than 1,000 years before Mohammed was born. He got it from Job 38:16 and Psalm 8:8. This was simply Mohammed picking up “snicks and snacks” from his two Jewish “wives.” He was a thief as well as a liar and a killer.

3. *The barriers between salt and fresh water*.

The alibi for this sin is Sura 55:19–21 and 25:53. In the first place there are no BARRIERS. Every commercial fisherman since Noah’s day understood fresh water, brackish water, and salt water when they “separated.” *They have no barriers*; the fresh water becomes “brackish” as it contacts some salt water. It does not turn into salt water completely till it gets into salt water.

James (see James 3:11) told you about any “barrier” the *Koran* “drummed up,” and it was written more than 500 years *before* Mohammed began to have epileptic fits.

4. *Mountains (Orogenesis)*

The Islamic comic book offers scientific “proof” in Sura 31:10–11, 21:31, and 16:15. (Also 78:6,7 and 88:17,19.) These Suras say that the mountains were “thrown down like TENT PEGS” around a tent, or an “ANCHOR pitched off a ship,” and it was done to stop the EARTH from moving them.

All five passages simply denied science, nature, and the *Holy Bible*. Mountains do not keep the earth from shaking (scientific fact). The “folds” of the mountains do NOT make the “crust” stable; it is unstable. The *Holy Bible* states a dozen times that the mountains will explode, fall down, and be removed from their places while the crust of the earth crumbles (Job 9:5; Psa. 46:3; Isa. 41:15, 40:4; Rev. 6:16, 16:20).

5. *Mohammed’s “Seven Heavens”*

This fantasy plagiarized from Jewish traditions (the *Talmud*, *Zohar*, *Kaballa*, etc.) is found in Suras 71:15,16, 67:3, 41:12, 17:44, and 2:29. Four assumptions are made about what these verses teach; not one of them has ever been a scientific fact (*The Qur’an and the Bible*, Dr. William Campbell, 2002, pp. 174–175). The Moslem “seven heavens” come from an *imaginative* division invented by a Moslem (Dr. Torki [Avienna] Grant, pp. 111–

114) that goes like this:

First heaven: atmosphere. *Second heaven* is located as 10,000 times the “thickness” of the first heaven. The *third heaven* is 10,000 times thicker than the second, and so fourth till you get to the *seventh heaven*.

The *Holy Bible* gives THREE and locates all three in the first chapter of its first book, written more than 2,000 years before the *Koran* was assembled. First heaven: from the ground to an elevation above 40,000 feet. The second heaven: from the solar system to the North Star (or beyond). The third heaven is NORTH (Isa. 14:13; Psa. 75:6, 48:2; 2 Cor. 12:1–6) in ETERNITY (Isa. 57:15) where there is no molecular or atomic disintegration or “entropy.”

Allah and his “messenger” (prophet, intercessor, mediator, redeemer, apostle, etc.) had no more idea where “HEAVEN” was than where “Hell, Sheol, Hades, Tartarus,” or “New Jerusalem” were. For sheer blind *ignorance* nothing could compete with “Allah and His Prophet.”

6. The capstone to this mass of *pagan nonsense* dealt with the “bubble gum theory” of multiple creative acts. These deal with anatomy, embryology, and genetics, which Allah knew nothing about unless he just contracted lockjaw when he wrote (or spoke) the “*Holy*” *Koran* to Gabriel.

First, the place of semen production is given as in “your loins” (Sura 4:23, 7:172).

Both proofs were *stolen* from Genesis 35:11; 1 Kings 8:19; and Acts 2:30. Allah’s “revelation” was about as *original* and “new” as the invention of the toothpick. All Imams and Ulamas say man was made by a gushing fluid from between the loins and the rib. Dr. Buceille, as a medical doctor, says that the verses (in five different *Korans*!) on this (60:5–7) are “hardly comprehensible,” so the doctor *suggests* and *translates* in line with this theory. He doesn’t translate or even paraphrase (Campbell, op cit., p. 184). It is his *private interpretation* to explain a *Koran* verse so it will prove it is “scientific.” It is about as scientific as a flat earth or “spontaneous generation” (Darwin and Co.).

These excursions into Cloudland are called *The Scientific Miracles of the Holy Koran* (Darussalam, Houston, 1996) by six college professors who majored in “Science.”

Before telling you how the human embryo develops in A.D. 700 (*The Qur’an*), the authors are careful to warn you that all their material is non-*Koran* (p. 6). They are only telling you what they THINK the *Koran* “means” in the light of A.D. 1996. There follows references to the *Koran* which are not genuine quotations from any *Koran*. For example, Sura 23:12–14. This quotation means that Mohammed knew the suspension of the embryo in the womb during the “alaqah stage” and the “mudghah” stage, where it is “similar to a blood clot.” When you look at the embryo in this last stage, you see “somites” like “teeth marks,” so the embryo is like “a piece of gum that has been chewed” (p. 9).

Bubble gum theology. This is how much “Allah” showed his “holy” prophet in A.D. 620 about Twentieth-Century “science.”

A handful of citations from the *Koran*—any one of the five that I read or any of the ten anyone else reads—has the following “advanced revelations” in it that the Bible forgot to reveal to mankind. This is Mohammed’s “Sermon on the Mount.”

- A. You enter Paradise *before* you die (Sura 89:30 note 2732).
- B. Both advents of Jesus Christ were fulfilled in *Mohammed* (Sura 17:81 note 1461).
- C. When you obey a *dead man* (Mohammed), you obey the one, true God, “Allah” (Sura 40:55 note 2194).
- D. Hell *is* literal (Sura 40:47–50). Hell is not literal (*The Holy Qur’an*, M. M. Ali, 1995, pp. xx–xxi).
- E. Angels can have 2, 3, 4, or 600 wings (Sura 35:1, note 2050a).
- F. No Christian can know anything about rewards in Heaven after he dies (Sura 32:17).
- G. Moslems are the only people who cannot degenerate (Sura 24:55, note 1763).
- H. Never “**overcome evil with good**” (Rom. 12:21); overcome it “the best way you think is the way to do it” (Sura 23:96, note 1727).
- I. God’s curse is on every Christian who believes in the Trinity (Sura 19:35, 9:30).
- J. The angels had to bow before Adam but *not* before Jesus Christ (Sura 3:59, 2:34, 7:11. Cf. Heb. 1:6).
- K. All Moslems have to spend some time in Hell before they are snatched out of it (*Sura 46:9, The Holy Hadith*, Vol. III nos. 32, 33).
- L. You can change human nature without the New Birth (Sura 89:30, note 2732; 97:4, note 2779).
- M. Mohammed memorized all 114 Suras and never forgot any of them (Sura 87:7, note 2716), BUT HE DID FORGET SEVERAL OF THEM (*Holy Hadith*, Vol. VI, nos. 558 and 562).
- Now, those are some BASIC teachings of the *Holy Koran*. They compromise ALL the “pillars” on which Islam was built.
- If you fail to believe ONE of them, you have earned Allah’s curse, because you have disobeyed the WORDS of his “prophet” (Sura 4:80). Your religious education in the one, true “faith” of the “one, true God” (Allah) and his “holy,” fornicating, epileptic, illiterate KILLER can conclude with these “inspired words” of the *600-winged angel*.
- N. The most civilized and *tolerant* nation in the UN is the Islamic Nation (the Islamic “States,” Sura 22:40, note 1698; Sura 22:78, note 1711; Sura 9:33, note 1054), for Moslems are the *God chosen people* to rule the world (Sura 48:28, note 2323; 21:95, note 1659).
- O. No one ever returned from the dead, including *Moses* (Matt. 17:2), *Lazarus* (John 11:43–44), *Eutychus* (Acts 20:9–11), *Dorcas* (Acts 9:39–41), or *Jesus Christ* (John 11:25) (Sura 21:95, note 1659).
- P. No Moslem can know he is saved (Sura 66:8), no matter how pious he is (Sura 9:18).
- Q. Peter, James, John, and Paul were “*fuel for Hell*” (Sura 21:98).

R. Moslems are the greatest people that God ever made on this earth (Sura 21:10, note 1667; 3:110, 6:74, 3:109).

S. If you believe Jesus Christ was God's Son, you are a "*companion of Hell Fire*" (Sura 5:86, 9:30), and you will be thrown into Hell (Sura 17:39, 31:98).

That is what every conservative, moderate "western" Moslem is supposed to believe exactly as it stands in FIVE versions of the *Koran* and as taught by ALL devout Moslem Ulamas, Imams, Sheiks, and Caliphs.

That is the direct SOURCE of all modern "terrorism." None of it is "radical" or "left wing." It is *normal* Islamic "convictions." It is their "Sermon on the Mount."

The people who practise the instructions given to them in the *Hadith* and the *Koran* are not "terrorists," and they are not "radicals." They are spirit-filled, "godly" martyrs who are earning Heaven by their good works: i.e., killing anyone who ridicules their stupidity or is a non-Moslem. All Moslems believe that, especially the politicians who have to *pretend* they don't believe it when dealing with Europeans and Americans.

The surest proof that the *Koran* is a degenerate Old Testament, without any improvements, *any* new revelations, *any* new ideas, or *any* knowledge about the future at all, is Mohammed's "track record" as a "prophet." Having been told that Allah's "messenger" was John the Baptist (Mal. 3:1; Isa. 40:3 cf. Mark 1:2-3), and that no "greater prophet" ever existed than John (Matt. 11:11), Mohammed told *himself* that *he* was *that* prophet and then dumped the blame on a *nonexistent* "Gabriel," who no more existed than the *Koran's* "Jesus" (*Isa*) or the *Koran's* "Moses" (who was sinless according to the *Koran*) or the *Koran's* "David" (who was sinless) or the *Koran's* "Ishmael," who was Allah's "chosen seed."

Mohammed was too big a coward to say that if you obeyed HIM you obeyed Allah, so he had "*Gabriel*" say "*Allah and His messenger*" (Sura 4:80).

As a prophet, Mohammed was a ghastly failure. The surest "measure of the man" as a "prophet" would simply be to lay him alongside any Bible prophet who prophesied *more than 400 years before Mohammed* began to foam at the mouth and roll on the ground "prophesying."

CHAPTER EIGHT

Mohammed as a “Prophet”

Here are the *historical prophecies* that “Allah” gave “Gabriel” in 114 chapters of “holy” writ.

A. The Roman army was defeated in Persia in 613, and nine years later the Romans beat the Persians in 622.

THAT is the “list” given in *A Brief Illustrated Guide to Understanding Islam* (Darussalam, 1996) by six Moslem college professors. In the evidence for the “TRUTH of Islam,” they name *eight items*. Not a single one of them is a prophecy, and not a single one of them was an historical incident or event.

Dr. Campbell gives the deaf and dumb prophet a “break” the professors don’t give him:

1. A “prophecy” of winning the Battle of Badr (Sura 54:43–48), but it turned out to be an *anti-historical speculation on the Last Judgment at the Last Day*.

2. A “prophecy” of the spoils of battle made AFTER the battle was over (Sura 8:43).

3. A prophecy of Mohammed after he had a vision that he would enter Mecca (Sura 48:25). He did *not* make the trip but succeeded in making a treaty—*after he was stopped from going*—whereby future Moslems could go.

Period. “That’s all she wrote.”

That is the *entire content* of Mohammed’s prophetic career as a “PROPHET.”

Every other forecast dealing with the future, in the rest of the book, is nothing but Mohammed’s GUESSES on the “Last Day” (*non-historical*). The Bible already predicted about these matters more than 400 years before his birth and gave them in such DETAIL (see Proverbs, Ecclesiastes, Matthew, Daniel, and Revelation) that Mohammed’s pitiful blubbering is about as authentic as an original Stradivarius made by Wal-Mart.

In the *Holy Bible* you have “**men of God**” (2 Pet. 1:21) and “**prophets of God**” (Ezra 5:2) who tell individuals *exactly* what is going to happen to them and *when* it is going to happen (1 Kings 14:12, 13:2; 2 Kings 1:6; Gen. 3:15; Exod. 7–10; Ezek. 38–39; Dan. 2, 7; 1 Sam. 10:3–5; Matt. 24; Acts 13:11, 27:10, 21:11). You also have “Allah” Himself telling men what is going to happen to them in DETAIL, on this earth, as *recorded history* (1 Sam. 2:34; 2 Sam. 7; 1 Kings 3:11–14, 19:15–18; Jer. 16, 19, 25, 8:1–3; Zeph. 3:8; Zech. 12, 14; Judg. 6:11–17; Josh. 7:10–15; Amos 9:11–15; Luke 21:10–26; Rom. 11:25–28; 2 Thess. 2:1–12; Rev. 1:7–17).

Every event listed takes place on *earth*, in *time*, before anyone dies or anyone faces the “last day” or the “last judgment.”

Allah’s poor, depraved, bankrupt, barren, fruitless, powerless, blind “messenger” was so taken up with killing “infidels” and fornicating with girls and women that he didn’t

have time to find out anything about anything going on in this earth from A.D. 700 to A.D. 3000. Compared with Hosea, Joel, Habakkuk, Haggai, and David, Mohammed was as phony as a six-dollar-bill.

That is why Moslems must murder those who identify him and call that to your attention. That is the only *defense* they have!

Mohammed was so rotten and blind (and cheap) that you could not justify him as a “prophet” with any amount of talk, reasoning, reckoning, arguing, demonstrating, or debate; you would have to KILL your opponent. So said, so done!

That is “Islam!”

Here is Islam’s Biblical history:

“And he will be a wild man; his hand will be against every man, and every man’s hand against him; and he shall dwell in the presence of all his brethren” (Gen. 16:12).

A Moslem’s response to the Lord Jesus Christ (as described by His *eyewitness* biographers) was the EXACT response of the Pharisees and Rabbis WHO MURDERED HIM.

“Which of the prophets have not your fathers persecuted? and they have slain them which shewed before of the coming of the Just One; of whom ye have been now the betrayers and murderers” (Acts 7:52).

“They answered and said unto him, Abraham is our father. Jesus saith unto them, If ye were Abraham’s children, ye would do the works of Abraham.

“But now ye seek to kill me, a man that hath told you the truth, which I have heard of God: this did not Abraham.

“Ye do the deeds of your father. Then said they to him, We be not born of fornication; we have one Father, even God.

“Jesus said unto them, If God were your Father, ye would love me: for I proceeded forth and came from God; neither came I of myself, but he sent me.

“Why do ye not understand my speech? even because ye cannot hear my word.

“Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

“And because I tell you the truth, ye believe me not.

“Which of you convinceth me of sin? And if I say the truth, why do ye not believe me?

“He that is of God heareth God’s words: ye therefore hear them not, because ye are not of God” (John 8:39–47).

“And one of them, named Caiaphas, being the high priest that same year, said unto them, Ye know nothing at all,

“Nor consider that it is expedient for us, that one man should die for the people, and that the whole nation perish not.

“And this spake he not of himself: but being high priest that year, he prophesied that Jesus should die for that nation;

“And not for that nation only, but that also he should gather together in one the children of God that were scattered abroad.

“Then from that day forth they took counsel together for to put him to death” (John 11:49–53).

“Pilate therefore, willing to release Jesus, spake again to them.

“But they cried, saying, Crucify him, crucify him.

“And he said unto them the third time, Why, what evil hath he done? I have found no cause of death in him: I will therefore chastise him, and let him go.

“And they were instant with loud voices, requiring that he might be crucified. And the voices of them and of the chief priests prevailed.

“And Pilate gave sentence that it should be as they required.

“And he released unto them him that for sedition and murder was cast into prison, whom they had desired; but he delivered Jesus to their will” (Luke 23:20–25).

Both groups (Jews and Moslems) were monotheists, busy working their way to Heaven.

Not *one* religious leader in *either* group (Rabbi or Imam) could prophesy about anything taking place on this earth from A.D. 40 to A.D. 3000.

Neither could any Roman Catholic Pope: birds of a feather, etc.

You will find all the material they couldn't find (and wouldn't believe if they found it!) in a *King James 1611 Authorized Version* available now in more than 200 languages.

Allah and Mohammed couldn't find two prophecies out of more than 500.

“There is no God but THE GOD, and Mohammed is His prophet!” That is proof that “the God” didn't have enough spiritual discernment to put into a thimble. No one who knew about Isaiah–Malachi and the lives of Jacob, Moses, Joshua, David, Peter, James, John, Paul, and Jesus Christ would ever make such a stupid BLUNDER as that.

Imagine, if you can, ANY “God,” who reserved the title of “*THE GOD*” for himself, being so stupid that he would select for His “prophet” a fornicating military dictator who couldn't control his own gonads and didn't know where he was going when he died! “Allah” couldn't have done any worse if he had picked Rasputin or Cardinal Spellman.

Any God, who would reveal a whole “holy book” to any sinner, who couldn't make fifty historical prophecies in less than a WEEK should resign and let some other god pretend he was “THE” God.

“*THE GOD*” (English for “ALLAH”) would have to know what would take place on earth *from the time that He started to speak until eternity began in Revelation 21*. Poor,

ole' Mohammed couldn't "get in" the details of *one* historical event that took place in the 2,400 years after his death.

Moses gave you more than *fifty*; Isaiah gave you more than 150. Jeremiah gave you more than 70, Ezekiel gave you more than 200, and Jesus Christ gave you more than 100. And Mohammed? Why, the poor, blind, carnal, stupid "quack" couldn't give you enough to count on one hand. The Apostle Paul gave you 40, and the Apostle John gave you more than 200. And "Allah" picked *Mohammed*, did he? Well, "birds of a feather flock together"!

That time "*THE*" God turned out to be as BLIND as His "prophet"!

This blindness was forced on all Moslems since A.D. 700, and it produced every Moslem terrorist who ever lived anywhere on earth. All Moslem terrorists justify ALL of their terrorism by citing the words of a 600-winged angel who pretended to be quoting a non-existent book written by an anonymous "God" with no name.
